

## Bedtrick Tales Of Sex And Masquerade

The Italian Novella and Shakespeare's Comic Heroines Melissa Emerson Walter 2019 This is the first book to provide a full treatment of Shakespeare's literary and theatrical engagement with the Italian novella and female agency.

**Performing Blackness on English Stages, 1500-1800** Virginia Mason Vaughan 2005-05-12 An unusual study of the tradition of blackface in stage performance.

**The Flower and the Scorpion** Pete Sigal 2011-11-25 The bath -- Trash -- Sin -- The warrior goddess -- The phallus and the broom -- The homosexual -- Sex -- Mirrors.

*Courtesans and Tantric Consorts* Serinity Young 2004 In *Courtesans and Tantric Consorts*, Serinity Young takes the reader on a journey through more than 2000 years of Buddhist history, revealing the colourful mosaic of beliefs that inform Buddhist views about gender and sexuality.

**The Invention of Discovery, 1500-1700** Dr James Dougal Fleming 2013-05-28 The early modern period used to be known as the Age of Discovery. More recently, it has been troped as an age of invention. But was the invention/discovery binary itself invented, or discovered? This volume investigates the possibility that it was invented, through a range of early modern knowledge practices, centered on the emergence of modern natural science. From Bacon to Galileo, from stagecraft to math, from martyrology to romance, contributors to this interdisciplinary collection examine the period's generation of discovery as an absolute and ostensibly neutral standard of knowledge-production. They further investigate the hermeneutic implications for the epistemological authority that tends, in modernity, still to be based on that standard. The Invention of Discovery, 1500-1700 is a set of attempts to think back behind discovery, considered as a decisive trope for modern knowledge.

The Implied Spider Wendy Doniger 2011 Wendy Doniger's foundational study is both modern in its engagement with a diverse range of religions and refreshingly classic in its transhistorical, cross-cultural approach. By responsibly analyzing patterns and themes across context. Doniger reinvigorates the comparative reading of religion while tapping into a wealth of narrative traditions. from the instructive tales of Judaism and Christianity to the moral lessons of the Bhagavad Gita. She extracts political meaning from a variety of texts while respecting the original ideas of each. A new preface confronts the difficulty of contextualizing the comparison of religions as well as controversies over choosing subjects and positioning arguments, and the text itself is expanded and updated throughout. `An entertaining and highly accessible look at how myths reveal what is common to all humanity.---Parabola `A racy, enjoyable book...Wendy Doniger brings to her study a wealth of story and folklore from many different traditions, exploring creatively the enduring role of myth through time and across cultures.---Theological Book Review `A timely meditation on what comparative studies might mean...a cross-cultural comparison of different stories from different areas of the world, different tribes, different languages."---London Review of Books "A book that is particularly worthy of the attention of readers in religious studies beyond the history of religions. Since it is Wendy Doniger's most methodological book. The Implied Spider is important, not fur its analysis of myths, but for the arguments that it makes in support of the comparative study of myths.'---Religious Studies Review "By analyzing the political, theological, and psychological structures of the sacred stories of various cultures through time, from the Hebrew Bible to Star Trek. Doniger shows how myths create a shared interdisciplinary narrative of all human creatures....Ranging widely, she offers a detailed, scholarly account."---Library Journal "Sparkingg with erudite and often entertaining intertextual references. The implied Spider is an impressive web delicately constructed of deft analysis together with a sustained argument about the myth's ability to convey and conjure the theological and the political. With its challenges to literary theorists, historians, and ethnographers, it takes various bulls by their respective horns, It will doubtless delight and surely provoke readers, whatever their ilk."---Church History

*A Princely Impostor?* Partha Chatterjee 2020-09-01 In 1921 a traveling religious man appeared in eastern British Bengal. Soon residents began to identify this half-naked and ash-smearred sannyasi as none other than the Second Kumar of Bhawal--a man believed to have died twelve years earlier, at the age of twenty-six. So began one of the most extraordinary legal cases in Indian history. The case would rivet popular attention for several decades as it unwound in courts from Dhaka and Calcutta to London. This narrative history tells an incredible story replete with courtroom drama, sexual debauchery, family intrigue, and squandered wealth. With a novelist's eye for interesting detail, Partha Chatterjee sifts through evidence found in official archives, popular songs, and backstreet Bangladeshi bookshops. He evaluates the case of the man claiming, with the support of legions of tenants and relatives, to be the long-lost Kumar. And he considers the position of the sannyasi's detractors, including the colonial government and the Kumar's young widow, who resolutely refused to meet the man she denounced as an impostor. Along the way, Chatterjee introduces us to a fascinating range of human character, gleans insights into the nature of human identity, and examines the relation between scientific evidence, legal truth, and cultural practice. The story he tells unfolds alongside decades of Indian history. Its plot is shaped by changing gender and class relations and punctuated by critical historical events, including the onset of World War II, the Bengal famine of 1943, and the Great Calcutta Killings. And by identifying the earliest erosion of colonialism and the growth of nationalist thinking within the organs of colonial power, Chatterjee also gives us a secret history of Indian nationalism.

