Book 6

Broken - Annie Jacoby

2014-01-15

Nick O'Hara is, for lack of a better word, a man-wh***.

Look in the Urban Dictionary under that word, and his name will no doubt be mentioned.

The only qualifications that he looks for in a bed-mate is that the person is hot and breathing. Mainly hot. He has no desire for an emotional connection with another person, and that's the way he lives his life. He has his fabulous wealth and his reputation as a premiere architect, and that's enough for him. Until Scotty James. Scotty is a graduate student at Columbia University in New York City. She's broken from traumatic experiences from her years in foster care and homelessness. She has a vulnerability that is

intoxicating to Nick, because, deep down, he knows that he is as broken as she. When Nick pursues Scotty, it seems that she is the only woman who doesn't want to be with him. At first she's a challenge, but Nick soon finds himself falling in love for the first time in his life. With a woman who wants nothing to do with him. Can Scotty overcome her trust issues and fear to let Nick in? Or will she prove to be too broken to trust? This is a full-length, 95,000 word, New Adult novel with mature themes.

Four roommates bond over their whispered fears, their friendship blossoming—until one of them mysteriously disappears....

Vermont, 2014. Twenty years ago, journalist Fiona Sheridan's elder sister's body was found in the overgrown fields near the ruins of Idlewild Hall. And although her sister's boyfriend was tried and convicted of the murder, Fiona can't stop revisiting the events, unable to shake the feeling that something was never right about the case. When Fiona discovers that Idlewild Hall is being restored by an anonymous benefactor, she decides to write a story about it. But a shocking discovery during renovations links the loss of her sister to secrets that were meant to stay hidden in the past—and a voice that won't be silenced....

peace? As she searches for answers, Keera is haunted by a promise she made long ago, one that will test her in every way. To keep her word, Keera must not only save herself, but an entire kingdom. Fans of fast-paced high fantasy such as *A Court of Thorns and Roses* series, *The Inadequate Heir*, and *From Blood and Ash* author Jennifer L. Armentrout, will enjoy the fierce female characters, sapphic representation, and fantasy romance of *A Broken Blade*. *All the Light We Cannot See* - Anthony Doerr 2014-05-06 *NOW A NETFLIX LIMITED SERIES—from producer and director Shawn Levy (*Stranger Things*) starring Mark Ruffalo, Hugh Laurie, and newcomer Aria Mia Loberti* Winner of the Pulitzer Prize and National Book Award finalist, the beloved instant New York Times bestseller and New York Times Book Review Top 10 Book about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II.

Marie-Laure lives with her father in Paris near the Museum of Natural History where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris, and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the Resistance. More and more aware of the human cost of his intelligence, Werner travels

through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge. Doerr's "stunning sense of physical detail and gorgeous metaphors" (San Francisco Chronicle) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another. Ten years in the writing, *All the Light We Cannot See* is a magnificent, deeply moving novel from a writer "whose sentences never fail to thrill" (Los Angeles Times).

Dalton 2011-11-26

A mute Mayan girl held captive in a crate in the Guatemalan jungle, a big-city psychoanalyst with a rescue complex, and a journalist with a broken heart are the characters in Sheila Dalton's second literary novel.
