Voyage of the Capricorn Lady - Book II - Judith Gilman 2005-07-28
VOYAGE OF THE CAPRICORN LADY BOOK TWO The Shadow of His Smile Voyage of the Capricorn Lady, Book Two, The Shadow Of His Smile, continues the true story about a Caribbean Charter yacht couple, Captain Judith Gilman and her husband, Captain Dan T. Gilman III. After they lost their business and almost all their personal possessions in central Florida, they sailed away on an aging wooden sailboat, finding a new life in the Crewed Charter Industry in the Virgin Islands. The first book, Voyage of the Capricorn Lady, Book One, Lost at Sea with Daniel T., recounts Dan and Judis miraculous escape from almost certain death after a boating accident in the lower Bahamas, and chronicles the challenging and adventurous life they stumbled into that would provide a new career for the next 23 years. After they sold their sailboat, Capricorn, in 1980, they became the new owners of a 71 Trumpy Houseboat, built in 1947. From 1980 until 1999, Dan and Judi Gilman owned and operated Capricorn Lady in the British Virgin Islands, hosting Oscar winners, film directors, royals, and families from around the world. The vessel, and her owners, was featured in many international yachting and travel magazines, and was one of the first motor vessels to do crewed charters in the Virgin Islands. Dan and Judi purchased another smaller Trumpy, Capricorn Mistress in 1985 to join the Lady at her Nanny Cay base, often running the two vessels in tandem to provide accommodations for large family reunions, and corporate charters. Licensed Captain, First Mate, and Master Chef, Judi, a Capricorn Lady, tells all with a sense of humor and obvious love for the life she shared with Captain Dan. Tales of charter guests, charter crews, colorful island characters, beloved friends, and life in the beautiful British Virgins, are spiced with the memories of years of hard work and accomplishment.

Judi describes what life was really like, below decks, on her successful charter yacht, as she and her husband strived to provide luxurious cruises for their guests, aboard a classic wooden yacht. Judi embarked on her voyage of love and adventure with Dan in 1964, and during their life together, they shared many tests of their ability to adapt to new circumstances. Never separated, working together 24 hours a day, they were loved and admired by their charter guests, but failed to heal the wounds caused by their abrupt departure from their previous life. Two families suffered the pain of separation, never sailing across distant horizons to reach the shores of forgiveness. This phase of the Capricorn Ladys journey culminated with Dans death from Lung Cancer in April 2003, after a fierce two-year battle for survival. Travel with Judi from the carefree golden sands of the Caribbean to the Cancer Centers in Oregon where Dan stood his final watch. Judis beloved Captain departed across the bar in Florence, Oregon, leaving her in a world far from the sunny islands of the Caribbean. Learning to cope without her beloved soul mate, while transitioning to a new and interesting life, is her new challenge for the future. Dreams and psychic occurrences during Judis life, and after Dans death, confirm the bonds of love that bind this Capricorn Lady and her Captain, Forever. The Capricorn Ladys Voyage will continue Somewhere Beyond the Sea.

SignMates - Bernie Ashman 2012-07-08

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and

dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

Now Elizabeth Chase returns in a case more dangerous than ever: An increasingly violent rapist has been terrorizing San Diego, but the lack of physical evidence at the scenes gives the police very little to go on. Her first step is to hypnotize the victims, hoping to unearth clues buried in their subconscious memories. But when her interpretations have devastating results, she tries to back off the case—only to find herself drawing nearer and nearer to the deadly conclusion. Voyage of the Capricorn Lady - - Judith Gilman 2005-07-28

VOYAGE OF THE CAPRICORN LADY BOOK ONE LOST AT SEA WITH

DANIEL T. Voyage of the Capricorn Lady, Book One, Lost at Sea With

Daniel T., is a true story about a Caribbean Charter yacht couple.