*Better a Shrew than a Sheep* Pamela Allen Brown 2018-08-06 In a study that explodes the assumption that early modern comic culture was created by men for men, Pamela Allen Brown shows that jest books, plays, and ballads represented women as laugh-getters and sought out the laughter of ordinary women. Disputing the claim that non-elite women had little access to popular culture because of their low literacy and social marginality, Brown demonstrates that women often bested all comers in the arenas of jesting, gaining a few heady moments of agency. Juxtaposing the literature of jest against court records, sermons, and conduct books, Brown employs a witty, entertaining style to propose that non-elite women used jests to test the limits of their subjection. She also shows how women's mocking laughter could function as a means of social control in closely watched neighborhoods. While official culture beatified the sheep-like wife and disciplined the scold, jesting culture often applauded the satiric shrew, whether her target was priest, cuckold, or rapist. Brown argues that listening for women's laughter can shed light on both the dramas of the street and those of the stage: plays from *The Massacre of the Innocents* to *The Merry Wives of Windsor* to *The Woman's Prize* taught audiences the importance of gossips' alliances as protection against slanderers, lechers, tyrants, and wife-beaters. Other jests, ballads, jigs, and plays show women reveling in tales of female roguery or scoffing at the perverse patience of Griselda. As Brown points out, some women found Griselda types annoying and even foolish: better be a shrew than a sheep.

**Coyote Nation** Pablo Mitchell 2008-08-04 With the arrival of the transcontinental railroad in the 1880s came the emergence of a modern and profoundly multicultural New Mexico. Native Americans, working-class Mexicans, elite Hispanos, and black and white newcomers all commingled and interacted in the territory in ways that had not been previously possible. But what did it mean to be white in this multiethnic milieu? And how did ideas of sexuality and racial supremacy shape ideas of citizenry and determine who would govern the region? *Coyote Nation* considers these questions as it explores how New Mexicans evaluated and categorized racial identities through bodily practices. Where ethnic groups were numerous and—in the wake of miscegenation—often difficult to discern, the ways one dressed, bathed, spoke, gestured, or even stood were largely instrumental in conveying one's race. Even such practices as cutting one's hair, shopping, drinking alcohol, or embalming a deceased loved one could inextricably link a person to a very specific racial identity. A fascinating history of an extraordinarily plural and polyglot region, *Coyote Nation* will be of value to historians of race and ethnicity in American culture.

Travelling in Different Skins Dúnlaith Bird 2012-07-05 Dúnlaith Bird argues that vagabondage - a physical and textual elaboration of gender identity in motion - emerges as a totemic concept in European women's travel writing from 1850. For travellers including Olympe Audouard, Isabella Bird, Isabelle Eberhardt, and Freya Stark, vagabondage is a means of pushing out the physical, geographical, and textual parameters by which

'women' are defined. Travelling in Different Skins explores the negotiations of European women travel writers from 1850-1950 within the traditionally male-oriented discourses of colonialism and Orientalism. Moving from historical overview to close textual reading, it traces a complex web of tacit collusion and gleeful defiance. These women improvise access to the highly gendered 'imaginative geography' of the Orient. Tactics including cross-dressing, commerciality, and the effacement of their male companions are used to carve out a space for their unconventional and often sexually-hybrid constructions. Using a composite theoretical basis of the later critical work of Judith Butler and Edward Said, this comparative study of British and French colonial empires and gender norms draws out the nuances in these travellers' constructions of gender identity. Women travel writers are shown to play an important role in the legacy of sexual experimentation and self-creation in the Orient, traditionally associated with male writers including Gide and Pierre Loti, and now ripe for critical re-evaluation. This study demonstrates how these women use lived experiences of restriction and negotiation to elaborate advanced theories of motion and gender construction, presaging the concerns of twenty-first century feminism and post-colonialism.

Yoga Journal 2002-05 For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. With every issue, Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds. We are dedicated to providing in-depth, thoughtful editorial on topics such as yoga, food, nutrition, fitness, wellness, travel, and fashion and beauty.

**Rights at Work** Michael W. McCann 1994-07-15 McCann explains how wage discrimination battles have raised public legal consciousness and helped reform activists mobilize working women in the pay equity movement over the past two decades. Rights at Work explores the political strategies in more than a dozen pay equity struggles since the late 1970s, including battles of state employees in Washington and Connecticut, as well as city employees in San Jose and Los Angeles. Relying on interviews with over 140 union and feminist activists, McCann shows that, even when the courts failed to correct wage discrimination, litigation and other forms of legal advocacy provided reformers with the legal discourse--the understanding of legal rights and their constraints--for defining and advancing their cause.

**Masculinities in Old Norse Literature** Gareth Lloyd Evans 2020-07-17 Compared to other areas of medieval literature, the question of masculinity in Old Norse-Icelandic literature has been understudied. This is a neglect which this volume aims to rectify. The essays collected here introduce and analyse a spectrum of masculinities, from the sagas of Icelanders, contemporary sagas, kings' sagas, legendary sagas, chivalric sagas, bishops' sagas, and eddic and skaldic verse, producing a broad and multifaceted understanding of what it means to be masculine in Old Norse-Icelandic texts. A critical introduction places the essays in their scholarly context, providing the reader with a concise orientation in gender studies and the study of masculinities in Old Norse-Icelandic literature. This book's investigation of how masculinities are constructed and challenged within a unique literature is all the more vital in the current climate, in which Old Norse sources are weaponised to support far-right agendas and racist ideologies are intertwined with images of vikings as hypermasculine. This volume counters these troubling narratives of masculinity through explorations of Old Norse literature that demonstrate how masculinity is formed, how it is linked to violence and vulnerability, how it governs men's relationships, and how toxic models of masculinity may be challenged.

**Mapping Gender in Ancient Religious Discourses** Todd Penner 2006-11-01 A collection of essays on early Christian, Jewish and Greco-Roman religious discourses in antiquity, focusing on the construction of gender in relationship to broader cultural and religious themes, argumentation and identity formation in the early centuries of the common era.

**Bawdy Songbooks of the Romantic Period** Derek B Scott 2022-07-30 The songbooks of the 1830-40s were printed in tiny numbers, and small format so they could be hidden in a pocket, passed round or thrown away. Collectors have sought 'these priceless chapbooks', but only recently a collection of 49 songbooks has come to light. This collection represents almost all of the known songbooks from the period.

