A Special Gift for Steve: A First Anal Sex Erotic Short by Hope Parsons We had the perfect relationship, great sex without the commitment and all the hassles that go along with a traditional relationship. Steve would rock my world once a week like clockwork and then we would hang out and have fun--pretty straightforward. Well after four years of this perfect situation, I decided to reward Steve for being the wonderful friend that he has been. What do you give a guy like that for his birthday? How about letting him be my first anal sex experience? 2. In the Shower with Alex in My Ass (My Very Rough Backdoor Experience) A Rough First Anal Sex Erotica Story by Veronica Halstead I'd been trying to get Alex to notice me all day at the pool but I had no luck at all. At least...I thought I had no luck. I was just taking my shower like normal when I suddenly felt his hands on me. What a shower! It was so rough I thought I'd pass out and I had my very first anal sex. It hurt like hell. In fact, everything kind of hurt like hell. Until it didn't. And when it didn't it was the most incredible sex I'd ever had in my life! 3. Long, Hard, Thick, and In My Ass: A First Anal Sex Erotica Story by Debbie Brownstone Miss France is irritated when the tall man arrives trying to sell her a newspaper subscription. After all, she has a sign plain as day that says she doesn't want solicitors. She's surprised when the salesperson tells her she wants the paper and even more! In fact, before she knows it, she's on her knees staring at the biggest guy she's ever seen. Not only is she going to sleep with a stranger; not only is she going to give it right up for a man she doesn't know; but she's also going to give up her backdoor for her very first anal sex experience! 4. My Sister's Husband: A First Anal Sex Erotic Romance by Sarah Blitz The news about my sister's illness was devastating, and I only had one week with her before she passed. It was tender and sad, but she surprised me by asking a favor. The kids were secure, her husband was secure, but she'd planned an anniversary present and she wanted me, her twin sister, to give it to him in her place. It would mean my first anal sex, but how could I say "no" to my sister's dying wish? 5. Time to Pay the Rent: An Erotica Story with Rough First Anal Sex by Ericka Cole Heather has a problem. A few mishaps put her way behind on the rent, and the landlord is pressing the issue. She needs some time to get things in order and she determines that even without cash, she can offer something to Tony that will give her some breathing room. She never thought her little seduction would have Tony knocking on her never-before-opened backdoor! It's rough first anal sex, and it's scorching hot and intense.

Base-Ball John Montgomery Ward 2014-01-07 John Montgomery Ward (1860-1925) tossed the second perfect game in major league history and later became the game's best shortstop and a great, inventive manager. He led the players into their own league in 1890 and came within a hair's breadth of changing the structure of baseball forever. Two years before that, however, in 1888, he published the book *Base-Ball: How to Become a Player*. The book is one of the game's early classics, and should be in every serious baseball library. "The author ventures to present this book to the public. because he believes there are many points in the game of base-ball which can be told only by a player," wrote Ward in his preface to the book. "He has given some space to a consideration of the origin and early history of the game. because they are subjects deserving of more attention than is generally accorded them. His principal aim, however, has been to produce a hand-book of the game, a picture of the plays seen by a player." Illustrated with woodcuts, the book is divided into chapters for each position on the field as well as chapters on the origin of the game, theory and strategy, training, base-running, and batting. SABR previously published this book under the title *Ward's Baseball Book* in 1993. This is the first SABR ebook edition.

Run, Rabbit, Run Walter Maranville 1991 Rabbit Maranville was the Joe Garagiola of Grandpa's day. or maybe he was the Jay Johnstone. In a twenty-four-year career from 1912 through 1936, Rabbit found a lot of funny situations to laugh at. No wonder. He caused most of them himself. Few fans alive today have had the privilege of sitting down for a few beers with the Rabbit and listening to him spin his tales. But fortunately for us, a year before his death in 1954, Rabbit reached back forty years into his memory and put his sotires down on paper after the urging of his daughter and Max Kase, former sports editor of the New York Journal-American, who had employed Maranville in a public relations position. Unfortunately, Maranville did not finish his autobiography before he died. For decades the tales rested, virtually unread, until the Graber brothers, Dallas and Ralph, discovered the manuscript inconspicuously offered for sale by a memorabilia dealer and bought it rescuing it for all future fans to enjoy. The stories give us much autobiographical material about Rabbit. But they are not an autobiography, any more than *Baseball Is a Funny Game* is the autobiography of Garagiola. They tell us much history. And yet they do not comprise a history, any more than *Veeck as in Wreck* is a history of the Cleveland Indians. Rabbit's memory played tricks on him, not surprising to anyone who has interviewed old men reaching back into the past. Where errors were found, I have attempted to correct them. Where Rabbit's somewhat Lardneresque prose has breached some rules preached in sixth-grade English classes, I did my best to make him readable without making him slick. In short, I tried to let Rabbit be Rabbit. To fill in the details in Rabbit's life not covered in his stories, Bob Carroll has delved into the records and penned a more scholarly account of dates, places, and names in Bob's own irreverent, even Maranvillian, style.

