Chase Me Aidy Award 2018-02 She's stolen a priceless relic from his treasure, and his heart. Ciara is the best damn wedding planner this side of anywhere, but she's no thief. That's exactly what the sexy-ass dragon shifter has accused her of - stealing his treasure. She's going to steal something of his alright, his sanity, if he doesn't let her go so she can get back to giving couples their happy ever afters. It's the best way to ignore the fact she's sure she'll never get one her own. Not with any man, or even a dragon. Jakob is either going to kill the sexy, curvy woman who denies she has The First Dragon's relic, or take her to bed and drive her as crazy as she's making him. Why does he want her so much he can't even properly interrogate her? Might have something to do with the way his soul is screaming at him to mark her, claim her, f*ck her, and make dragon babies with her. He can't give her his soul if she's already stolen it, or something darker and more dangerous has.

Finding their Omega Mina Carter 2021-11-09 No woman wants the attention of an alpha. Huge, brutal, dominant... They take what they want, no matter who, or what, it is. And now I have two focused on making me theirs. "...just one dose of Representine could change your life forever! Become the alpha you've always wanted to be. Enjoy life to the full at the top of the food chain and have men and women falling at your feet!" Representine. That drug changed my life. The instant my ex became an alpha, I was gone, thrown out on the street with nothing but the clothes on my back... and a small amount of savings I'd hidden away. But living costs money and with those funds dwindling quickly, I need a job and fast... I'll take anything. I really am that desperate. I just didn't expect it to be for Mason and Dante. The two young and handsome alphas have haunted my dreams for years. Now I'm at their beck and call... Please be aware: This is a much darker and grittier world