Desire and Dramatic Form in Early Modern England Judith Haber 2009-04-09 Haber investigates the intersections of erotic desire and dramatic form in works by Shakespeare, Marlowe, Webster, Middleton, Ford, and Cavendish.

**The Juggler of Notre Dame and the Medievalizing of Modernity** Jan M. Ziolkowski 2018-06-11 This ambitious and vivid study in six volumes explores the journey of a single, electrifying story, from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries. The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery, but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt; he is saved when the statue, delighted by his skill, miraculously comes to life. Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth-century Paris, before its translation into English in Britain and the United States. The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations, and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today. The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle Ages in modernity. Spanning centuries and continents, the medieval period is understood through the lens of its (post)modern reception in Europe and America. Profound connections between the verbal and the visual are illustrated by a rich trove of images, including book illustrations, stained glass, postage stamps, architecture, and Christmas cards. Presented with great clarity and simplicity, Ziolkowski's work is accessible to the general reader, while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies, medievalism, philology, literary history, art history, folklore, performance studies, and reception studies.

Brothers and Sisters in Medieval European Literature Carolyne Larrington 2015 A wideranging and groundbreaking investigation of the sibling relationship as shown in European literature, from 500 to 1500.

**Chicago Shakespeare Theater** Regina Buccola 2012-12-15 "Chicago Shakespeare Theater is widely known for vibrant productions that reflect the Bard's genius for intricate storytelling, musicality of language, and depth of feeling for the human condition. Affectionately known to natives of the Windy City as 'Chicago Shakes, ' and now in its twenty-fifth season, this vanguard of Chicago's rich theatrical tradition celebrates its silver anniversary with this ... collection of original essays by world-renowned scholars, directors, actors, and critics"--

The Woman Who Pretended to Be Who She Was Mircea Eliade Distinguished Service Professor of the History of Religions Wendy Doniger 2005 Many cultures have myths about self-imitation, stories about people who pretend to be someone else pretending to be them, in effect masquerading as themselves. This great theme, in literature and in life, tells us that people put on masks to discover who they really are under the masks they usually wear, so that the mask reveals rather than conceals the self beneath the self. In this book, noted scholar of Hinduism and mythology Wendy Doniger offers a cross-cultural exploration of the theme of self-impersonation, whose widespread occurrence argues for both its literary power and its human value. The stories she considers range from ancient Indian literature through medieval European courtly literature and Shakespeare to Hollywood and Bollywood. They illuminate a basic human way of negotiating reality, illusion, identity, and authenticity, not to mention memory, amnesia, and the process of aging. Many of them involve marriage and adultery, for tales of sexual betrayal cut to the heart of the crisis of identity. These stories are extreme examples of what we common folk do, unconsciously, every day. Few of us actually put on masks that replicate our faces, but it is not uncommon for us to become travesties of ourselves, particularly as we age and change. We often slip carelessly across the permeable boundary between the un-self-conscious self-indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us, personally or publicly, the version of ourselves that they expect. Myths of self-imitation open up for us the possibility of multiple selves and the infinite regress of self-discovery. Drawing on a dizzying array of tales--some fact, some fiction--The Woman Who Pretended to Be Who She Was is a fascinating and learned trip through centuries of culture, guided by a scholar of incomparable wit and erudition.

**Sexual Diversity in Asia, c. 600 - 1950** Raquel A.G. Reyes 2012-07-26 Non-reproductive sex practices in Asia have historically been a source of fascination, prurient or otherwise, for Westerners, who being either

Catholic or Protestant, were often struck by what they perceived as the widespread promiscuity and licentiousness of native inhabitants. Graphic descriptions, and pious denunciations, of sodomy, bestiality, transvestitism, and incest, abound in Western travel narratives, missionary accounts, and ethnographies. But what constituted indigenous sexual morality, and how was this influenced by Hinduism, Buddhism, Confucianism, Islam, and Christianity over time and place? What sex practices were tolerated or even encouraged by society, community, and religious ritual, and what acts were considered undesirable, transgressive and worthy of punishment? *Sexual Diversity in Asia, c. 600-1950* is the first book to foreground same-sex acts and pleasure seeking in the histories of India, China, Japan, the Philippines, Thailand, and Indonesia. Drawing on a range of indigenous and foreign sources, the contributors, all renowned experts in their fields, shed light on indigenous notions of gender and the body, social hierarchies, fundamental ideas concerning morality and immorality, and episodes of seduction. The book illuminates - in striking case studies - attitudes toward non-procreative sex acts, and representations and experiences of same-sex pleasure seeking in the histories of Asia. This path-breaking book is an important contribution to the study of gender and sexuality in Asian cultures and will also interest students and scholars of world history.

*Weapons Upon Her Body* Sandra Ladick Collins 2013-01-16 The biblical stories of Lot's daughters, Tamar, Ruth and Bathsheba, share much in common - singular women who are left to rely upon their own wits to achieve some measure of victory over the men around them. Scholarly interpretation of these women often reduces them to mere stock characters who inform civic notions about Israel, the perennial underdog who, like these women, achieves against great odds. Or, they reflect the trickery and moral ambiguity inherent in their line as ancestresses of the House of David. However, when read for their gender information (and not for what they can tell readers about Israel), one finds women who employ strategies of deception and trickery, motivated by individual self-interest, in order to successfully maneuver within the system to their benefit. Such initiative can be seen as valorous: they save themselves through their own pluck and ingenuity. Thus, a close consideration of these stories finds that heroic biblical women carry their essential weapons upon and within themselves in their drive, their resolve and their cleverness. Using methods from biblical study as well as folklore, this study identifies biblical women motivated by self-interest coupled with deception and an incidence of the "bedtrick," an instance of sexual trickery that challenges the text's power and gender dynamics. This identification puts Lot's daughters, Tamar, Ruth and Bathsheba, in league with female heroes from folk tale and legend. By contrasting and comparing common motifs and actions with traits established by other non-biblical female heroic narratives, strong heroic themes are located in all four narratives. This offers a dynamic argument for identifying the female biblical heroic. This work concludes that this new identification of heroic women in the Bible profoundly affects further interpretation of the Bible.

