Love Letters from The Heart - Alice Harrold 2021-01-29

Sometimes we can't express all our feelings in one short message or phrase. Long letters help. We all love meaningful things, and a love letter is exactly what we call "meaningful." A letter like one of forty five letters will help you express your feelings

Love Letters - Michelle Janning 2018-06-20

In today's world of Tinder and texting, do we write and save love letters anymore? Are we more likely to save a screen shot of a text exchange or a box of paper letters from a lover? How might these different ways to store a love letter make us feel? Sociologist Michelle Janning's Love Letters: Saving Romance in the Digital Age offers a new twist on the study of love letters: what people do with them and whether digital or paper format matters. Through stories, a rich review of past research, and her own survey findings, Janning uncovers whether and how people from different groups (including gender and age) approach their love letter "curatorial practices" in an era when digitization of communication is nearly ubiquitous. She investigates the importance of space and time, showing how our connection to the material world and our attraction to nostalgia matter in actions as seemingly small and private as saving, storing, stumbling upon, or even burning a love letter. Janning provides a framework for understanding why someone may prefer digital or paper love letters, and what that preference says about a person's access and attachment to powerful cultural values such as individualization, taking time in a hectic world, longevity, privacy, and keeping cherished things in a safe place. Ultimately, Janning contends, the cultural values that tell us how romantic love should be defined are more powerful than the format our love letters take. Her work fits within larger academic questions about the sociology of emotions, how culture works, the importance of objects in social relations, and the significance of privilege in everyday life.

Love Letters - Katie Fforde 2010

With the bookshop where she works about to close, hopeless romantic Laura Horsley recklessly finds herself agreeing to help organise a literary festival in the heart of the English countryside. But her initial excitement is rapidly followed by a mounting sense of panic when she realises just how much work is involved - especially when an innocent mistake leads the festival committee to believe that Laura is a personal friend of the author at the top of their wish-list. Laura might be secretly infatuated with the infamous Dermot Flynn, but travelling to Ireland to persuade the notorious recluse to come out of hiding is another matter. Determined to rise to the challenge, she sets off to meet her literary hero. But all too soon she's confronted with more than she bargained for - Dermot the man is maddening, temperamental and up to his ears in a nasty case of writer's block. But he's also infuriatingly attractive - and, apparently, out to add Laura to his list of conquests ...

[Love Letters From a Duke - Elizabeth Boyle 2009-10-13](#)

He's at her service . . . Though she can't afford the coal to heat her drafty

Mayfair mansion, Felicity Langley still clings to her dream of marrying a duke—one she's had since her very first curtsy. After all, she's been promised to the very lofty Duke of Hollindrake for the last four years. Now all she has to do is meet him. But what Felicity doesn't realize is that she has met her duke—he's the altogether too handsome man who Felicity has just mistaken . . . for her new footman! By rights, Thatcher should immediately set this presumptuous chit straight and tell her he has no intention of honoring the arranged betrothal. But he's quickly smitten by Felicity's delightful determination, her irrepressible charm . . . and her breathtaking sensuality. Yes, she'd wed him in an instant were his true identity revealed—but Thatcher's vowed to marry only for love. So begins his deception and his conquest of this uncommon woman who doesn't believe in romance, but is about to find her heart and passion set aflame by the unlikely man she's sworn to resist.

[Letter to D - André Gorz 2013-08-29](#)

'You're 82 years old. You've shrunk six centimetres, you only weigh 45 kilos yet you're still beautiful, graceful and desirable' - so begins André Gorz's 'open love letter' to the woman he has lived with for 58 years and who lies dying next to him. As one of France's leading post-war philosophers, André Gorz wrote many influential books, but nothing he wrote will be read as widely or remembered as long as this simple, passionate, beautiful letter to his dying wife. In a bittersweet postscript a year after Letter to D was published, a note pinned to the door for the cleaning lady marked the final chapter in an extraordinary love story. André Gorz and his terminally ill wife, Dorine, were found lying peacefully side by side, having taken their lives together. They simply could not live without one another. An international bestseller, Letter to D is the ultimate love story - and all the more poignant because it's true.

[This Is Not a Love Letter - Kim Purcell 2018-01-30](#)

"[A] long, beautiful, heart-breaking love letter to potential and possibilities and hope, to the pain we survive in youth and carry with us into adulthood."--NPR Book Reviews One week. That's all Jessie said. A one-week break to get some perspective before graduation, before she and her boyfriend, Chris, would have to make all the big, scary decisions about their future -- decisions they had been fighting about for weeks. Then, Chris vanishes. The police think he's run away, but Jessie doesn't believe it. Chris is popular and good-looking, about to head off to college on a full-ride baseball scholarship. And he disappeared while going for a run along the river -- the same place where some boys from the rival high school beat him up just three weeks ago. Chris is one of the only black kids in a depressed paper mill town, and Jessie is terrified of what might have happened. As the police are spurred to reluctant action, Jessie and others speak up about the harassment Chris experienced and the danger he could be in. But there are people in Jessie's town who are infuriated by the suggestion that a boy like Chris would be a target of violence. They smear Chris's character and Jessie begins receiving frightening threats. Every Friday since they started dating, Chris has written Jessie a

love letter. Now Jessie is writing Chris a letter of her own to tell him everything that's happening while he's gone. As Jessie searches for answers, she must face her fears, her guilt, and a past more complicated than she would like to admit.

