

When Is A Relationship Worth Fighting For

The Heart of the Fight - Judith Wright 2016-02-02

Every couple fights—it's how you fight that can determine the success of your relationship. This book teaches you to look beyond what you and your partner fight about, and discover the core issues that undermine your relationship. In the midst of a disagreement, many couples ask themselves, "What are we really fighting about?" Sound familiar? As it turns out, breakups and divorce don't happen because couples fight, they happen because of how couples fight. In this much-needed book, Judith and Bob Wright—two married counselors and coaches with over thirty years of experience helping couples learn how to fight well—present their tried-and-true methods for exploring the emotions that underlie many relationship fights. In this unique guide, you'll learn how to use disagreements as an opportunity to deepen your understanding of your partner, bring more intimacy to the relationship, strengthen your bond, and really learn from the conflicts and tensions that occur between you. You'll also learn how to navigate the fifteen most common fights couples have, including "the blame game," "dueling over dollars," "If you really loved me, you'd..." "told-you-so's," and more. If you're ready to start fighting for your love, rather than against it, this book will show you how.

Worth Fighting For - Lisa Niemi Swayze 2012-01-05

Lisa Niemi and Patrick Swayze first met as teenagers at his mother's dance studio. He was older and just a bit cocky; she was the gorgeous waif who refused to worship the ground he walked on. It didn't take long for them to fall in love. Their thirty-four year marriage -- which they explored together in *The Time of My Life* -- was a uniquely passionate partnership. Now, for the first time, Lisa will share what it was like to care for her husband as he battled Stage IV pancreatic cancer, and will describe his last days when she simply tried to keep him comfortable. She writes searingly about her grief in the aftermath of Patrick's death, and candidly discusses the challenges that the past fourteen months without him have posed. But while this is an emotionally honest and unflinching depiction of illness, death, and loss, it is also a hopeful and life-affirming exploration of the power of the human spirit. Lisa shows that no matter how dark the prospect of another day may seem, there are always reserves of strength to call upon, and the love shared between two people will never truly die.

A Fight WORTH Fighting - Bonginkosi Gama 2012-10

At what point does one begin to pursue a dream? This question has preoccupied my mind for the past two years, and hence it has ignited the inspiration to write this book about my father, who, at the very tender age of fourteen, seemed to have known what he wanted to accomplish with his life. Themba Delani Jeremiah Gama was his full name. He was born in Kwa Mafahlwane, a rural village which is 30 km away from the KwaZulu-Natal (KZN) small town called Newcastle (South Africa), on 12 February 1942. Throughout his life, he compared his life to that of Moses in the Holy Bible whose purpose was to deliver the Israelites from slavery in Egypt and lead them to the Promised Land (Canaan). Simply put, my father's main mission in life was to deliver his family from poverty to a better life. From his whole life, I learnt the following principles: Focus on the end results. Sacrifice is inevitable. Share your dream with your partner. Passionately work hard towards your dream. Take responsibility for your actions. Be honest in all your dealings. Have faith to achieve your dream. Patience is rewarded.

Should I Stay Or Should I Go - Theresa J. Covert 2019-10-15

If You're Struggling To Decide If You Should Stay or Go ... PLEASE READ THIS Dear Friend, If you are struggling to decide if it's worth fighting for your relationship or if it's time to leave, and you're serious about finding that answer...this book is the most important book you'll ever read. But First, A Warning: Before we go further, let me make something abundantly clear: This book does not contain a "magic wand" that will bring you instant answers without having to do any work. What I'm about to share with you takes both time and effort and has worked wonders for me and my private clients. And I believe it can help you too. The exact process I'll be sharing with you has taken several of my clients from a state of frustration and feeling "stuck", to crystal clarity as to what they should do. But this only works for those who are willing to look deep inside themselves and are committed to finding true happiness. So with that said, let me tell you... Exactly What You're Getting First of all, this is different from any other "relationship" book you've ever read. This book is all about YOU. It's about helping you get clear on what will serve you best and deliver the most happiness without any regrets. Plus, this is a simple read. At 176 pages, you can read it in an afternoon. And you'll immediately begin to see the path toward the happiness you deserve and have been looking for. It's About MORE Than Just This One Decision What you'll take from this book will serve you in all your relationships for the rest of your life. What you'll be learning can be applied to all your relationships, and most important to the one you have with yourself. Here's a fraction of what you're getting... - What to do when you have love for him...but aren't in love with him. - What you should do if "he needs to change" but seems to be fine with mediocrity. - The real cause of the shift from wedded bliss to loneliness. - The most important thing you need to do now so you don't remain stuck in indecision. - Why it's CRITICAL you choose wisely with whom you discuss your struggling marriage and why the wrong choice can end a marriage worth saving. - The ONE single thing you need to focus on at all times to find the clarity and confidence you want. - Why up to 74% of marriages are failing right now and what to do about it for your own life so you're not just another statistic. - The single biggest thing that keeps women stuck in indecision and how to overcome it. - How to identify what's not working in the relationship that is actually working for you. - How to interrupt the same recurring painful patterns and why nothing ever seems to get resolved. - Five specific tips to give your marriage any hope of feeling good again that you can implement in your marriage starting today. - How to know if hope actually exists for your struggling marriage or if it is beyond recovery. - The very first thing you should do if and when you realize the marriage is over. - You have to choose between "happiness" and staying together, right?Wrong! How to pave the path to happiness inside your marriage if that's what you want. And so much more... This Approach Doesn't Require Your Partner To Participate I set out to develop a process that an individual can use to clearly determine if they should recommit to the relationship or lay the foundation to lovingly leave. What I lay out in the book works for YOU...and while your partner is welcome to participate...it isn't necessary in order for you to find the

clarity you're looking for. Regardless of which path you choose, the anger and frustration toward your partner will soften

