[The Fighting Spirit of Japan](#) - E. J. Harrison 2022-08-16

DigiCat Publishing presents to you this special edition of "The Fighting Spirit of Japan" by E. J. Harrison. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

[Strange Truths in Undiscovered Lands](#) - Nahoko Miyamoto Alvey 2009-01-01

Strange Truths in Undiscovered Lands examines the ways in which Shelley developed a 'Romantic geography' to provide visionary alternatives to an earth devastated by a new type of European colonialism and global expansion.

I Love Myself: Over 1,700 Words of Wisdom to Inspire You to Achieve Greatness in Your Life - The Success Makers 2017-07-11

Why the title, "I Love Myself"? This book is authored because we notice that most of us are too caught up with the demands of life, so much so that we neglect to show ourselves the care and concern we need before something untoward happens - and it's too late for us to do anything. Give your mind, body, and spirit the tender loving care it needs with these 1,700 words of wisdom - all of which will inspire you to bring out the very best in yourself. While we cannot promise you'll see your life change overnight, we can promise that, as long as you spend some time with this book each and every single day, and take the actions necessary to apply what you've learned, you'll notice positive improvements happening to your life slowly and gradually. Bonus: To reward you for taking the action to pick up this book, we've included a special gift for you worth \$14.95 - details on how you can redeem your free gift can be found on page #428 of this book...

Being Elizabeth - Barbara Taylor Bradford 2009-03

Elizabeth Deravenel finds herself at the crossroads of love and duty as she runs one of the most powerful business dynasties in history.

[Japan in the Muromachi Age](#) - John Whitney Hall 2022-07-15

This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1977.

The Single Woman - Mandy Hale 2013-08-13

Smart, strong, independent—single women can live a fabulous life. Husband not required. Mandy Hale, also known by her many blog readers and Twitter fans as The Single Woman™, shares her stories, advice, and enthusiasm for living life as an empowered, confident, God-centered woman who doesn't just resign herself to being single—she enjoys it! Being single has had its stigmas, but Mandy proves it has its advantages too, and she uses wisdom and wit to inspire her fellow single ladies to celebrate and live fully in the life God has given them. Mandy encourages her readers on subjects such as taking chances, building friendships, letting go, and finding a greater purpose. With her help, readers can stop worrying about happily ever after and discover a happy life instead.

[Nothing Sexier Than Freedom](#) - Helen Edwards 2018-01-08

They tried to suppress me. They tried to lock me into their standard ideas. While everyone was tuned into society's culture, current events, politics, and social media, I was living the life many of us secretly desire. I broke free while no one was looking! I traveled to many countries, danced fearlessly on mountain tops, sang with people from across the oceans, had multiple orgasms and hot passionate sex even movie stars dream about - I did it all, because I stopped talking about it and became it - Free. They were right about one thing ... life is abundant and you can manifest anything. This is my story of life, love, pain, and pursuit. Come take this journey with me and set yourself free. I am Helen and to me, there is Nothing Sexier Than Freedom! DEFY THE ODDS THAT ARE STACKED AGAINST YOU.

Lonely Planet Japan - Lonely Planet 2017-08-01

Lonely Planet Japan is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you.

Explore a bamboo grove in Arashiyama, marvel at Shinto and Buddhist architecture in Kyoto, or relax in the hot springs of Noboribetsu Onsen; all with your trusted travel companion.

[I Don't Care About Your Band](#) - Julie Klausner 2010-02-02

Read Julie Klausner's posts on the Penguin Blog In the tradition of Cynthia Heimel and Chelsea Handler, and with the boisterous iconoclasm of Amy Sedaris, Julie Klausner's candid and funny debut *I Don't Care About Your Band* sheds light on the humiliations we endure to find love--and the lessons that can be culled from the wreckage. *I Don't Care About Your Band* posits that lately the worst guys to date are the ones who seem sensitive. It's the jerks in nice guy clothing, not the players in Ed Hardy, who break the hearts of modern girls who grew up in the shadow of feminism, thinking they could have everything, but end up compromising constantly. The cowards, the kidults, the critics, and the contenders: these are the stars of Klausner's memoir about how hard it is to find a man--good or otherwise--when you're a cynical grown-up exiled in the dregs of Guyville. Off the popularity of her New York Times "Modern Love" piece about getting the brush-off from an indie rock musician, *I Don't Care About Your Band* is marbled with the wry strains of Julie Klausner's precocious curmudgeonry and brimming with truths that anyone who's ever been on a date will relate to. Klausner is an expert at landing herself waist-deep in crazy, time and time again, in part because her experience as a comedy writer (Best Week Ever, TV Funhouse on SNL) and sketch comedian from NYC's Upright Citizens Brigade fuels her philosophy of how any scene should unfold, which is, "What? That sounds crazy? Okay, I'll do it." *I Don't Care About Your Band* charts a distinctly human journey of a strong-willed but vulnerable protagonist who loves men like it's her job, but who's done with guys who know more about love songs than love. Klausner's is a new outlook on dating in a time of pop culture obsession, and she spent her 20's doing personal field research to back up her philosophies. This is the girl's version of High Fidelity. By turns explicit, funny and moving, Klausner's debut shows the evolution of a young woman who endured myriad encounters with the wrong guys, to emerge with real-world wisdom on matters of the heart. *I Don't Care About Your Band* is Julie Klausner's manifesto, and every one of us can relate.

