

Claras Song Curse Of The Conjure Woman Book 6

Memoirs of an American Prima Donna - Klara Louise Kellogg 1978

How High We Go in the Dark - Sequoia Nagamatsu 2022-01-18

For fans of Cloud Atlas and Station Eleven, Sequoia Nagamatsu's debut is a wildly imaginative, genre-bending work spanning generations across the globe as humanity struggles to rebuild itself in the aftermath of a climate plague. 'Haunting and luminous ... An astonishing debut' - Alan Moore, creator of Watchmen and V for Vendetta 'A powerfully moving and thought provoking read. At times sublime, strange and deeply human' Adrian Tchaikovsky, bestselling author of the Children of Time series Dr. Cliff Miyashiro arrives in the Arctic Circle to continue his recently deceased daughter's research, only to discover a virus, newly unearthed from melting permafrost. The plague unleashed reshapes life on earth for generations. Yet even while struggling to counter this destructive force, humanity stubbornly persists in myriad moving and ever inventive ways. Among those adjusting to this new normal are an aspiring comedian, employed by a theme park designed for terminally ill children, who falls in love with a mother trying desperately to keep her son alive; a scientist who, having failed to save his own son from the plague, gets a second chance at fatherhood when one of his test subjects—a pig—develops human speech; a man who, after recovering from his own coma, plans a block party for his neighbours who have also woken up to find that they alone have survived their families; and a widowed painter and her teenaged granddaughter who must set off on cosmic quest to locate a new home planet. From funerary skyscrapers to hotels for the dead, How High We Go in the Dark follows a cast of intricately linked characters spanning hundreds of years as humanity endeavours to restore the delicate balance of the world. This is a story of unshakable hope that crosses literary lines to give us a world rebuilding itself through an endless capacity for love, resilience and reinvention. Wonderful and disquieting, dreamlike and all too possible. [How High We Go in the Dark] reaches far beyond our stars while its heart remains rooted to Earth, and reminds us that our wellbeing depends on the wellbeing of our world - Samantha Shannon, author of The Priory of the Orange Tree

[A Dictionary of English Folklore](#) - Jacqueline Simpson 2003-10-09

This dictionary is part of the Oxford Reference Collection: using sustainable print-on-demand technology to make the acclaimed backlist of the Oxford Reference programme perennially available in hardback format. An engrossing guide to English folklore and traditions, with over 1,250 entries. Folklore is connected to virtually every aspect of life, part of the country, age group, and occupation. From the bizarre to the seemingly mundane, it is as much a feature of the modern technological age as of the ancient world. BL Oral and Performance genres-Cheese rolling, Morris dancing, Well-dressingEL BL Superstitions-Charms, Rainbows, WishbonesEL BL Characters-Cinderella, Father Christmas, Robin Hood, Dick WhittingtonEL BL Supernatural Beliefs-Devil's hoofprints, Fairy rings, Frog showersEL BL Calendar Customs-April Fool's Day, Helston Furry Day, Valentine's DayEL

The Other Side of Lost - Jessi Kirby 2018-08-07

Girl Online meets Wild in this emotionally charged story of girl who takes to the wilderness to rediscover herself and escape the superficial persona she created on social media. Mari Turner's life is perfect. That is, at least, to her thousands of followers who have helped her become an internet starlet. But when she breaks down and posts a video confessing she's been living a lie—that she isn't the happy, in love, inspirational online personality she's been trying so hard to portray—it goes viral and she receives a major backlash. To get away from it all, she makes an impulsive decision: to hike the entire John Muir Trail. Mari and her late cousin Bri were supposed to do it together, to celebrate their shared eighteenth birthday. But that was before Mari got so wrapped up in her online world that she shut anyone out who questioned its

worth—like Bri. With Bri's boots and trail diary, a heart full of regret, and a group of strangers that she meets along the way, Mari tries to navigate the difficult terrain of the hike. But the true challenge lies within, as she searches for the way back from to the girl she fears may be too lost to find: herself.