*Animals and the Human Imagination* Aaron S. Gross 2012-04-24 Human beings have long imagined their subjectivity, ethics, and ancestry with and through animals, yet not until the mid-twentieth century did contemporary thought reflect critically on animals' significance in human self-conception. Thinkers such as French philosopher Jacques Derrida, South African novelist J. M. Coetzee, and American theorist Donna Haraway have initiated rigorous inquiries into the question of the animal, now blossoming in a number of directions. It is no longer strange to say that if animals did not exist, we would have to invent them. This interdisciplinary and cross-cultural collection reflects the growth of animal studies as an independent field and the rise of "animality" as a critical lens through which to analyze society and culture, on a par with race and gender. Essays consider the role of animals in the human imagination and the imagination of the human; the worldviews of indigenous peoples; animal-human mythology in early modern China; and political uses of the animal in postcolonial India. They engage with the theoretical underpinnings of the animal protection movement, representations of animals in children's literature, depictions of animals in contemporary art, and the philosophical positioning of the animal from Aristotle to Derrida. The strength of this companion lies in its timeliness and contextual diversity, which makes it essential reading for students and researchers while further developing the parameters of the discipline.

*Cunning* Don Herzog 2008-03-17 Want to be cunning? You might wish you were more clever, more flexible, able to cut a few corners without getting caught, to dive now and again into iniquity and surface clutching a prize. You might want to roll your eyes at those slaves of duty who play by the rules. Or you might think there's something sleazy about that stance, even if it does seem to pay off. Does that make you a chump? With pointedly mischievous prose, Don Herzog explores what's alluring and what's revolting in cunning. He draws on a colorful range of sources: tales of Odysseus; texts from Machiavelli; pamphlets from early modern England; salesmen's newsletters; Christian apologetics; plays; sermons; philosophical treatises; detective novels; famous, infamous, and obscure historical cases; and more. The book is in three parts, bookended by two murderous churchmen. "Dilemmas" explores some canonical moments of cunning and introduces the distinction between knaves and fools as a "time-honored but radically deficient scheme." "Appearances" assails conventional approaches to unmasking. Surveying ignorance and self-deception, "Despair?" deepens the case that we ought to be cunning--and then sees what we might say in response. Throughout this beguiling book, Herzog refines our sense of what's troubling in this terrain. He shows that rationality, social roles, and morality are tangled together--and trickier than we thought.

*The War of the Sexes* Paul Seabright 2013-10-13 How our stone-age brains made modern society, and why it matters for relationships between men and women As countless love songs, movies, and self-help books attest, men and women have long sought different things. The result? Seemingly inevitable conflict. Yet we belong to the most cooperative species on the planet. Isn't there a way we can use this capacity to achieve greater harmony and equality between the sexes? In *The War of the Sexes*, Paul Seabright argues that there is—but first we must understand how the tension between conflict and cooperation developed in our remote evolutionary past, how it shaped the modern world, and how it still holds us back, both at home and at work. Drawing on biology, sociology, anthropology, and economics, Seabright shows that conflict between the sexes is, paradoxically, the product of cooperation. The evolutionary niche—the long dependent childhood—carved out by our ancestors requires the highest level of cooperative talent. But it also gives couples more to fight about. Men and women became experts at influencing one another to achieve their cooperative ends, but also became trapped in strategies of manipulation and deception in pursuit of sex and partnership. In early societies, economic conditions moved the balance of power in favor of men, as they cornered scarce resources for use in the sexual bargain. Today, conditions have changed beyond recognition, yet inequalities between men and women persist, as the brains, talents, and preferences we inherited from our ancestors struggle to deal with the unpredictable forces unleashed by the modern information economy. Men and women today have an unprecedented opportunity to achieve equal power and respect. But we need to understand the mixed inheritance of conflict and cooperation left to us by our primate ancestors if we are finally to escape their legacy.

*Impersonations* Harshita Mruthinti Kamath 2019-06-27 At publication date, a free ebook version of this title will be available through Luminos, University of California Press's Open Access publishing program. Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more. *Impersonations: The Artifice of Brahmin Masculinity in South Indian Dance* centers on an insular community of Smarta Brahmin men from the Kuchipudi village in Telugu-speaking South India who are required to don *stri-vesam* (woman's guise) and impersonate female characters from Hindu religious narratives. Impersonation is not simply a gender performance circumscribed to the Kuchipudi stage, but a practice of power that enables the construction of hegemonic Brahmin masculinity in everyday village life. However, the power of the Brahmin male body in *stri-vesam* is highly contingent, particularly on account of the expansion of Kuchipudi in the latter half of the twentieth century from a localized village performance to a transnational Indian dance form. This book analyzes the practice of impersonation across a series of boundaries—village to urban, Brahmin to non-Brahmin, hegemonic to non-normative—to explore the artifice of Brahmin masculinity in contemporary South Indian dance.

*With Respect to Sex* Gayatri Reddy 2010-05-15 *With Respect to Sex* is an intimate ethnography that offers a provocative account of sexual and social difference in India. The subjects of this study are hijras or the "third sex" of India—individuals who occupy a unique, liminal space between male and female, sacred and profane. Hijras are men who sacrifice their genitalia to a goddess in return for the power to confer fertility on newlyweds and newborn children, a ritual role they are respected for, at the same time as they are stigmatized for their ambiguous sexuality. By focusing on the hijra community, Gayatri Reddy sheds new light on Indian society and the intricate negotiations of identity across various domains of everyday life. Further, by reframing hijra identity through the local economy of respect, this ethnography highlights the complex

relationships among local and global, sexual and moral, economies. This book will be regarded as the definitive work on hijras, one that will be of enormous interest to anthropologists, students of South Asian culture, and specialists in the study of gender and sexuality.