Your Marriage is Worth Fighting For - Laura T. Gethers 2017-05-12

This 30 day marriage devotional is a great way to rekindle the light that may have grown dim, and the spotlight that shines on the prize. Step in the ring and fight for your marriage. Think about some of the fears that you may have in your marriage. Where are they coming from? How have your actions been driven by these fears? What hindrances have these fears caused in your life? Now this is not going to be easy but think about how much different your life would be if you let those fears go and let LOVE replace them. You don't have to fear when it comes to Love (I'm talking about God's agape unconditional love). His love will protect you, his love will cause you to succeed and not fail. Decide today that you choose LOVE! Take away the power that fear once had and give it to love!

Marriage Is Worth Fighting For - Steve Lawson 2017-01-20

Marriage has become quite the disposable commodity these days. And for some reason, we have bought the lie that if our marriage isn't easy then there must be something wrong, and we probably shouldn't be with that person. It's as if our society has lost the value of hard work - that anything worth having is worth working for. So, as soon as marriage becomes work, we start looking for a way out. But that's not at all how the Bible views marriage. Genesis 2:24 says, "Therefore, a man shall leave his father and his mother and hold fast to his wife, and they shall become one flesh" (ESV). It's that phrase "hold fast" that does it for me. The King James Version translates it "cleave." But that brings to mind chopping things into small bits with a large sharp object, and while that may describe your thoughts toward your spouse at times, let's just stick with "hold fast" for now. The phrase means to cling to and never let go-as if for your very survival. What would happen in our marriages if, instead of treating our relationships so casually, we learned to hold fast to one another? What if, instead of treating marriage as a disposable commodity, we chose to fight for our

marriages? Marriage is Worth Fighting For will give you the tools you need to begin to build the marriage you've always dreamed of. It's time to so value your relationship with your spouse that you refuse to let anything come between you. But it won't always be easy, and many times it will be excruciatingly difficult. But it's worth every struggle, every sacrifice, and every battle. So what do you say? Let's pick a fight!

How To Fight For Your Relationship - Ardella Depalma 2021-08-13

Love may be a battlefield, but just like in life, it's important to pick your battles. And while movies and TV shows have romanticized the idea of fighting for love, it's possible that your relationship just isn't worth the fight. Don't get me wrong - conflict is inevitable and even necessary in healthy relationships, as people can't simply co-exist without reasserting their differences. Dave Washington is a wealthy kid from a wealthy family in Germany, but the truth is Dave wants to go to a place where he isn't known as a rich guy, he just wants to live free life so he decides to attend college in the US after discussing with dad and mom they agreed to Dave decision and Dave was sent to school in the US. When Dave got to the US, he registered with a college but on the day he was to attend college, he rescued a girl from being raped by two bad boys in college. Dave came to her rescue on that day and took her to a hospital for treatment, now after treating her she was awake and was surprised to see Dave, she is really beautiful, Dave just couldn't get his eyes off her, as time moves on they both became friends but Dave, on the other hand, had fallen in love with her but Dave found out something about her, "she was heartbroken and has a desire not to love again".

Long Distance Love - Howexpert 2019-12-29

If you want to make your long distance relationship work, then get this step by step guide by someone who has that EXACT experience in real life. As with any relationship, a long distance relationship involves more than just the two people trying to make it in a difficult and strenuous relationship. It involves family, friends and all people who care about us. Because long distance relationships can be especially stressful, I offer a step-by-step guide to negotiating different aspects of the relationship. In my book, I discuss tips and guidelines that will help with each phase of the relationship from meeting to courtship. I interject personal stories and asides regarding my UK to US romance in a way that showcases the human side of the advice that is always easier to offer than to truly apply. Advice includes: - What to consider entering a long distance relationship. - How to find love and decide whether or not a connection is worth fighting for as it is maintained through a long distance relationship. - Establishing the objectives and logistics involved in seeing through an online relationship to a successful outcome. - How to trust and rely on a partner you are no with in the flesh. What to consider before committing to an online relationship and how to tackle feelings of mistrust and insecurity. - Modern courtship and how to negotiate meeting the family and courting a long distance partner in an already difficult situation. - Coping with the distance and loneliness involved in a long distance relationship. - Preparing for the big day and changes that lie after working to be together with a long distance partner at last. As a long distance relationship forms and progresses, there are many obstacles, which require being addressed. My guide describes he stages of the relationship and the stages of planning a long distance relationship must undergo in order to succeed. About the Expert Having been in a long distance relationship more than once, I am all too familiar with the obstacles and concerns of everyone involved. Long distance relationships are something my family had to cope with as being part of a wave of the future. The ease of communication in the modern age also makes it easier to develop strong emotional attachment to people you can't since. My behavior initially made my family confused when I began expressing myself through online communication and relationships. While I did not expect to find love, let alone fight for it as I did, it was worth it in the end to see it succeed. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.