[Reconnect](#) - Gilbert Ahrens 2010

Philosophers of Nothingness - James W. Heisig 2001-05-01

The past twenty years have seen the publication of numerous translations and commentaries on the principal philosophers of the Kyoto School, but so far no general overview and evaluation of their thought has been available, either in Japanese or in Western languages. James Heisig, a longstanding participant in these efforts, has filled that gap with *Philosophers of Nothingness*. In this extensive study, the ideas of Nishida Kitaro, Tanabe Hajime, and Nishitani Keiji are presented both as a consistent school of thought in its own right and as a challenge to the Western philosophical tradition to open itself to the original contribution of Japan.

[Conscious Parenting](#) - Nataša Pantović 2017-02-14

Conscious Parenting Course by Nataša Pantović (MSc Economics) and Ivana Milosavljević (MA Special Needs) is the AoL Mindfulness Bok #5 designed for parents. We use 100s of Transformation Tools and Parenting Exercises that will help you get in touch with your Soul, with Love, and with Patience when dealing with kids. Explore the magic work with: Soul's Diary, Spiritual Parenting Diary, Developing Parenting Virtues, Mindfulness Meditations, Rhythm, Day-to-day Routine, Happy Family Structure, Cultivating Relationships, etc. Within 12 Modules we examine 12 areas of Life and Implement various Transformation Tools to help you Live your Highest Potential as a Parent. You will explore some very inspiring Conscious Parenting Exercises exploring mind powers, subconscious and conscious thoughts, emotions, relationships. We look into parenting goals, dreams, and personal development plan. All through the exercises, we hope to inspire: - Your relationship with yourself as a parent and the world, - Your capability to Love, Be Organised, and Respect Rhythm and Structure - Your capacity to stay a Creative Parent that is Full of Energy.

Myth and Masculinity in the Japanese Cinema - Isolde Standish 2013-11-05

This study argues that in Japanese popular cinema the 'tragic hero' narrative is an archetypal plot-structure upon which male genres, such as the war-retro and yakuza films are based. Two central questions in relation to these post-war Japanese film genres and historical consciousness are addressed: What is the relationship between history, myth and memory? And how are individual subjectivities defined in relation to the past? The book examines the role of the 'tragic hero' narrative as a figurative structure through which the Japanese people could interpret the events of World War II and defeat, offering spectators an avenue of exculpation from a foreign-imposed sense of guilt. Also considered is the fantasy world of the nagare-mono (drifter) or yakuza film. It is suggested that one of the reasons for the great popularity of these films in the 1960s and 1970s lay in their ability to offer men meanings that could help them understand the contradictions between the reality of their everyday experiences and the ideological construction of masculinity.

Transnational Japan in the Global Environmental Movement - Simon Avenell 2017-04-01

What motivates people to become involved in issues and struggles beyond their own borders? How are activists changed and movements transformed when they reach out to others a world away? This adept study addresses these questions by tying together local, national, regional, and global historical narratives surrounding the contemporary Japanese environmental movement. Spanning the era of Japanese industrial pollution in the 1960s and the more recent rise of movements addressing global environmental problems, it shows how Japanese activists influenced approaches to environmentalism and industrial pollution in the Asia-Pacific region, North America, and Europe, as well as landmark United Nations conferences in 1972 and 1992. Japan's experiences with diseases caused by industrial pollution produced a potent "environmental injustice paradigm" that fueled domestic protest and became the motivation for Japanese groups' activism abroad. From the late 1960s onward Japanese activists organized transnational movements addressing mercury contamination in Europe and North America, industrial pollution throughout East Asia, radioactive waste disposal in the Pacific, and global climate change. In all cases, they advocated strongly for the rights of pollution victims and people living in marginalized communities and nations—a position that often put them at odds with those advocating for the global environment over local or national rights. Transnational involvement profoundly challenged Japanese groups' understanding of and approach to activism. Numerous case studies demonstrate how border-crossing efforts undermined deeply engrained notions of victimhood in the domestic movement and nurtured a more self-reflexive and multidimensional approach to environmental problems and social activism. *Transnational Japan in the Global Environmental Movement* will appeal to scholars and students interested in the development of civil society, social movements, and environmentalism in contemporary Japan; grassroots inter-Asian connections in the postwar period; and the ways Asian countries and their citizens have shaped and been influenced by global issues like environmentalism. Embrace Your Sexual Self - Miya Yamanouchi 2015-04-10