*Encountering Kālī* Rachel Fell McDermott 2003 "The editors have assembled a South Asian/History of Religions dream team, and the result is a book that captures the sexy, gory power of the dark goddess who is the most exciting of all Hindu deities—and perhaps the most controversial and notorious of all deities. Academically profound and theoretically subtle, these essays are also vivid and juicy."--Wendy Doniger, author of *The Bedtrick: Tales of Sex and Masquerade* "If any subject ever called for a book of many parts, it is Kali. These original and provocative essays, well chosen and thoughtfully organized, point to all sides of the Goddess's character. The result is a sharp and challenging book—the essential starting point for a new century of encountering Kali."--John Stratton Hawley, Ann Whitney Olin Professor of Religion, Columbia University and co-editor of *Devi: Goddesses of India*

*The Comfort Women* C. Sarah Soh 2020-05-15 In an era marked by atrocities perpetrated on a grand scale, the tragedy of the so-called comfort women—mostly Korean women forced into prostitution by the Japanese army—endures as one of the darkest events of World War II. These women have usually been labeled victims of a war crime, a simplistic view that makes it easy to pin blame on the policies of imperial Japan and therefore easier to consign the episode to a war-torn past. In this revelatory study, C. Sarah Soh provocatively disputes this master narrative. Soh reveals that the forces of Japanese colonialism and Korean patriarchy together shaped the fate of Korean comfort women—a double bind made strikingly apparent in the cases of women cast into sexual slavery after fleeing abuse at home. Other victims were press-ganged into prostitution, sometimes with the help of Korean procurers. Drawing on historical research and interviews with survivors, Soh tells the stories of these women from girlhood through their subjugation and beyond to their efforts to overcome the traumas of their past. Finally, Soh examines the array of factors— from South Korean nationalist politics to the aims of the international women's human rights movement—that have contributed to the incomplete view of the tragedy that still dominates today.

**Riven by Lust** Jonathan A. Silk 2008-10-31 *Riven by Lust* explores the tale of a man accused of causing the fundamental schism in early Indian Buddhism, but not before he has sex with his mother and kills his father. In tracing this Indian Buddhist Oedipal tale, Jonathan Silk follows it through texts in all of the major canonical languages of Buddhism, Sanskrit, Pali, Tibetan, Chinese, and Japanese, along the way noting parallels and contrasts with classical and medieval European stories such as the legend of the Oedipal Judas. Simultaneously, he investigates the psychological and anthropological understandings of the tale of mother-son incest in light of contemporary psychological and anthropological understandings of incest, with special attention to the question of why we consider it among the worst of crimes. In seeking to understand how the story worked in Indian texts and for Indian audiences—as well as how it might work for modern readers—this book has both horizontal and vertical dimensions, probing the place of the Oedipal in Indian culture, Buddhist and non-Buddhist, and simultaneously framing the Indian Oedipal within broader human concerns, thereby contributing to the study of the history of Buddhism, the transmission of narratives in the ancient world, and the fundamental nature of one aspect of human sexuality. Starting from a brief reference in a polemical treatise, *Riven by Lust* demonstrates that its authors borrowed and intentionally adapted a preexisting story of an Oedipal antihero. This recasting allowed them to calumniate their opponents in the strongest possible terms through the rhetoric of murder and incest. Silk draws on a wide variety of sources to demonstrate the range of thinking about incest in Indian Buddhist culture, thereby uncovering the strategies and working methods of the ancient polemicists. He argues that Indian Buddhists and Hindus, while occupying the same world for the most part, thought differently about fundamental issues such as incest, and hints at the consequent necessity of a reappraisal of our notions of the shape of the ancient cultural sphere they shared. Provocative and innovative, *Riven by Lust* is a paradigmatic analysis of a major theme of world mythology and a signal contribution to the study of the history of incest and comparative sexualities. It will attract readers interested in Buddhism, Indian studies, Asian studies, comparative culture, mythology, psychology, and the history of sexuality.

*The Cult of Jagannatha* Jose Carlos Gomes da Silva 2010-01-01 *The Cult of Jagannatha: Myths and Rituals* offers a new approach to Orissan ethnography. In sharp contrast with dominant explanations, centred on tribal influences and the history of aryan-isation, this book provides extensive evidence on the importance of religious orthodoxy. The transition from the coastal to the inland regions of Orissa is characterised by sharp demographic and sociological discontinuities. Such regional differences are probably a reflection of aryan-isation. Ethnological accounts have most commonly relied on the historical reconstruction of this process. It has been assumed that native communities exercised a decisive influence on the traditions that flourished in the delta plain, especially those related to its vital centres—the city of Puri and the temple of Jagannatha. Myths and rituals show that sacrificial symbolism is at the core of Puri's religious system. Explicitly associated with an inaugural asvamedha (the Vedic horse sacrifice), the building of the great temple is still seen as a transformation of the brick-fire altar. These correlations are further supported by an impressive web of orthodox representations, both Vedic and Hindu. This acknowledgement of orthodoxy takes us back to the so-called singularities of local traditions. How to interpret the iconographic "specificity" of Puri's deities? What status should be attributed to the Sudra ritualists of the great temple? The present book provides new answers to these old questions. Puzzling as it may appear, the "strangeness" of Orissan ethnography is a particular, yet extremely coherent expression of Indian traditions.