Love Letters to the Dead - Ava Dellaira 2014-04-01

It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more -- though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was -- lovely and amazing and deeply flawed -- can she begin to discover her own path in this stunning debut from Ava Dellaira, *Love Letters to the Dead*.

The Royal Secret - Lucinda Riley 2019-05-21

Note to readers: In the UK, this book is published under the title *The Love Letter*. In this suspenseful and heart-pounding novel from New York Times bestselling author Lucinda Riley, an ambitious young journalist unravels a dangerous mystery that threatens to devastate the British monarchy. Keeping secrets is a dangerous game. When Sir James Harrison, one the greatest actors of his generation, passes away at the age of ninety-five, he leaves behind not just a heartbroken family but also a secret so shocking, it could rock the English establishment to its core. Joanna Haslam, an up-and-coming reporter, is assigned to cover the legendary actor's funeral, attended by glitzy celebrities of every background. But Joanna stumbles on something dark beneath the glamour: the mention of a letter James Harrison has left behind—the contents of which many have been desperate to keep concealed for over seventy years. As she peels back the veil of lies that has shrouded the secret, she realizes that she's close to uncovering something deadly serious—and the royal family may be implicated. Before long, someone is on her tracks, attempting to prevent her from discovering the truth. And they'll stop at nothing to reach the letter before she does. Full of salacious scandal, shocking twists, and captivating romance, and written in Lucinda Riley's signature "vividly drawn and lushly atmospheric" (RT Book Reviews) prose, *The Royal Secret* is "a full-throttle escapist adventure" (Lancashire Evening Post).

Love Letters from Paris - Nicolas Barreau 2019-11-26

'Enchanting. Reading Barreau is like having me-time with your best friend' NINA GEORGE, author of *The Little Paris Bookshop* 'Heart-breaking . . . touching and magical until the very last page' ELLE _____ Julien Azoulay is famous around the world for his beautiful romance novels. But last year, he stopped believing in love. When his beloved wife H el ene died, leaving him alone to raise his young son, Julien lost his faith in the happier side of life - and with it his ability to write. But H el ene was clever. Before she died, she made Julien promise to write her one letter for each year of her life . . . and now, in this moment, in the most famous cemetery in Paris, Julien stands with his painful first letter in his hand. Here, even though Julien wouldn't believe it, something wonderful is going to happen . . . Come with us down the narrow streets, past the cosy red bistro on Rue Gabrielle, all the way to Montmartre cemetery with its beautiful stone angels, and discover the truth we all hope to find: that love is real, that miracles can happen and - most of all - that it's never too late to rediscover your dreams. *LOVE LETTERS FROM MONTMARTRE* is an ode to love, Paris and friendship. A love letter to readers and to anyone who believes in the healing power of the written word. ****An ELLE Book of the Month**** _____ Find out why readers are falling in love with Nicolas Barreau 'A genuine pleasure. A perfect gift for a Francophile, or just anyone else who is looking for a charming good time' Library Journal 'The book itself carries the heart of Paris within its pages' RT Book Reviews 'Enchanting . . . romantic' Booklist 'Rarely has the French metropolis been described in more poetic terms' Freundin 'Beaucoup de charme!' Ellen Sussman, bestselling author of *French Lessons* 'A wonderful gift, a magical book' SAT 1 'Dream-like, beautiful' taz 'A book to warm your heart' Rheinische Post

The Love Letter - Fiona Walker 2012-04-26

Can fate be signed, sealed and delivered? When Allegra North parted from first love Francis after a decade together, she poured all her regret into a letter. He didn't reply. A year later, her job brings her back to the beautiful Devon coast where romance first blossomed and she hopes that they can start a new chapter. As summer storms circle, the exes juggle rebellious parents, vengeful family members and a very reluctant celebrity author who holds the key to everybody's future . . . *The Love Letter* is a wonderfully warm comedy of mistaken identities, new loves and old flames.

