Queer Conception - Kristin Liam Kali 2022-05-24

Making a baby through love and science? Get the guidance you need to navigate the conception process with confidence and ease. "[A] a well-researched, deeply comprehensive (and readable!) guide to building a queer family in a way that works for you." —Emily Oster, author of *Expecting Better* The only evidence-based, up-to-date fertility guide for queer people from an experienced health care provider, this is also the first to be transgender inclusive and body-positive. Here, queer prospective parents will find sound advice for navigating complex medical, social and financial decisions. Trusted fertility midwife Kristin Kali walks you through the baby-making process: creating a timeline; fertile health for every body; preconception tests; identifying ovulation; donors, gamete banks, and surrogacy; methods of insemination including IUI, IVF and reciprocal IVF; navigating early pregnancy; and preparing for infant feeding, including lactation induction for trans women and nongestational parents. This book is for all LGBTQ+ readers interested in creating family through pregnancy: anyone who identifies as queer, lesbians, gay men, bisexual people, trans and nonbinary people, couples, single parents by choice, poly families, and coparents. It's an antidote to a culture and medical system that all too often centers heterosexual couples experiencing infertility while overlooking our unique needs. It also contains sidebars with guidance for reproductive healthcare professionals. "This life-changing book is equal parts practical handbook and sensitively written resource. Highly recommended!" —Toni Weschler, MPH, author of *Taking Charge of Your Fertility*

A Woman's Body - Niels H. Lauersen 1987

This comprehensive reference book remains the best source of information for any woman concerned with the well-being of her body. Over 100 photographs and line drawings.

Current Catalog - National Library of Medicine (U.S.)

First multi-year cumulation covers six years: 1965-70.

Encyclopedia of Health Information Sources - Paul Wasserman 1987

"Approximately 13,000 citations for publications, organizations, and other sources of information on more than 450 health-related subjects." Arranged under both general and specific subjects. Each subject entry lists bibliographical information for abstract services and indexes; annuals, reviews, and yearbooks; associations and professional societies; handbooks and manuals; online databases; periodicals; popular works

and patients education; research centers, institutes, and clearinghouses; and textbooks and general works. Many cross references.

Maternal Ethics and Other Slave Moralities - Cynthia Willett 2013-12-19

In *Maternal Ethics and Other Slave Moralities* which includes the first extended philosophical discussion of the works of Frederick Douglass, Cynthia Willett puts forward a novel theory of ethical subjectivity that is aimed to counter prevailing pathologies of sexist, racist Eurocentric culture. Weaving together accounts of the self drawn from African-American and European philosophies, psychoanalysis, slave narratives and sociology, Willett interrogates what Hegel locates as the core of the self: the desire for

The Publishers Weekly - 1991

Library Journal - 2002

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Encyclopedia of Health Information Sources - 1987

The Parent's Desk Reference - Irene M. Franck 1991

An encyclopedia about parenting with over 2,000 entries covering all aspects of child rearing from A to Z.

Health Information Resources - 1985

Illinois Libraries - 1985

Publications list included in certain issues.

The Reader's Adviser - 1994

National Library of Medicine Current Catalog - National Library of Medicine (U.S.)