**The Anthropologist and the Native** H. L. Seneviratne 2011 This book is a collection of 20 essays by international scholars collated in honor of Gananath Obeyesekere, Professor Emeritus at Princeton University, whose writings have contributed to the fields of South Asian studies and anthropology.

**Things** Carolyn Korsmeyer 2019 *Things: In Touch with the Past* explores the value of artifacts that have survived from the past and that can be said to embody their histories. Such genuine or real things afford a particular kind of aesthetic experience—an encounter with the past—despite the fact that genuineness is not a perceptually detectable property. Although it often goes unnoticed, the sense of touch underlies such encounters, even though one is often not permitted literal touch. Carolyn Korsmeyer begins her account with the claim that wonder or marvel at old things fits within an experiential account of the aesthetic. She then presents her main argument regarding the role of touch—both when literal contact is made and when proximity suffices, for touch is a fundamental sense that registers bodily position and location. Correct understanding of the identity of objects is presumed when one values things just because of what they are, and with discovery that a mistake has been made, admiration is often withdrawn. Far from undermining the importance of the genuine, these errors of identification confirm it. Korsmeyer elaborates this position with a comparison between valuing artifacts and valuing persons. She also considers the ethical issues of genuineness, for artifacts can be harmed in various ways ranging from vandalism to botched restoration. She examines the differences between a real thing and a replica in detail, making it clear that genuineness comes in degrees. Her final chapter reviews the ontology that best suits an account of persistence over time of things that are valued for being the real thing.

**The Emerging Lesbian** Tze-Lan D. Sang 2003-01-15 In early twentieth-century China, age-old traditions of homosocial and homoerotic relationships between women suddenly became an issue of widespread public concern. Discussed formerly in terms of friendship and sisterhood, these relationships came to be associated with feminism, on the one hand, and psychobiological perversion, on the other—a radical shift whose origins have long been unclear. In this first ever book-length study of Chinese lesbians, Tze-lan D. Sang convincingly ties the debate over female same-sex love in China to the emergence of Chinese modernity. As women's participation in social, economic, and political affairs grew, Sang argues, so too did the societal significance of their romantic and sexual relations. Focusing especially on literature by or about women—preferring women, Sang traces the history of female same-sex relations in China from the late imperial period (1600-1911) through the Republican era (1912-1949). She ends by examining the reemergence of public debate on lesbians in China after Mao and in Taiwan after martial law, including the important roles played by globalization and identity politics.

*Cruelty and Laughter* Simon Dickie 2014-04-14 A rollicking review of popular culture in 18th century Britain, this text turns away from sentimental and polite literature to focus instead on the jestbooks, farces, comic

periodicals, variety shows and minor comic novels that portray a society in which no subject was taboo and political correctness unimagined.

Jesus, Mary, and Joseph Christopher A. Frilingos 2017-10-10 What was it like in the household of Jesus, Mary, and Joseph? The extracanonical Infancy Gospel of Thomas and the Protogospel of James offer some answers. In stories of household conflict, as well as in scenes of courage and love, ancient Christians learned about human ignorance, divine omniscience, and the worth of family life.

**The Matriarchs of Genesis** David J. Zucker 2015-08-27 Sarah. Hagar. Rebekah. Leah. Rachel. Bilhah. Zilpah. These are the Matriarchs of Genesis. A people's self-understanding is fashioned on their heroes and heroines. Sarah, Rebekah, Leah, and Rachel--the traditional four Matriarchs--are important and powerful people in the book of Genesis. Each woman plays her part in her generation. She interacts with and advises her husband, seeking to achieve both present and future successes for her family. These women act decisively at crucial points; through their actions and words, their family dynamics change irrevocably. Unlike their husbands, we know little of their unspoken thoughts or actions. What the text in Genesis does share shows that these women are perceptive and judicious, often seeing the grand scheme with clarity. While their stories are told in Genesis, in the post-biblical world of the Pseudepigrapha, their stories are retold in new ways. The rabbis also speak of these women, and contemporary scholars and feminists continue to explore the Matriarchs in Genesis and later literature. Using extensive quotations, we present these women through five lenses: the Bible, Early Extra-Biblical Literature, Rabbinic Literature, Contemporary Scholarship, and Feminist Thought. In addition, we consider Hagar, Abraham's second wife and the mother of Ishmael, as well as Bilhah and Zilpah, Jacob's third and fourth wives.

The Bedtrick Wendy Doniger 2022-08-22 "Somehow I woke up one day and found myself in bed with a stranger." Meant literally or figuratively, this statement describes one of the best-known plots in world mythology and popular storytelling. In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova, the erudite and irrepressible Wendy Doniger shows us the variety, danger, and allure of the "bedtrick," or what it means to wake up with a stranger. The Bedtrick brings together hundreds of stories from all over the world, from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News, to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of. Here you will find wives who accidentally commit adultery with their own husbands. You will read Lincoln's truly terrible poem about a bedtrick. You will learn that in Hong Kong the film The Crying Game was retitled Oh No! My Girlfriend Has a Penis. And that President Clinton was not the first man to be identified by an idiosyncratic organ. At the bottom of these wonderful stories, ancient myths, and historical anecdotes lie the dynamics of sex and gender, power and identity. Why can't people tell the difference in the dark? Can love always tell the difference between one lover and another? And what kind of truth does sex tell? Funny, sexy, and engaging, The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship. Give it to your spouse and your lover.

