The Ultimate Guide for Gay Dads - Eric Rosswood 2017-10-24

If you are thinking of becoming a gay dad – or if you are already a gay dad – this book is for you! Are you ready to have kids? More and more gay men are turning to adoption and surrogacy to start their own families. An estimated two million American LGBTQ people would like to adopt and an estimated 65,000 adopted children are living with a gay parent. In 2016, The Chicago Tribune reported that 10 to 20 percent of donor eggs went to gay men expanding their families via surrogacy, and in many places the numbers were up 50 percent from the previous five years. Gay parenting: Having a kid is like coming out all over again, on a daily basis, especial if you have an infant. Was coming out stressful for you? It's about to get more intense and you will have a child watching your every move and listening to your every word. If you stutter or pause, they may pick up on your discomfort and could start to feel like something is wrong about their family unit. The Ultimate Guide For Gay Dads is jam packed with parenting tips and advice to help you build confidence and become the awesome gay dad you were meant to be! How Is This Parenting Guide Different From Others? Unlike other parenting books that have whole chapters focusing on things specifically related to mothers (such as how to get the perfect latch when breastfeeding), this parenting book replaces those sections with things relevant to gay dads. It covers topics like how to find LGBTQ friendly pediatricians, how to find LGBTQ friendly schools, how to childproof your home with style, how to answer awkward and prying questions about your family from strangers, examples for what two-dad families can do on Mother's Day, and much more. The book also includes parenting tips and advice from pediatricians,

school educators, lawyers, and other same-sex parents. Top LGBT parenting expert: Bestselling author Eric Rosswood covers every aspect of fatherhood for gay men in this essential guide to growing your family in the post-DOMA era. He is a major influencer on social media with over 100,000 followers on Twitter alone, as well as thousands on other platforms. Raised By Unicorns - Frank Lowe 2018-06-12

"I am honored to recommend this book to ALL parents. . . . [I]t relates to all families, tolerance, and love." — Greg Berlanti, writer, producer, director "Raw and unfiltered. . . Lowe breaks

new ground, highlighting the dire need for further exploration. 5 Hearts." — Foreword Reviews "[A] powerful eye-opener." — Amanda Hopping-Winn, chief program officer, Family Equality Council "Raw, personal, and uncensored, this must-read book gives us insight as to what it's like to be raised by same-gender parents and how that can impact one's life." —Eric Rosswood, author of *The Ultimate Guide for Gay Dads* and *Journey to Same-Sex Parenthood* In recent years, the world has been saturated by endless blogs, articles, and books devoted to the subject of LGBTQ+ parenting. On the flip side, finding stories written by the children of LGBTQ+ parents is akin to searching for a needle in a haystack. Now that the world is more accepting than ever of non-traditional families, it's time to create a literary space for this not-so-unique, shared, but completely individual experience. In *Raised by Unicorns: Stories from People with LGBTQ+ Parents*, Frank Lowe has carefully edited an anthology that reflects on the upbringing of children in many different forms of LGBTQ+ families. From Baby Boomers to Generation Z, it features diverse stories that express the distinctiveness of this shared journey and of each particular family. It's visceral, raw, and not always pretty, but love is always the common thread. Lowe

candidly reveals true accounts of this particular niche of humanity, while simultaneously creating a moving snapshot of the world in which we live. *Raised by Unicorns* guides the reader through an empathetic journey that is nothing short of compelling and poignant. We've all heard the phrase "raised by wolves." Now we have a window into the complex world of being Raised by Unicorns.
