The Shape of Ideas Grant Snider 2017-05-09 “[Snider has] created something unique: a synthesis of comics, philosophy, and poetry: a thoughtful new way of packaging eternal ideas in cartoon boxes.” —The Los Angeles Review of Books What does an idea look like? And where do they come from? Grant Snider’s illustrations will motivate you to explore these questions, inspire you to come up with your own answers and, like all Gordian knots, prompt even more questions. Whether you are a professional artist or designer, a student pursuing a creative career, a person of faith, someone who likes walks on the beach, or a dreamer who sits on the front porch contemplating life, this collection of one- and two-page comics will provide insight into the joys and frustrations of creativity, inspiration, and process—no matter your age or creative background. “A creative kaleidoscope of humor, insight, and truth. An inventive window into the creative experience filled with hope and encouragement for daydreamers and doodlers, sketchers and scribblers, inventors, explorers, and spinners of yarns.” —Clare Vanderpool, New York Times-bestselling, Newbery Medal-winning author “Grant Snider’s work delivers introspection, humor, and inspiration in visually stunning drawings. They are a colorful look into the creative process—from the moments of quiet contemplation to the days of frenzied desperation.” —Susan Cain, #1 New York Times-bestselling author of *Quiet: The Power of Introverts in a World That Can’t Stop Talking* “A friendly, encouraging depiction of the creative process, with its highs and lows, from a comics creator.” —The Milwaukee Journal-Sentinel

Somebody to Love Matt Richards 2018-05-08 For the first time, the final years of one of the world's most captivating rock showman are laid bare. Including interviews from Freddie Mercury's closest friends in the last years of his life, along with personal photographs, *Somebody to Love* is an authoritative biography of the great man. Here are previously unknown and startling facts about the singer and his life, moving detail on his lifelong search for love and personal fulfilment, and of course his tragic contraction of a then killer disease in the mid-1980s. Woven throughout Freddie's life is the shocking story of how the HIV virus came to hold the world in its grip, was cruelly labelled 'The Gay Plague' and the unwitting few who indirectly infected thousands of men, women and children - Freddie Mercury himself being one of the most famous. The death of this vibrant and spectacularly talented rock star, shook the world of medicine as well as the world of music. *Somebody to Love* finally puts the record straight and pays detailed tribute to the man himself.

A Book of Untruths Miranda Doyle 2017-05-30 *A Book of Untruths* is a family story told through a series of lies. Each short chapter features one of these lies and each lie builds to form a picture of a

life—Miranda Doyle's life as she struggles to understand her complicated family and her own place within it. This is a book about love, family and marriage. It is about the fallibility of human beings and the terrible things we do to one another. It is about the ways we get at or avoid the truth. And it is about storytelling itself: how we build a sense of ourselves and our place in the world. *A Book of Untruths* is a surprising, shocking and invigorating book that edges towards the truth through an engagement with falsehood. It brings questions to its readers; not answers.

Fat Cat Art Svetlana Petrova 2015-09-15 “It’s official. That thing that classic art has been missing is a chubby reclining kitty.” —The Huffington Post Internet meme meets classical art in Svetlana Petrova’s brilliant *Fat Cat Art*. Featuring her twenty-two-pound, ginger-colored cat Zarathustra superimposed onto some of the greatest artworks of all time, Petrova’s paintings are an Internet sensation. Now fans will have the ultimate full-color collection of her work, including several never-before-seen pieces, to savor for themselves or to give as a gift to fellow cat lovers. From competing with Venus’s sexy reclining pose (and almost knocking her off her chaise lounge in the process) in Titian’s *Venus of Urbino*, to exhibiting complete disdain as he skirts away from God’s pointing finger in Michelangelo’s *Creation of Adam*, Zarathustra single-handedly rewrites art history in the way that only an adorable fat cat can.

outside of class have never crossed. That is until Kate spots Mark miles away from home, out in the city for a wild, unexpected night. Kate is lost, having just run away from a chance to finally meet the girl she has been in love with from afar. Mark, meanwhile, is in love with his best friend Ryan, who may or may not feel the same way. When Kate and Mark meet up, little do they know how important they will become to each other – and how, in a very short time, they will know each other better than any of the people who are supposed to know them more. Told in alternating points of view by Nina LaCour and David Levithan, the bestselling author of *Every Day* and co-author of *Nick and Norah's Infinite Playlist* (with Rachel Cohn) and *Will Grayson, Will Grayson* (with John Green), *You Know Me Well* is a deeply honest story about navigating the joys and heartaches of first love, one truth at a time.

