

Good Night I Love You

Good Night, I Love You - Jene Ray Barranco 2017-09-19

In the wake of her husband's abrupt and unexpected death, Jené Ray Barranco was suddenly forced to grapple with being a single mother to three grieving teenagers while feeling a deafening silence at the center of her relationship with God. To cope with her intense heartache, she began writing on a daily basis to create purpose from her pain. *Good Night, I Love You* compiles those thoughts, and explores with raw and honest prose the author's journey as a widow and shares what she has learned about grief, marriage, parenting, faith, living a meaningful life, and utter dependence on God. Here is a book that will speak to anyone who has ever loved a husband or wife or child.

Good Night, Sweet Dreams, I Love You - Now Get Into

Bed and Go to Sleep! - Patrick Friman 2010-12-22

Even Tough Women Can Crack Like Eggs Sometimes

- Diane Morasco 2016-11-21
"Eloquent. Beautiful. Soulful. A winner!" - Parris Afton Bonds, Co-Founder of Romance Writers of America, New York Times-bestselling and Namesake of the Parris Award
"A gritty, bone-deep story of a tortured and traumatized little girl, rising from the ashes like a phoenix to become a healthy and healed woman, who is a force to be reckoned with. This tale will break your heart, dragging you through the ugly world of abject abuse, and just when you think you can't bear another page, it'll flood your senses with hope, truth and love. Grab your tissue box and a glass of wine - you're going to need it for this grim, but inspiring, journey of triumph." -

Summer Prescott, Publisher and Bestselling author of The INNcredibly Sweet Series Businesswoman, Entrepreneur, and dynamic Author, Diane Morasco, shares her knowledge, insight, and personal journey in her hard-hitting debut novel, "Even Tough Women Can Crack Like Eggs Sometimes." At the age of eight, a few days after her maternal grandmother's passing, her mother struck her face continually shouting she wished she had never been born. A short year later, at the tender age of nine, her uncle, a police officer, began sexually abusing her. It was this monstrous battering and lethal asphyxiation of her soul that caused something powerful to rise up within her and cry out for justice - the kind of justice that only comes from a life well lived. Though the road was more than rocky, and filled with dangerous pitfalls in childhood and well beyond, Diane Morasco wouldn't change the expressway through hell that she was destined to travel to get to

where she is today. The accomplished and secure businesswoman was blessed with having three "earth angels" who set her on her journey of healing and redemption. The first angel saved her life, the second angel breathed life into her and the third angel showed her just how precious her life is. "I did not make it through the darkness - I set a blaze to light my way out." - Diane Morasco [Goodnight, You](#) - Genevieve Cote 2014-09-01

Piggy and Bunny are having their first campout. As the shadows loom larger, Piggy and Bunny playfully imagine scary scenarios and how they might deal with them. It's all good fun, until Piggy reveals a secret fear. This sweetly humorous story shines a light on ways young friends can acknowledge each other's worries and enjoy new experiences. Goodnight, You is the fourth book in the Piggy and Bunny series, which features endearing tales that celebrate friendship and encourage individuality and

Good Night, See You

Tomorrow, I Love You - Bebe Proctor 2018-01-18

"Good night. See you tomorrow. I love you." My five-year-old son would get out of bed several times a night and say this to us. My husband and I started saying it to each other up until the night he passed away. I had the quote put on his grave stone. It was also read at the funeral. It is like going to sleep and one day seeing your loved ones again.

[Goodnight Gavin, I Love You](#) - Paula Peters & Matt Stahl
2014-02

Gavin was diagnosed with autism just after his second birthday. Ever since then it has been a roller coaster ride for his entire family. However, with every set back has come incredible triumphs for both Gavin and his entire family. If you are reading this book, you have an important role to play in helping children like Gavin. By spreading the word about autism and helping people to understand more about this disorder, then you will be helping to find the key that will eventually unlock the full potential of Gavin and the millions of children like him throughout the world. Reading this story is the first step in helping to spread the word, but by sharing this story with two other people you can help spread the word even faster. We need everyone to help us search for the key that unlocks the autistic mind and if everyone is looking, then we