This is a resource for women seeking practical techniques to discover, explore, express and embrace their sexual self. This book teaches you specific skills to improve your relationship with yourself (the key to better sex and relationships with others) by assisting you to connect with your core sexual self through intensive reflective questions and strategies. This book will allow you to access and celebrate your unique and beautiful sexuality.

Suicidal Honor - Doris G. Barga 2006-09-30

On September 13, 1912, the day of Emperor Meiji's funeral, General Nogi Maresuke committed ritual suicide by seppuku (disembowelment). It was an act of delayed atonement that paid a debt of honor incurred thirty-five years earlier. The revered military hero's wife joined in his act of junshi ("following one's lord into death"). The violence of their double suicide shocked the nation. What had impelled the general and his wife, on the threshold of a new era, to resort so drastically, so dramatically, to

this forbidden, anachronistic practice? The nation was divided. There were those who saw the suicides as a heroic affirmation of the samurai code; others found them a cause for embarrassment, a sign that Japan had not yet crossed the cultural line separating tradition from modernity. While acknowledging the nation's sharply divided reaction to the Nogis' junshi as a useful indicator of the event's seismic impact on Japanese culture, Doris G. Barga in the first half of her book demonstrates that the deeper significance of Nogi's action must be sought in his personal history, enmeshed as it was in the tumultuous politics of the Meiji period. *Suicidal Honor* traces Nogi's military career (and personal travail) through the armed struggles of the collapsing shōgunate and through the two wars of imperial conquest during which Nogi played a significant role: the Sino-Japanese War (1894-1895) and the Russo-Japanese War (1904-1905). It also probes beneath the political to explore the religious origins of ritual self-sacrifice in cultures as different as ancient Rome and today's Nigeria. Seen in this context, Nogi's death was homage to the divine emperor. But what was the significance of Nogi's waiting thirty-five years before he offered himself as a human sacrifice to a dead rather than living deity? To answer this question, Barga delves deeply and with great insight into the story of Nogi's conflicted career as a military hero who longed to be a peaceful man of letters. In the second half of *Suicidal Honor* Barga turns to the extraordinary influence of the Nogis' deaths on two of Japan's greatest writers, Mori Ōgai and Natsume Sōseki. Ōgai's historical fiction, written in the immediate aftermath of his friend's junshi, is a profound meditation on the significance of ritual suicide in a time of historical transition. Stories such as "The Sakai Incident" ("Sakai jiken") appear in a new light and with greatly enhanced resonance in Barga's interpretation. In Sōseki's masterpiece, *Kokoro*, Sensei, the protagonist, refers to the emperor's death and his general's junshi before taking his own life. Scholars routinely mention these references, but Barga demonstrates convincingly the uncanny ways in which Sōseki's agonized response to Nogi's suicide structures the entire novel. By exploring the historical and literary legacies of Nogi, Ōgai, and Sōseki from an interdisciplinary perspective, *Suicidal Honor* illuminates Japan's prolonged and painful transition from the idealized heroic world of samurai culture to the mundane anxieties of modernity. It is a study that will fascinate specialists in the fields of Japanese literature, history, and religion, and anyone seeking a deeper understanding of Japan's warrior culture.

Investigating Social Problems - A. Javier Trevino 2017-12-21

The author is a proud sponsor of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. "Given the complexity of the issues, the study of social problems requires, indeed demands, specialized focus by experts." -A. Javier Treviño A. Javier Treviño, working with a panel of experts, thoroughly examines all aspects of social problems, providing a contemporary and authoritative introduction to the field. Each chapter is written by a specialist on that particular topic and the unique, contributed format ensures that the research and examples provided are the most current and relevant available. The text is framed around three major themes: intersectionality (the interplay of race, ethnicity, class, and gender), the global scope of many problems, and how researchers take an evidence-based approach to studying problems.
