

A Dangerous Love Affair

A Dangerous Love - Karen Daniels 2021-06-08

"A tightly coiled story of obsession and crime that plays out in an era of lawlessness" Terry-Ann Adams, author of *Those Who Live in Cages* *A Dangerous Love* is an exhilarating, true love story that plays out in the chaos and lawlessness of the political turmoil that was South Africa in the late 80s and early 90s. The mayhem and desperation of a country whose social fabric is unravelling is mirrored in Karen Daniels's own life, and hers is an up-close-and-personal account of life as a young woman of colour in the anarchy of early post-apartheid South Africa. Karen Daniels was only 21 when she met Martin, a mysterious, dangerous man who, at 22 years of age, had the world at his feet. Captivated by this man, she was soon caught up

in a love affair that turned into obsession and violence. Gutsy and charming, Martin wasn't born into a life of crime and drugs, but his greed and passion soon pulled him into the underworld and he was overcome by a darkness he could not escape. Hold your breath as Karen takes you with her on a roller-coaster ride into an abyss of armed heists, crime, and violent abuse. Her story shows how having such intense and conflicting emotions for a man - loving him and being petrified of him - is only a few heartbeats away from hate. Karen's eventual escape from this life is a success story that has taken her to the heights of the corporate world, and encouraged her to become an advocate for human rights and women empowerment. Her story is one of human resilience, courage and

determination. It offers hope to those struggling to break free from their circumstances, and will inspire anyone who wants to live their best life and go from surviving to thriving.

I learned everything I could about story structure, writing romances, and reading mystery and suspense thrillers; however, it was hard to find books or courses on writing romantic suspense. Therefore, after reading hundreds of romances, mysteries, thrillers, and romantic suspense novels, and studying story structure and characterization, as well as on-the-job writing and critiquing, I put together this book to help you write thrilling and successful romantic suspense novels.

Ben Okri 2012-10-01

An epic of daily life, Dangerous Love is one of Ben Okri's most accessible and most disarming

novels. Omovo is an office worker and artist who lives at home with his father and his father's second wife. In the communal world of the compound in which he lives, Omovo has both friends and enemies, but his most important relationship is with Ifeyiwa, a beautiful young married woman whom he loves with an almost hopeless passion - not because she doesn't return his love, but because they can never be together. Set against the backdrop of a country struggling to come to terms with the aftermath of a recent civil war, this is a story of doomed love - of star-crossed lovers, separated not by their families, but by the very circumstances of their lives.