Love Letter to the Earth - Thich Nhat Hanh 2013-06-17

The Zen monk argues for a more mindful, spiritual approach to environmental protection and activism—one that recognizes people and planet as one and the same While many experts point to the enormous complexity in addressing issues ranging from the destruction of ecosystems to the loss of millions of species, Thich Nhat Hanh identifies one key issue as having the potential to create a tipping point. He believes that we need to move beyond the concept of the “environment,” as it leads people to experience themselves and Earth as two separate entities and to see the planet only in terms of what it can do for them. Thich Nhat Hanh points to the lack of meaning and connection in peoples’ lives as being the cause of our addiction to consumerism. He deems it vital that we recognize and respond to the stress we are putting on the Earth if civilization is to survive. Rejecting the conventional economic approach, Nhat Hanh shows that mindfulness and a spiritual revolution are needed to protect nature and limit climate change. *Love Letter to the Earth* is a hopeful book that gives us a path to follow by showing that change is possible only with the recognition that people and the planet are ultimately one and the same.

Father's Love Letter - Barry Adams 2007-03-01

Father's Love Letter by Barry Adams is a series of paraphrased Scriptures that take on the form of a love letter from God and will impact your heart, soul and spirit. Experience the love you have been looking for all your life. This gift book contains beautiful full-color photographs and fifty-seven powerful devotional thoughts. A prayer that will help you put into words your response to God follows each devotional thought.

A Love Letter to This Bridge Called My Back - gloria j wilson 2022-06-07

"In 1981, Chicana literary icons Gloria Anzald a and Cherie Moraga published what would become a foundational legacy for generations of feminist women of color—the seminal *This Bridge Called My Back: Writings by Radical Women of Color*. In celebration of that legacy's 40th anniversary, editors gloria j. wilson, Joni Boyd Acuff, and Amelia M. Kraeche offer new generations *A Love Letter to This Bridge Called My Back*. *A Love Letter* contributors illuminate, question, and respond to current politics, progressive struggles, transformations, acts of resistance, and solidarity, while also offering readers a space for renewal and healing"--

I Sent a Letter to My Love - Bernice Rubens 2014-05-01

Amy Evans retained all her life the squat nose of her childhood, stubbed on to her face like a plasticine afterthought, a chin too long for any practical purpose, and eyes so close together that it seemed the sole function of the bridge of her nose was too keep them apart. For comfort she would go down to the beach, where the breeze from the sea blew into her face her share of the beauty to which her brother had so liberally helped himself. The gulls would wait for her to leave, no matter how long she stayed, for they were real gentlemen - the only gentlemen she was ever to meet in her life. Now in her late fifties, Amy faces a struggle on two fronts. Loneliness looms the larger as the chance of finding love grows more remote. Survival depends on the outcome of her search for a love object, and *I Sent a Letter to My Love* set in Porthcawl on the coast of South Wales, tells the moving and unsentimental story of Amy's bold play for happiness, and her dangerous success. The richly comic gifts, the wit and inventiveness that distinguished all Bernice Rubens' work are reinforced in this novel by a maturity and depth of compassion for her characters.

Other People's Love Letters - Bill Shapiro 2011-02-09

Fevered notes scribbled on napkins after first dates. Titillating text messages. It's-not-you-it's-me relationship-enders. In *Other People's Love Letters*, Bill Shapiro has searched America's attics, closets, and cigar boxes and found actual letters—unflinchingly honest missives full of lust, provocation, guilt, and vulnerability—written only for a lover's eyes. Modern love, of course, is not all bliss, and in these pages you'll find the full range of a relationship, with its whispered promises as well as its heartache. But what at first appears to be a deliciously voyeuristic peek into other people's most passionate moments, will ultimately reawaken your own desires and tenderness...because when you read these letters, you'll find the heart you're looking into is actually your own. • "i think UR great. wanna have wine & Tequila again sometime?" • "I can't believe you're real, and I think about you constantly in some way or the other all day. I haven't given the finger to anyone driving since I met you." • "With you I learned how to fight cleaner, how to talk things out better, and how to make a strong loving family out of nothing. These are priceless gifts that I will carry with me the rest of my life. One more thing you did for me: you left, and I had to get through it." • "P.S. I look forward to your letters too much to call. Also, where do you stand on chains?"

