*Kerry Kulkens' Guide to Love, Sex and Your Stars* - Kerry Kulkens 1999  
Written by a 'good witch and psychic', this guide discusses the influences

of star signs on people's lives, the meaning of dreams, the language of feathers and flowers and Feng Shui. It also looks at tarot cards and playing cards, lucky colours, the psychic and healing properties of crystals and the magic power of candles.

Here's how to simplify the process of matching love partners according to their zodiac signs This exciting volume helps readers explore their own sexuality, choose the right partner, and understand their partner's emotional and sexual needs as well as their own -- all with guidance from the stars. The book's unique design employs spiral-bound pages at both top and bottom halves of the book. Pages of each section can be flipped and turned separately. This feature allows readers to bring different sets of information side-by-side until maximum astrological compatibility is discovered. As readers turn the pages of this volume, they'll learn -- -- How ruling planets and elements influence sexual compatibility ... -- How masculine and feminine signs differ and affect relationships ... -- What turns each person under each sign on or off, and how to approach and win a potential lover according to his or her zodiac sign ... -- How attraction of the moment differs from long-term compatibility ... -- Which signs conflict so drastically that lovers born under each are likely to drive one another crazy ... -- Which of our bodies' erogenous zones are particular to which signs. The authors also use astrology to make predictions that carry into the next millennium, describe famous lovers born under different signs, and suggest ways in which readers' own signs will influence their sexual nature today and into the future. Separate, in-depth, sign-by-sign analyses for men and women will fascinate and titillate -- and more often than not, readers will be able to recognize

themselves as they find and read their own descriptions. Your Star Guide to Sex is handsomely designed, with die-cut pages, more than 200 full-color illustrations, and thousands of facts, suggestions, and attention-grabbing details that are sure to fascinate all lovers and lovers-to-be.