Captain Judith Gilman and her husband, Captain Dan T. Gilman III, sailed away from their life of prestige and social status in Central Florida, after they lost their business and almost all their personal possessions in the mid-1970s. With no advance planning, emotionally struggling to adjust to a totally different kind of life, they made their way through the Bahamas to the Virgin Islands on their aging wooden sailboat, Capricorn, with one daughter and their Himalayan Cat. Book One describes the author's early life, her meeting and marriage to Dan, and the events that cast them adrift to an uncertain future. One moonlit night at Salt Pond Bay in the Exumas, Dan and Judi were thrown out of their rubber dinghy when it hit an obstruction in the water. As the swift current carried them out toward the open sea, the boat turned in a circle, striking Dan in the face with the propeller of the 15 horsepower engine. Their rescue by a "mysterious stranger" was followed by a wild midnight ride in an old flatbed truck to a tiny clinic at Dead Man's Cay. Bahamas Air Sea Rescue flew the couple to Nassau where Dan had surgery, and subsequently healed from his horrific wounds. After he regained his strength, the couple made their way to the Virgin Islands where they were introduced to "crewed chartering" as a way of life. The first book chronicles in detail their cruising live-aboard life, and incredible adventures as they sailed into the culture of many island societies. Dan and Judi rode out several hurricanes on Capricorn, almost sank several times, and lost all their personal belongings when the boat actually did sink on its mooring at Red Hook one black night. Stories of the charter life, guests and crews, and the colorful characters, who were part of the fabric of their lives during this period, are told with sharp detail right down to the fabulous cuisine that was served. Voyage of the Capricorn Lady is not just a book

about boats and chartering; it is the story of a personal journey told with honesty. Two families were forever damaged by the events that cast this couple on their path to a life of love and adventure. Working together, they brought joy to their guests, but failed to heal wounds resulting from their wrenching departure from family and friends. Dreams and Psychic occurrences during the author's life are woven through the tapestry of the book. They reaffirm the author's belief in the afterlife, and the timelessness of her connection to her Captain. The first book ends with the sale of the 40' Newporter Ketch, Capricorn, as the couple leaves the Virgin Islands to search for a new boat to continue their charter career. Book Two is a continuation of the author's voyage, from the decks of the 71' Trumpy charter yacht, Capricorn Lady, to the banks of the Siuslaw River on the Oregon Coast. "Forever", not until "Death Do Us Part", is the theme of this loving memoir of a Captain and His Lady. How to Be a Sexual God (in Three Easy Lessons!) - Dusty White
2008-12-18

This book is no longer for sale. I am removing it from the market now, and that should reflect on all channels by January 1st 2014. This book is too dangerous in the wrong hands. I have sold several thousand print copies in an extremely short time and that is enough. I wrote this book 20 years ago. I was someone else back then. Thanks to everyone who bought this book and used it, but this book is no longer to be shared with the public. All digital editions have been removed and will not be

available. I had fun writing it and selling it all through the 90's. But that was a long time ago. It is time to put this to bed and write on different subjects. This short course will make you socially adept in dealing with women for the rest of your life, and instruct you in the subtle arts of mastering great relationships. Two books are condensed into one comprehensive volume. The first provides a brutally honest, detailed analysis of every woman you will ever date: her strengths, weaknesses, her desires, and her most closely-guarded secrets - including how to spot her in a crowd, how to seduce her, and how to be rid of her if and when you no longer desire her company. The second book explores highly advanced concepts of manipulation and seduction utilized by the world's greatest pick-up artists and marketing masters. This text is presented to you without judgment, in such a way as to challenge everything you believe, so that you may examine your own mind, and break free from the manipulation of the women you desire most. The context is laid out using Astrology as a guidepost to shorten the learning curve, and help you get results fast.

Diary of a Married Woman - E Sam Ekong 2005-11

After her ten-year marriage begins to crumble, Amber Smith finds satisfaction in the arms of a mysterious Nigerian named Blessing. But when Blessing experiences a renaissance of his own with another woman, Amber must follow a new path. Which direction will she take? The idea that Mike was having an affair didn't bother me that much. It was ironical that his own indiscretion if it was true, would be so close to home as well. It wasn't really that I still loved him because, I didn't. It wasn't also that I was jealous because, I wasn't. It was just that I'd never thought of him as one who would have affair. Could this be true, I kept thinking? My thought went back to Blessing, how I wished he was here to share the moment with me and watch the rain fall. I thought about the way he usually talks to me, look at me and the way he touches me. These thoughts are not strange to me at all because at night, whenever I'm lonely, I often think about him. Whenever I feel disenchanted, which is often these days, I think of him. And most importantly, whenever I needed to remind myself how good a man could make me feel, I think about him.