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

The Far Woods 2013 Sarah Burwash has been visiting rural communities and remote areas to attend artist residencies, travelling to different cities for art and craft sales, volunteering on farms and working at lodges in the rocky mountains. *The Far Woods* is a collection of watercolours and other works she produced during these residencies and travels. These drawings celebrate the wilderness, rural lifestyles and resourcefulness. Burwash turns to past generations who, by necessity, had to be self-sufficient and create systems of mutual dependence among community members. Burwash has been researching and immersing herself in environments where she can learn the stories, skills and gain the experience and perspective from earlier generations to create narratives that uproot her own personal mythologies. She seeks to uncover both humble and provocative histories, more specifically those of women who were brazen and persistent in forging for a new social order. She creates characters, environments and narratives that are lyrical yet quiet, like frozen moments from dreams or nightmares. Her work seeks the threads that connect the past and present, weaving imagery that urges people to wander through the drawings, discovering more upon each view and unfolding questions about our relationships to land, nature, spirituality and community.

To My Daughter with Love Susan Polis Schutz 2007 This elegant new edition of Susan Polis Schutz's most beloved work includes the poems and advice of earlier editions, plus new poems inspired by her daughter growing up into a young woman and leaving home. The result is a loving celebration of the joy and pride that all parents feel for their unique, beautiful daughters.

Designing English Daniel Wakelin 2018 Early manuscripts in the English language include religious works, plays, romances, poetry and songs, as well as charms, notebooks, science and medieval medicine. How did scribes choose to arrange the words and images on the page in each manuscript? How did they preserve, clarify and illustrate writing in English? What visual guides

were given to early readers of English in how to understand or use their books?' *Designing English* is an overview of eight centuries of graphic design in manuscripts and inscriptions from the Anglo-Saxon to the early Tudor periods. Working beyond the traditions established for Latin, scribes of English needed to be more inventive, so that each book was an opportunity for redesigning.

'*Designing English*' focuses on the craft, agency and intentions of scribes, painters and engravers in the practical processes of making pages and artefacts. It weighs up the balance of ingenuity and copying, practicality and imagination in their work. It surveys bilingual books, format, ordination, decoration and reading aloud, as well as inscriptions on objects, monuments and buildings. With over ninety illustrations, drawn especially from the holdings of the Bodleian Library in Old English and Middle English, '*Designing English*' gives a comprehensive overview of English books and other material texts across the Middle Ages.

Cats on Catnip Andrew Marttila 2018-09-06 Andrew Marttila has been a professional animal photographer for the past five years and most of that time has been dedicated to photographing cats exclusively. With his set-up he's able to capture wonderful split-second images of cat's most abandoned expressions as they enjoy every cat's favourite treat, catnip. Andrew rescues and raises orphan kittens with his partner Hannah Shaw (the internet's famous Kitten Lady), and many of the models were hand-raised by Andrew and Hannah from newborns. Catnip, or *Nepeta cataria*, grows wild in many parts of the world and is extremely easy to grow at home in most climates. It's part of the mint family and contained within the bulbs, stems, and leaves is an oil called nepetalactone. Once eaten, rolled on, or crushed, the oil binds to the cat's nasal receptors and stimulates a response that affects a number of areas in the brain, including the hypothalamus and amygdala, two regions that are key in regulating emotional and behavioral responses to stimuli. This produces a mild euphoric effect and typically lasts about ten to twenty minutes. Catnip is non-addictive and harmless and provides a temporary respite from your cat's gruelling workload of napping all day.

