A Woman Burnt - Imayam 2023-09-05

Revathi, an engineer, is besotted with Ravi, an auto driver, and marries him against her family's wishes. As her life unravels, we are brought face-to-face with the realities of narrow-minded, small lives, where it remains impossible for people to rise above the societal chains that shackle them. The novel explores one's helplessness and vulnerability in prose that is deceptively simple, it lays bare the insidious ways in which class, caste and misogyny infiltrate our lives and eat away at our humanity. Relentless and intense, most of the story unfurls in the hospital to which Revathi is brought as a burn victim. Her father, mother, brother and sister-in-law are in turns enraged, sorrowful, aggressive; her father carries around lakhs of rupees in the hope that he can use it for his daughter's treatment but is the money worthless now? Can it bring his daughter back to him? Imayam's is a voice to watch out for - he writes with clinical precision, laying threadbare the hypocrisies of family life and the society at large in a manner that spares no one and offers little redemption.

Girlfriend Written Performance Evaluation - Matthew Bowers 2013-01-30

People say being in a relationship is hard work, and they're right. It requires a sacrifice of time, money and personal freedom. It requires putting aside what you want for the benefit of others. It requires dogged determination to fight through difficult circumstances and disagreements. And in the end, you just hope to get paid. Once completed, your Girlfriend Written Performance Evaluation will provide your girlfriend with a snapshot of her perceived performance. To the extent your girlfriend is performing well, she will appreciate and value your positive feedback, which will encourage continued high performance. And if your girlfriend is underperforming in certain areas, the evaluation will foster a candid discussion regarding your concerns. There can be no greater gift for the one you love (or at least the person you sort of care about).
**** There are three primary ways people use the Girlfriend Written Performance Evaluation. The first and most obvious is for humor. We don't deny that certain topics included in the Performance Evaluation are tongue-in-cheek, and a blank Performance Evaluation makes a great gift for friends or girlfriends at birthday, bachelor, white elephant or other parties. The second way the Performance Evaluation is used is as a romantic gift. A complete and detailed Performance Evaluation filled with high marks and fawning praise is a wonderful way to tell your girlfriend how special she is and how much you enjoy and appreciate

all she does. The third and final way the Performance Evaluation is used is as a genuine tool to foster communication and improve relationships. As noted by psychologist Sam Margulies, who has created a more serious and clinically-based Annual Marital Performance Review, two people with reasonable intelligence will attempt to make things work, but only if they know what's wrong. In the right hands and with the right couple, the Girlfriend Written Performance Evaluation can provide a humorous framework for a meaningful discussion about the state of your relationship. Maybe it can even repair the damage you'll cause by purchasing this evaluation in the first place.

My Life as Noah - Victoria Anders

Is it lust...or something deeper? From the second our hands touched, Marlee stole my heart. She's everything I've ever dreamed of in a girl, but a dream is all she'll ever be. I try to forget about her. Try to wash her memory away with shots of mind-numbing tequila, but I just can't let her go. As the days turn into weeks and weeks turn into months, my feelings remain just as strong. No other girl comes close to what she does to me, which is kind of ridiculous considering we've only shared a few words. After almost a year of ups and downs, with downs being in the majority, I'm finally becoming the person I want to be. Will my new grasp on life give me the courage to talk to the girl who stole my heart, or is it time to let that dream go? Either way, it's time to stop letting life pass me by.

Identical Twins - Judy Gates 2023-06-14

Grab this book and a cold glass of wine and snuggle up to a good fictional story straight out of the STL. This is a good story about some identical twins that are so different, they're like night and day. Take Candi for instance, she's quiet, low-key, and shy even. Her twin, Sandi, is totally different; she's outgoing, will speak her mind on any given day. To be honest, Sandi is a good girl turned bad. She was a good girl hanging with what our parents call the wrong crowd. She lost her job first and then lost her mind... Candi stayed on her job, and she also stayed humble, sweet, and very quiet. She met the love of her life just before her untimely demise. What really made Sandi a gangsta bitch? Well, snuggle up because we're about to find out right now. Don't forget to exhale. Bye for now.

Tarnished Heisman - Don Yaeger 2008-01-15

"In order that there will be no misunderstanding regarding the eligibility of a candidate, the recipient of the award must be a bona fide student of an accredited university. The recipient must be in compliance with the bylaws defining an NCAA student." -- From the ballot for the Heisman Trophy December 10, 2005: Amid a roaring ovation and media crush, with his family standing proudly by his side, Reginald Alfred Bush is named the year's Heisman Trophy winner. With his honest demeanor, effervescent smile and, of course, stunning talent displayed on the fields of the University of Southern California, Reggie Bush is, on that celebratory night, the portrait of a great American sportsman, and the pinnacle of everything the NCAA espouses in its athletes. What America didn't know about the acclaimed college star was that, in direct violation of NCAA policies, Bush and his family had allegedly taken hundreds of thousands of dollars in cash and gifts long before he ever laid his hands on the Heisman. The rumors first surfaced one week before the 2006 NFL draft: allegations of improper benefits that transformed Bush's final year at USC into a financial

windfall. The resulting scandal from such charges could mark one of the darkest chapters in college football history. Now, drawn together for the first time in *Tarnished Heisman*, the facts are laid bare. Don Yaeger, a former *Sports Illustrated* investigative reporter who documented the Duke University lacrosse case in the shattering *New York Times* bestseller *It's Not About the Truth*, reveals the heated controversy behind Bush's high-flying rise before turning pro for the New Orleans Saints, going back to his first taste of fame, when Bush landed in the pages of *Sports Illustrated* and all eyes were watching to see what was next for the USC sophomore. What few eyes saw, however, were the ties between Bush and two San Diego men, cofounders of a fledgling sports agency, who claim to have paid Bush and his family in cash and gifts to ensure his endorsement -- benefits including a vintage car, lavish trips, and an upscale home where Bush's family lived rent-free. Don Yaeger exposes the NCAA-prohibited activity in which Bush allegedly engaged, and also shows how USC and its coaching staff appeared to have turned a blind eye to the increasingly luxurious lifestyle of their star athlete and his family. With the explosive information revealed in *Tarnished Heisman*, Bush stands to be ruled ineligible -- a decision that could cost his alma mater the 2004 national championship title, force the forfeit of every game Bush played in after losing his eligibility, and potentially strip Reggie Bush of the shining prize of his college career: the Heisman Trophy.