The Lies They Tell - Gillian French 2018-05-01

With shades of E. Lockhart's We Were Liars and Courtney Summers's Sadie, this dark and twisted mystery set in a divided Maine seaside town simmers with unresolved tensions and unpredictable truths. Everyone in Tenney's Harbor knows about the Garrison tragedy. How an unexplained fire ravaged their house, killing four of the five family members. But what people don't know is who did it. All fingers point at Pearl Haskins' father, who was the caretaker of the property, but Pearl just doesn't believe it. Leave it to a town of rich people to blame "the help." With her disgraced father now trying to find work in between booze benders, Pearl's future doesn't hold much more than waiting tables at the local country club, where the wealthy come to flaunt their money and spread their gossip. This year, Tristan, the last surviving Garrison, and his group of affluent and arrogant friends have made a point of sitting in Pearl's section. Though she's repulsed by most of them, Tristan's quiet sadness and somber demeanor have her rethinking her judgments. Befriending the boys could mean getting closer to the truth, clearing her father's name, and giving Tristan the closure he seems to be searching for. But it could also trap Pearl in a sinister web of secrets, lies, and betrayals that would leave no life unchanged...if it doesn't take hers first.

Honey, Baby, Sweetheart - Deb Caletti 2011-08-23

It is summer in the Northwest town of Nine Mile Falls, and sixteen-year-old Ruby McQueen, ordinarily dubbed The Quiet Girl, finds herself hanging out with gorgeous, rich, thrill-seeking Travis Becker. But Ruby is in over her head, and finds she is risking more and more when she's with him. In an effort to keep Ruby occupied and mend her own broken heart, Ruby's mother Ann drags Ruby to the weekly book club she runs for seniors. At first Ruby can't imagine a more boring way to spend an afternoon, but she is soon charmed by the feisty group. When it is discovered that one of the group's own members is the subject of the tragic love story they are reading, Ann and Ruby ditch their respective obsessions to spearhead a reunion between the long-ago lovers. This lyrical, multi-generational story of love, loss, and redemption speaks to everyone who has ever been in love—and lived to tell the tale.

A Source Book for Mediaeval History : Selected Documents illustrating the History of Europe in the Middle Age - Oliver J. Thatcher 1968

A Source Book for Mediaeval History : Selected Documents illustrating the History of Europe in the Middle Age It will be observed that we have made use chiefly of documents, quoting from chronicles only when it seemed absolutely necessary. An exception to this general principle is found in section I, where a larger use of chronicles was rendered necessary by the lack of documentary sources for much of the period covered; but it is perhaps unnecessary to apologize for presenting selections from the important histories of Tacitus, Gregory, Einhard, and Widukind. In the matter of form (translation, omissions, arrangements, notes, etc.), we were guided by considerations of the purpose of the book. The style of most of the documents in the original is involved, obscure, bombastic, and repetitious. A faithful rendition into English would often be quite unintelligible. We have endeavored to make a clear and readable translation, but always to give the correct meaning. If we have failed in the latter it is not for want of constant effort. We have not hesitated to omit phrases and clauses, often of a parenthetical nature, the presence of which in the translation would only render the passage obscure and obstruct the thought. As a rule we have given the full text of the body of the document, but we have generally omitted the first and last paragraphs, the former containing usually titles and pious generalities, and the latter being composed of lists of witnesses, etc. We have given a sufficient number of the documents in full to illustrate these features of mediæval diplomatics. All but the most trivial omissions in the text (which are matters rather of form of translation) are indicated thus: ...

Insertions in the text to explain the meaning of phrases are inclosed in brackets []. Quotations from the Bible are regularly given in the words of the Authorized Version, but where the Latin (taken from the Vulgate) differs in any essential manner, we have sometimes translated the passage literally. Within each section the documents are arranged in chronological order, except in a few cases where the topical arrangement seemed necessary. We believe that the explanatory notes in the form of introductions and foot-notes will be found of service; they are by no means exhaustive, but are intended to explain the setting and importance of the document and the difficult or obscure passages it may contain. The reference to the work or the collection in which the original is found is given after the title of practically every document; the meaning of the references will be plain from the accompanying bibliography. The original of nearly all the documents is in Latin; some few are in Greek, Old French, or German, and in such cases the language of the original is indicated. It is impossible, of course, to give explicit directions as to the use of the book, other than the very obvious methods of requiring the student to read and analyze the documents assigned in connection with the lesson in the text-book, and of making clear to him the relation of the document to the event. It may be possible also for the teacher to give the student some notion of the meaning of "historical method"; e.g., the necessity of making allowance for the ignorance or the bias of the author in chronicles, or the way in which a knowledge of institutions is deduced from incidental references in documents. Suggestions of both sorts will be found in the introduction and notes. The teacher should insist on the use of such helps as are found in the book: notes, cross-references, glossary, etc. Groups of documents can be used to advantage in topical work: assigned topics worked up from authorities can be illustrated by documents selected from the book; e.g., imperial elections, papal elections, the Normans in Sicily, history of the Austrian dominions, Germans and Slavs on the eastern frontier, relations of the emperors and the popes before the investiture strife, etc.