From unforgettable books like *The Ocean at the End of the Lane* and *American Gods* to ground-breaking comics and graphic novels like *The Sandman* and *Violent Cases*; from big screen fantasies like *Coraline* to small screen epics like *Doctor Who*; and from short stories to songwriting, stage plays to radio plays, journalism to filmmaking, and all points in-between, *The Art of Neil Gaiman* is the first comprehensive, full-colour examination of Gaiman's work to date. Each project is examined in turn, from genesis to fruition, and positioned in the wider narrative of Gaiman's creative life, affording unparalleled access to the inner workings of the writer's mind. Autumn Ali Smith 2017-02-07 SHORTLISTED FOR THE 2017 MAN BOOKER PRIZE A NEW YORK TIMES AND GUARDIAN BEST BOOK OF 2017 Autumn. Season of mists and mellow fruitfulness. That's what it felt like for Keats in 1819. How about Autumn 2016? Daniel is a century old. Elisabeth, born in 1984, has her eye on the future. The United Kingdom is in pieces, divided by a historic, once-in-a-generation summer. Love is won, love is lost. Hope is hand-in-hand with hopelessness. The seasons roll round, as ever. Ali Smith's new novel is a meditation on a world growing ever more bordered and exclusive, on what richness and worth are, on what harvest means. It is the first installment of her Seasonal quartet—four stand-alone books, separate yet interconnected and cyclical (as the seasons are)—and it casts an eye over our own time. Who are we? What are we made of? Shakespearean *jeu d'esprit*, Keatsian melancholy, the sheer bright energy of 1960s pop art: the centuries cast their eyes over our own history making. Here's where we're living. Here's time at its more contemporaneous and its most cyclic. From the imagination of the peerless Ali Smith comes a shape-shifting series, wide-ranging in time-scale and light-footed through histories, a story about aging and time and love and stories themselves.

Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking, without planning, and

The Year of Small Things Sarah Arthur 2017-01-31 When Sarah and Tom Arthur were appointed to a suburban church after three years in an urban Christian community, they faced a unique challenge: how to translate the practices of "radical" faith into their new context. Together with their friends and fellow church members Erin and Dave Wasinger, the Arthurs embarked on a yearlong experiment to implement twelve small practices of radical faith--not waiting until they were out of debt or the kids were out of diapers or God sent them elsewhere, but right now. This book is Sarah and Erin's story, told with humor, theological reflection, and practical insight, exploring such practices as simplicity, hospitality, accountability, sustainability, and social justice--but, most of all, discernment. Along the way readers will consider how God might be calling them to embark on their own year of small but radical changes, right where God has planted them. Each chapter includes discussion questions and suggested readings. Foreword by Jonathan Wilson-Hartgrove. For more information, visit www.YearofSmallThings.com.

authorized episode guide celebrating the twenty-fifth anniversary of the hit-television show Friends, including a look behind-the-scenes of cult-favorite episodes, exclusive photos from Warner Bros., brand new interviews with show creators Marta Kauffman, David Crane, and set designer John Shaffner, and more. The beloved show Friends introduced the world to six young New Yorkers living together, falling in love, breaking up (cue Ross's "We were on a break!"), and getting into hilarious shenanigans, which became an instant classic formula that inspired dozens of "hangout sitcoms" long after the show's reign. But no sitcom has ever come close to the series that started it all, spawning iconic looks like "the Rachel" and timeless catchphrases like "How you doin'?" while creating a cultural sensation that catapulted the cast members to instant mega-stardom. Throughout the show's ten-season run, viewers watched Monica, Rachel, Phoebe, Ross, Chandler, and Joey navigate their twenties and thirties with unwavering friendship, determination, and, of course, plenty of sarcasm. Friends Forever takes fans back to the set where it all began with exclusive photos of the sitcom that won four Primetime Emmy Awards, including Outstanding Comedy Series, eleven People's Choice Awards, and a Golden Globe for Jennifer Aniston for Best Lead Actress in a Television Series. This fully illustrated episode guide will treat readers to nostalgic flashbacks of the top one hundred episodes and sneak peeks of how popularly referenced lines from the show came to be. Friends Forever also boasts new interviews with show creators David Crane and Marta Kauffman on how the show got its start and set designer John Shaffner who reveals his inspirations behind the iconic looks behind Monica's and Rachel's apartment and Central Perk. It's no wonder why the Friends cast was chosen by TV Guide readers as the Best Comedy cast of all time, while countless other publications such as Vanity Fair named the show one of the best sitcoms of all time. Fun, hilarious interactives include: Joey's fake resume vs real one Countdown to the funniest Thanksgiving foods Trivia game Q&A from "The One with the Embryos" (Seriously, what is Chandler Bing's job?) Follow Ross's infidelity trail from "The One with the Morning After" Who's that celebrity? A comprehensive guide to some of the most famous celebrity guest stars from all ten seasons
