*Big Girls Don't Cry - The Wild and Wicked World of Paula Yates' Mother* - Helen Thornton 2016-03-15

Helene Thornton has lived a life of unequalled passion and heartache. In her fascinating memoirs she gives the definitive account of her daughter Paula Yates really was. From frail, lonely schoolgirl to voluptuous star of the stage and screen, wife, mother, lover, author and artist, in this dramatic autobiography. After a tough childhood in bleak post-war Blackpool where she suffered from bouts of debilitating sickness, at the hands of cruel bullies and from the impact of her mother's mental illness, Helene blossomed into a renowned beauty and went on to win Miss Blackpool 1954 where she first encountered TV producer and presenter Jess Yates. Joining the famous dancing troupe the Bluebell Girls, Helene toured Europe where she broke hearts and honed her dancing and acting skills before being reunited with Jess and embarking on a whirlwind and frequently steamy romance. After mere months, however, the fairy-tale marriage took a sinister and violent turn with Helene discovering one too many of Jess' secrets, and was forced to leave her husband with baby Paula in tow, as she battled life as a single mother, roaming Britain and then Europe in search of happiness and fulfillment. Writing candidly about the difficult mother-daughter relationship, Helene reveals her anguish at Paula's unsettled infancy and early signs of mental illness. She sets the record straight about one of Britain's best-loved - but least understood - stars, fondly recalling Paula's joy on meeting Bob Geldof, and writing of the childhood incidents that formed her relationships with family, friends and associates and the press. For the first time, she discusses the circumstances that lead to the

revelation that Paula's true father was Hughie Green, and discloses the identities of some of her most cherished lovers. Explosive, moving, frank, but above all honest, *Big Girls Don't Cry* is a no-holds-barred account of the exciting highs and gut-wrenching lows of a life lived to a full.

*Big Girls Don't Cry* - Fay Weldon 2013-05-14

First-wave feminism takes front and center in this fearless novel, a New York Times Notable Book of the Year, about women determined to succeed in a man's world—only to be foiled by their own ambition “A Woman Needs a Man Like a Fish Needs a Bicycle.” It's the 1970s, and the sexual revolution is just beginning. Four women have decided to open a feminist publishing house. Named in honor of the gorgon who turned men's hearts to stone, Medusa Publishing gives the so-called Four Furies a platform for speaking out against female oppression. Layla is a wealthy, fundamental radical, intolerant of anyone whose ideals deviate, even slightly, from her own—that is, until she finds herself seduced by a married man; tiny Alice is “all mind and very little matter,” until she discovers the dangerous New Age practice of goddess worship; Stephanie leaves her unfaithful husband in pursuit of sexual fulfillment with other men—and women; and Nancy, tired of washing her fiancé's socks, discovers she has a remarkable mind for business. *Big Girls Don't Cry* is the story of four women who are determined to change the world, and who, over the course of two-and-a-half decades, ultimately transform themselves.

**Big Boys Cry** - Jonty Howley 2019-06-11

Let boys cry! This picture book imagines a world in which boys are encouraged to express their full range of emotions. It's Levi's first day at a new school, and he's scared. His father tries to comfort Levi by telling him "Big boys don't cry." Though the father immediately understands his misstep, he can't find the words to comfort his son, and Levi leaves for school, still in need of reassurance. Fortunately, along his walk to

school, Levi sees instance after instance of grown men openly expressing their sadness and fear. His learned mantra, "Big boys don't cry," slowly weakens, and by the time he's at school he releases a tear. Once he's there, things aren't so bad after all, and on his walk home he sees everyone he's encountered earlier, feeling better now that they expressed their emotions. Upon his arrival home, he finds his father waiting for him on their porch, tears in his eyes. His father is able to admit that he was scared and the two embrace, closer than before. Jonty Howley's gorgeous debut paints the world we wish existed for our boys, and offers a path there! This story is the truest interpretation of the notion that we should "let boys be boys": let them express the full range of their emotions, vulnerable parts and all!

*Big Girls Do Cry* - 1977

**Alice in Worcestershire** - Eskay Teel 2017-02-20

The author does not want any of her five children to read this book... Or her husband, any friends and especially not her mother. Please only read 'Alice in Worcestershire' if you don't know Eskay Teel. Thank you. 'Alice in Worcestershire' is a brutally honest account of an 'out-of-parental control' teenager in the 1970's. In her refreshingly blunt style the author shares her extraordinarily turbulent ride through the daily domestic war she waged with her mother; the foolishly adventurous and disturbing tales of absconding from children's homes, a police criminal record any adult would be ashamed of, and a 'predictable' double rape at the age of thirteen that's courageously written about in the first chapter. You'll find humour in the blackest of times and a rare openness that's sometimes shocking, but always honest. Every mother (except the authors), every daughter, teacher and social worker should read this book.

The novels of Mary Higgins Clark are perfect for fans of Sabine Durant, Shari Lapena and everyone who loves a good mystery... \*\*\* Praise for Mary Higgins Clark \*\*\* 'I adore Mary Higgins Clark' Karin Slaughter 'Trust Mary Higgins Clark to know what frightens us to death' New York Times 'Clark plays out her story like the pro that she is . . . flawless' Daily Mirror 'Should come with a warning: start in the evening and you'll be reading late into the night' USA Today

**Crying in H Mart** - Michelle Zauner 2021-04-27

ONE OF BARACK OBAMA'S FAVOURITE BOOKS OF 2021 From the indie rockstar Japanese Breakfast, an unflinching, powerful, deeply moving memoir about growing up mixed-race, Korean food, losing her Korean mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up the only Asian-American kid at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the east coast for college, finding work in the restaurant industry, performing gigs with her fledgling band—and meeting the man who would become her husband—her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal pancreatic cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Michelle Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, *Crying in H Mart* is a book to cherish, share, and reread. PRAISE FOR CRYING IN H MART 'Michelle Zauner's *Crying In H Mart* is as good as everyone says it is and, yes, it will have you in tears. An essential read for anybody who has lost a loved one, as well as those who haven't.' Marie-Claire 'The book's descriptions of jiggae, tteokbokki, and other Korean delicacies stand out as tokens of the deep, all-encompassing love between Zauner and her mother, a love that is charted in vivid descriptions of her mother after death; in a time when people around the world are reckoning with untold loss due to COVID-19, Zauner's frankness around death feels like an unexpected yet deeply necessary gift.' Vogue 'Zauner's writing is powerful in its straight-forwardness, though some turns of phrases are as beautiful as any song lyric... but it is her ability to convey how her mother's simple offering of a rice snack was actually an act of the truest love that leaves the most indelible impression.' Refinery 29 'Poignant . . . A tender, well-rendered, heart-wrenching account of the way food ties us to those who have passed. The author delivers mouthwatering descriptions of dishes like pajeon, jajjuk, and gimbap, and her storytelling is fluid, honest, and intimate . . . Zauner's ability to let us in through taste makes her book stand out—she makes us feel like we are in her mother's kitchen, singing her praises.' Kirkus Reviews (starred review)