Mules and Men - Perfection Learning Corporation 2019

Woman, Church and State - Matilda Joslyn Gage 1893

The matriarchate -- Celibacy -- Canon law -- Marquette -- Witchcraft -- Wives -- Polygamy -- Woman and work -- The church of to-day -- Past, present, future.

The Football Girl - Thatcher Heldring 2017-04-04

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint."—The Horn Book

The Last Field Party - Abbi Glines 2023-11-07

Five years after the Lawton High football team last took the field, everyone gathers for a special event back home in Alabama, where each couple must come face-to-face with their past in order to move forward to a future worth celebrating.

The Never Hero - T. Ellery Hodges 2014-09-12

What if when you died, no one would ever know you were all that stood between man and the enemy?When

Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.

Songs in the Key of Z - Irwin Chusid 2000

Irwin Chusid profiles a number of "outsider" musicians - those who started as "outside" and eventually came "in" when the listening public caught up with their radical ideas. Included are The Shaggs, Tiny Tim, Syd Barrett, Joe Meek, Captain Beefheart, The Cherry Sisters, Daniel Johnston, Harry Partch, Wesley Willis, and others.

Scarlett Undercover - Jennifer Latham 2015-05-19

Meet Scarlett, a smart, sarcastic fifteen-year-old, ready to take on crime in her hometown. When Scarlett agrees to investigate a local boy's suicide, she figures she's in for an easy case and a quick buck. But it doesn't take long for suicide to start looking a lot like murder. As Scarlett finds herself deep in a world of cults, curses, and the seemingly supernatural, she discovers that her own family secrets may have more to do with the situation than she thinks...and that cracking the case could lead to solving her father's murder. Jennifer Latham delivers a compelling story and a character to remember in this one-of-a-kind debut novel.

The Marrow of Tradition - Charles W. Chesnutt 2015-07-30

Post Civil War Facts Are Entwined With Fiction "Looking at these two men with the American eye, the differences would perhaps be the more striking, or at least the more immediately apparent, for the first was white and the second black, or, more correctly speaking, brown...but both his swarthy complexion and his curly hair revealed what has been described in the laws of some of our states as a "visible admixture" of African blood." - Charles W. Chesnutt, *The Marrow of Tradition* In *The Marrow of Tradition*, Charles W. Chesnutt takes a page from the post-Civil War American history book and tries to bring it back to life so that the reader can truly understand the roots of race segregation. Set in the fictional southern town of Wellington, the action is based upon the real 1898 Wilmington insurrection that shook the American society to the ground. The novel takes the reader to uncharted territories where the emerging white aristocracy is trying to get rid of the 'blacks'. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

The Girl Who Wrote in Silk - Kelli Estes 2015-07-07

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson,

The Girl Who Wrote in Silk is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for The Girl Who Wrote in Silk: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of The Beekeeper's Ball "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of All the Flowers in Shanghai "Vibrant and tragic, The Girl Who Wrote in Silk explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of How to Be an American Housewife and Sisters of Heart and Snow

The Catastrophic History of You and Me - Jess Rothenberg 2012-02-02

If I'd known right then that this was the kid who would grow up to break my heart beyond repair, maybe I would've stayed upstairs on the phone with Tess. Maybe I would've gone to bed early. Maybe I would've begged my parents to take me with them - even though those doctor dinners are pretty much the boringest things ever. But I didn't know. Couldn't know. So instead I shrugged and said something really genius like "Um, whatever." And proceeded to fall totally, madly, crazy in love.

A Taxonomy of Love - Rachael Allen 2018-01-09

A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of "friend" gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart,

and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.

Love, Lucas - Chantele Sedgwick 2015-05-05

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