**Caribbean Pleasure Industry** Mark Padilla 2008-11-15 In recent years, the economy of the Caribbean has become almost completely dependent on international tourism. And today one of the chief ways that foreign visitors there seek pleasure is through prostitution. While much has been written on the female sex workers who service these tourists, Caribbean Pleasure Industry shifts the focus onto the men. Drawing on his groundbreaking ethnographic research in the Dominican Republic, Mark Padilla discovers a complex world where the global political and economic impact of tourism has led to shifting sexual identities, growing economic pressures, and new challenges for HIV prevention. In fluid prose, Padilla analyzes men who have sex with male tourists, yet identify themselves as "normal" heterosexual men and struggle to maintain this status within their relationships with wives and girlfriends. Padilla's exceptional ability to describe the experiences of these men will interest anthropologists, but his examination of bisexuality and tourism as much-neglected factors in the HIV/AIDS epidemic makes this book essential to anyone concerned with health and sexuality in the Caribbean or beyond.

**An Interpretation of Desire** John Gagnon 2004 Spanning Gagnon's work from the 1970s and extending through to the 1990s, these essays constitute an essential work on the study of sexuality in the twentieth century.

## Bedtrick Tales Of Sex And Masquerade

You'll learn how to choose the best eBook format, where to find your favorite titles, and how to ensure that your eBook reading experience is both enjoyable and ethical.

Whether you're new to eBooks or a seasoned digital reader, this Bedtrick Tales Of Sex And Masquerade eBook has something for everyone. So, let's dive into the exciting world of eBooks and discover how to access a world of literary wonders with ease and convenience.

## Understanding Bedtrick Tales Of Sex And Masquerade

Before you embark on your journey to find Bedtrick Tales Of Sex And Masquerade online, it's essential to grasp the concept of Bedtrick Tales Of Sex And Masquerade eBook formats. Bedtrick Tales Of Sex And Masquerade come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

### Different Bedtrick Tales Of Sex And Masquerade eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

### 3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

### 4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

### 5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

### 6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Bedtrick Tales Of Sex And Masquerade eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

**EPUB:** Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

**MOBI:** Primarily compatible with Amazon Kindle devices and apps.

**PDF:** Readable on almost all devices, but may require zooming and scrolling on smaller screens.

**AZW/AZW3:** Exclusive to Amazon Kindle devices and apps.

**HTML:** Requires a web browser or specialized eBook reader with HTML support.

**TXT:** Universally compatible with nearly all eReaders and devices.

Understanding Bedtrick Tales Of Sex And Masquerade eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find Bedtrick Tales Of Sex And Masquerade eBooks in these formats.

## Bedtrick Tales Of Sex And Masquerade eBook Websites and Repositories

One of the primary ways to find Bedtrick Tales Of Sex And Masquerade eBooks online is through dedicated

eBook websites and repositories. These platforms offer an extensive collection of eBooks spanning various genres, making it easy for readers to discover new titles or access classic literature. In this chapter, we'll explore Bedtrick Tales Of Sex And Masquerade eBook and discuss important considerations of Bedtrick Tales Of Sex And Masquerade.

### Popular eBook Websites

#### 1. Project Gutenberg:

Project Gutenberg is a treasure trove of over 60,000 free eBooks, primarily consisting of classic literature.

It offers eBooks in multiple formats, including EPUB, MOBI, and PDF.

All eBooks on Project Gutenberg are in the public domain, making them free to download and read.

#### 2. Open Library:

Open Library provides access to millions of eBooks, both contemporary and classic titles.

Users can borrow eBooks for a limited period, similar to borrowing from a physical library.

It offers a wide range of formats, including EPUB and PDF.

#### 3. Internet Archive:

The Internet Archive hosts a massive digital library, including eBooks, audio recordings, and more.

It offers an "Open Library" feature with borrowing options for eBooks.

The collection spans various genres and includes historical texts.

#### 4. BookBoon:

BookBoon focuses on educational eBooks, providing free textbooks and learning materials.

It's an excellent resource for students and professionals seeking specialized content.

eBooks are available in PDF format.

#### 5. ManyBooks:

ManyBooks offers a diverse collection of eBooks, including fiction, non-fiction, and self-help titles.

Users can choose from various formats, making it compatible with different eReaders.

The website also features user-generated reviews and ratings.

#### 6. Smashwords:

Smashwords is a platform for independent authors and publishers to distribute their eBooks.

It offers a wide selection of genres and supports multiple eBook formats.

Some eBooks are available for free, while others are for purchase.

## Bedtrick Tales Of Sex And Masquerade Legal Considerations

While these Bedtrick Tales Of Sex And Masquerade eBook websites provide valuable resources for readers, it's essential to be aware of legal considerations:

**Copyright:** Ensure that you respect copyright laws when downloading and sharing Bedtrick Tales Of Sex And Masquerade eBooks. Public domain Bedtrick Tales Of Sex And Masquerade eBooks are generally safe to download and share, but always check the copyright status.

**Terms of Use:** Familiarize yourself with the terms of use and licensing agreements on these websites. Bedtrick Tales Of Sex And Masquerade eBooks may have specific usage restrictions.

**Support Authors:** Whenever possible, consider purchasing Bedtrick Tales Of Sex And Masquerade eBooks to support authors and publishers. This helps sustain a vibrant literary ecosystem.

## Public Domain eBooks

Public domain Bedtrick Tales Of Sex And Masquerade eBooks are those whose copyright has expired, making them freely accessible to the public. Websites like Project Gutenberg specialize in offering public domain Bedtrick Tales Of Sex And Masquerade eBooks, which can include timeless classics, historical texts, and cultural treasures.

As you explore Bedtrick Tales Of Sex And Masquerade eBook websites and repositories, you'll encounter a vast array of reading options. In the next chapter, we'll delve into the world of eBook search engines, providing even more ways to discover Bedtrick Tales Of Sex And Masquerade eBooks online.

## Bedtrick Tales Of Sex And Masquerade eBook Search

eBook search engines are invaluable tools for avid readers seeking specific titles, genres, or authors. These search engines crawl the web to help you discover Bedtrick Tales Of Sex And Masquerade across a wide range of platforms. In this chapter, we'll explore how to effectively use eBook search engines and uncover eBooks tailored to your preferences.