Bent Over by the Janitor: A First Anal Sex Erotica Story by Amy Dupont I couldn't believe the situation. I'd become stuck in the plastic crawl tube in the little play park we kept at the office for our clients' kids. It was late at night, and I was going to have to wait until help arrived. When someone finally did try to pull me out, things got even crazier. The husband and wife janitorial team could do anything they wanted to me, and I was stuck! With her attention on me, though, I was happy to be stuck. As for the janitor...he was absolutely delighted to give me my first anal sex experience. 2. Cam Girl Chloe: A Very Rough First Anal Sex Short by Toni Smoke Chloe enjoys working as the internet web sensation Mia Rose, the GIRL-NEXT-DOOR-TURNED-CAM-SLUT. She enjoys the anonymity and the way she feels so sexy getting men off on camera. One session with a mysterious man leaves her breathless, though; and she's even more overcome when he figures out where she lives and shows up at her door! Before the night is over, she'll have a night of very rough sex, and her very first anal sex experience! 3. Marco Takes My Backdoor: A First Anal Sex Erotica Story by Angela Ward I'd been friends with Marco for a long time, friends with benefits. When he dropped by, I was a bit busy, but he was persistent and it didn't take long for me to give in. I never expected he'd be pushing my limits and that I'd finally give him what he'd wanted for so long, my tight little ass! 4. The Boss Gives Up Her Backdoor: Bound and Bent Over by My Employee by Jane Kemp Eric was...well, Eric was wonderful. There had been plenty of nights he'd filled my mind as I used my hands to bring myself to a thunderous climax. He was hot as hell, smart as a whip, and a hard worker to boot. The only problem was he was my employee. Fortunately, that didn't stop us, and one late night at the office we found ourselves unable to hold back. I didn't expect things to go the way they did, though, and before long my wrists were bound behind my back and I was having my very first anal sex experience! 5. Tight Jeans and a Tighter Hole: A Very Rough First Anal Sex Erotica Story by Constance Slight I dressed like an absolute slut. It made it a whole hell of a lot easier to sell the magazine subscriptions door to door. Hell, the guys were putty in my hands, and I knew I'd win the sales contest and get the vacation. It was also kind of fun to be a bit of a tease, so all in all it was a win-win situation. The guys got a cheap thrill and I got their credit card numbers and a lot of sales. This time was different, though. I was just going through my normal sex spiel when the guy started groping me! I don't know why I didn't stop him when he grabbed my ass. I don't know why I didn't stop him when he grabbed my tits. I don't know why I didn't stop him when he shoved his cock into my throat, and I sure as hell don't know why I didn't stop him when he slammed into my never-before touched ass!

Index to SABR Publications Society for American Baseball Research 1987 From the Introduction: Since the original SABR index was put together in the fall of 1981 much has happened to the organization and the sport it chronicles. New faces and stars — Mattingly, Gooden, Raines, and

Sandberg — have replaced Yaz and Bench and Pops and Palmer. The Hall of Fame has admitted Arky and Catfish and Enos and Juan Marichal. The Cardinals and Orioles and Mets have won; the Astros and Cubs and Brewers have tried; and the Red Sox have come closest of all. Pete Rose has surpassed Ty Cobb, the Niekros have overtaken the Perrys, and Mike Schmidt continues to hit home runs at an amazingly consistent clip. Obscure or overshadowed ballplayers have their moment in the sun — Robin Yount, Dave Henderson, Len Barker, Joe Charboneau — while longstanding performers establish marks that will propel them to Cooperstown. In short, baseball continues to add to its legacy. While the sport renews itself continually, SABR, through it thousands of researchers, writers, and statisticians, brings back the past. It unearths new and interesting facts about the game's greatest, attempts to compare apples and oranges, argues about the merits of the chosen, and agonizes over the bases-loaded strikeout. The past few years have witnessed a great appreciation for baseball history and sabermetrics thanks to Bill James' Abstracts, the Elias Analyst, and other new publications that address an audience SABR has helped to cultivate. It is hoped that this index will enable many of the new SABR members to discover subjects to whet their own imagination for research and that the study of baseball will flourish along with the game itself.