A Love Letter to Europe - Frank Cottrell Boyce 2019-10-31

How are great turning points in history experienced by individuals? As Britain pulls away from Europe great British writers come together to give voice to their innermost feelings. These writers include novelists, writers of books for children, of comic books, humourists, historians, biographers, nature writers, film writers, travel writers, writers young and old and from an extraordinary range of backgrounds. Most are famous perhaps because they have won the Booker or other literary prizes, written bestsellers, changed the face of popular culture or sold millions of records. Others are not yet household names but write with depth of insight and feeling. There is some extraordinary writing in this book. Some of these pieces are expressions of love of particular places in Europe. Some are true stories, some nostalgic, some hopeful. Some are cries of pain. There are hilarious pieces. There are cries of pain and regret. Some pieces are quietly devastating. All are passionate. Conceived as a love letter to Europe, this book may also help reawaken love for Britain. It shows the unique richness and diversity of British cultures, a multitude of voices in harmony. Contributors include: Hugh Aldersey-Williams, Philip Ardagh, Jake Arnott, Patricia Atkinson, Paul Atterbury, Richard Beard, Mary Beard, Don Boyd, Melvyn Bragg, Gyles Brandreth, Kathleen Burke, James Buxton, Philip Carr, Brian Catling, Shami Chakrabarti, Chris Cleave, Mark Cocker, Peter Conradi, Heather Cooper, Frank Cottrell-Boyce, Roger Crowley, David Crystal, William Dalrymple, Lindsey Davies, Margaret Drabble, Mark Ellen, Richard Evans, Michel Faber, Sebastian Faulks, Ranulph Fiennes, Robert Fox, James Fox, Neil Gaiman, Evelyn Glennie, James Hanning, Nick Hayes, Alan Hollinghurst, Gabby Hutchinson-Crouch, Will Hutton, Robert Irwin, Holly Johnson, Liane Jones, Ruth Jones, Sam Jordison, Kapka Kassabova, AL Kennedy, Hermione Lee, Prue Leith, Patrick Lenox, Roger Lewis, David Lindo, Penelope Lively, Beth Lync, Richard Mabey, Sue MacGregor, Ian Martin, Frank McDonough, Jonathan Meades, Andrew Miller, Deborah Moggach, Ben Moor, Alan Moore, Paul Morley, Jackie Morris, Charles Nicholl, Richard Overby, Chris Riddell, Adam Roberts, Tony Robinson, Lee Rourke, Sophie Sabbage, Marcus Sedgwick, Richard Shirreff, Paul Stanford, Isy Suttie, Sandi Toksvig, Colin Tudge, Ed Vulliamy, Anna Whitelock, Kate Williams, Michael Wood, Louisa Young

Peachey Letters - Sandra Peachey 2013

What's it all about... this crazy thing called life and how can we make the most of it? One woman answers these big questions, as she takes a voyage through the past, the present, the players, and the ponderings of her life - sending love letters back to them all along the way. Can letters change a life? They have already changed the life of the author and touched the hearts of the thousands of people around the world who have already read her *Peachey Letters Blog*... Now in book form, these letters do so many things - they entertain, engage, elucidate and energise, and more than that they ultimately show us how to let go and really love life, living it to the full...

How to Write a Love Letter - Barrie Dolnick 2010-03-31

No one can resist a love letter Love letters are largely a lost and forgotten art. Not long ago suitors used the written word to work magic, and people were swept off their feet by a sweet, sincere note. How to Write a Love Letter teaches us, once again, how to reinvent this most meaningful of arts. In today's rushed, individualistic society, love letters are more potent than ever before. They embody and convey the mysterious, the unexpected, and the most utterly thoughtful. A love letter can be anything—from a brisk, casual E-mail asking a love interest to coffee to a handwritten marriage proposal that will serve as a family treasure always. Fun, flirtatious, intimate, provocative—a love letter can be any and all of these things. Even the simplest letter can cause a stir. Barrie Dolnick and Donald Baack have collected a wide range of letters—from old family keepsakes to casual and proper office E-mails. The authors demonstrate and explain, to both women and men, that writing a love letter is about turning sincere affection or intrigue into a unique, cherishable gesture, no matter how small the occasion or how short and uncomplicated the note. Whether you're shy and have trouble expressing your feelings face to face, or you're a romantic at heart who wants to learn more effective ways to communicate, *How to Write a Love Letter* is your ultimate inspiration and guide. Go ahead. Fan the flames of a fledgling romance, or tell your husband of forty years that you still adore him as much as you did the day you first married him. Words are sexy, romantic, and wondrous. Letters are legacies. Learn the art today, and improve your life. Julie, My life is starting to become different, even if my days seem the same. And I must confess that it's you who has changed my outlook. You have opened my eyes to some amazing new possibilities. Your touch is so gentle, your kisses are so delicious, and your body is soft when it presses against me. I will forever be filled with a new sense of wonder and joy, because you have shared these things with me. I must confess that in some ways I feel inadequate. Can I match your gentleness? Can I give any feeling as warm and secure as the one you have bestowed on me? You have chosen to show me such strong passion combined with such sweet affection, and I can only hope you feel a glimpse of the same from me. Our time together is very special. There are very few moments that a man knows will linger with him for the rest of his life, and you have already given me many. Thank you for being such an extraordinary part of my life. I hope we will continue this journey together for a long time to come. John

Love Letters for the Future You (New Edition) - Adi K. 2021-06-10

This is not a poetry book. It's a collection of love notes and love letters for the soulmate of the future. The letters, even though short and simple, contains so many emotions, ranging from love, affection, missing times, sadness and breakups, to proud moments.