### Effective Search Bedtrick Tales Of Sex And Masquerade

To make the most of eBook search engines, it's essential to use effective search techniques. Here are some tips:

#### 1. Use Precise Keywords:

Be specific with your search terms. Include the book title Bedtrick Tales Of Sex And Masquerade, author's name, or specific genre for targeted results.

#### 2. Utilize Quotation Marks:

To search Bedtrick Tales Of Sex And Masquerade for an exact phrase or book title, enclose it in quotation marks. For example, "Bedtrick Tales Of Sex And Masquerade."

#### 3. Bedtrick Tales Of Sex And Masquerade Add "eBook" or "PDF":

Enhance your search by including "eBook" or "PDF" along with your keywords. For example, "Bedtrick Tales Of Sex And Masquerade eBook."

#### 4. Filter by Format:

Many eBook search engines allow you to filter results by format (e.g., EPUB, PDF). Use this feature to find Bedtrick Tales Of Sex And Masquerade in your preferred format.

#### 5. Explore Advanced Search Options:

Take advantage of advanced search options offered by search engines. These can help narrow down your results by publication date, language, or file type.

#### Google Books and Beyond

#### Google Books:

Google Books is a widely used eBook search engine that provides access to millions of eBooks.

You can preview, purchase, or find links to free Bedtrick Tales Of Sex And Masquerade available elsewhere.

It's an excellent resource for discovering new titles and accessing book previews.

#### Project Gutenberg Search:

Project Gutenberg offers its search engine, allowing you to explore its extensive collection of free Bedtrick Tales Of Sex And Masquerade.

You can search by title Bedtrick Tales Of Sex And Masquerade, author, language, and more.

#### Internet Archive's eBook Search:

The Internet Archive's eBook search provides access to a vast digital library.

You can search for Bedtrick Tales Of Sex And Masquerade and borrow them for a specified period.

#### Library Genesis (LibGen):

Library Genesis is known for hosting an extensive collection of Bedtrick Tales Of Sex And Masquerade, including academic and scientific texts.

It's a valuable resource for researchers and students.

#### eBook Search Engines vs. eBook Websites

It's essential to distinguish between eBook search engines and eBook websites:

**Search Engines:** These tools help you discover eBooks across various platforms and websites. They provide links to where you can access the eBooks but may not host the content themselves.

**Websites:** eBook websites host eBooks directly, offering downloadable links. Some websites specialize in specific genres or types of eBooks.

Using eBook search engines allows you to cast a wider net when searching for specific titles Bedtrick Tales Of Sex And Masquerade or genres. They serve as powerful tools in your quest for the perfect eBook.

## Bedtrick Tales Of Sex And Masquerade eBook Torrenting and Sharing Sites

Bedtrick Tales Of Sex And Masquerade eBook torrenting and sharing sites have gained popularity for

offering a vast selection of eBooks. While these platforms provide access to a wealth of reading material, it's essential to navigate them responsibly and be aware of the potential legal implications. In this chapter, we'll explore Bedtrick Tales Of Sex And Masquerade eBook torrenting and sharing sites, how they work, and how to use them safely.

Find Bedtrick Tales Of Sex And Masquerade Torrenting vs. Legal Alternatives

Bedtrick Tales Of Sex And Masquerade Torrenting Sites:

Bedtrick Tales Of Sex And Masquerade eBook torrenting sites operate on a peer-to-peer (P2P) file-sharing system, where users upload and download Bedtrick Tales Of Sex And Masquerade eBooks directly from one another.

While these sites offer Bedtrick Tales Of Sex And Masquerade eBooks, the legality of downloading copyrighted material from them can be questionable in many regions.

Bedtrick Tales Of Sex And Masquerade Legal Alternatives:

Some torrenting sites host public domain Bedtrick Tales Of Sex And Masquerade eBooks or works with open licenses that allow for sharing.

Always prioritize legal alternatives, such as Project Gutenberg, Internet Archive, or Open Library, to ensure you're downloading Bedtrick Tales Of Sex And Masquerade eBooks legally.

Staying Safe Online to download Bedtrick Tales Of Sex And Masquerade

When exploring Bedtrick Tales Of Sex And Masquerade eBook torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

#### 1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

#### 2. Verify Bedtrick Tales Of Sex And Masquerade eBook Sources:

Be cautious when downloading Bedtrick Tales Of Sex And Masquerade from torrent sites. Verify the source and comments to ensure you're downloading a safe and legitimate eBook.

#### 3. Update Your Antivirus Software:

Ensure your antivirus software is up-to-date to protect your device from potential threats.

#### 4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal complications.

#### 5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download Bedtrick Tales Of Sex And Masquerade eBooks that you have the right to access.

Bedtrick Tales Of Sex And Masquerade eBook Torrenting and Sharing Sites

Here are some popular Bedtrick Tales Of Sex And Masquerade eBook torrenting and sharing sites:

#### 1. The Pirate Bay:

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of Bedtrick Tales Of Sex And Masquerade eBooks, including fiction, non-fiction, and more.

#### 2. 1337x:

1337x is a torrent site that provides a variety of eBooks in different genres.

#### 3. Zooqle:

Zooqle offers a wide range of eBooks and is known for its user-friendly interface.

#### 4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to find and download your desired reading material.

#### A Note of Caution

While Bedtrick Tales Of Sex And Masquerade eBook torrenting and sharing sites offer access to a vast library of reading material, it's important to be cautious and use them responsibly. Prioritize legal downloads and protect your online safety. In the next chapter, we'll explore eBook subscription services, which offer legitimate access to Bedtrick Tales Of Sex And Masquerade eBooks.
