A Girl Called Omoye - Jules Rae 2021-02-28

Let me tell you a story about a girl called Omoye. We were just kids when I met her for the first time, I was drawn to her like we were meant to be in each other life somehow. I believe that when I fell in love with her. All we did was play as kids do. I chased her around the street, it's not my fault that we were not alone. It's not my fault that he took her with him. It is not my fault I couldn't stop him. It's not my fault that he stole her innocence, Right? I just was a kid. Yet, as I look into her eyes right now I can't help but be ridden with guilt. I did this to her. I hurt her. I am determined to protect her, I am not a child this time. I want to make things right. I can't make the same mistake twice

Comin' Thro' the Rye - Anonymous 2023-11-21

Reprint of the original, first published in 1875. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

I Look Like a Girl - Sheila Hamanaka 1999

In her imagination, a young girl assumes many shapes and forms, from dolphin and condor to wolf and jaguar.

Pygmalion - George Bernard Shaw 2022-09-27

One of George Bernard Shaw's best-known plays, *Pygmalion* is based on ancient Greek mythology. Pygmalion fell in love with one of his sculptures, which then came to life. The general idea of that myth was a popular subject for Victorian era British playwrights. Shaw's updated and revised version of this ancient Greek legend was first presented in England in 1914. Poking fun of the antiquated British class system, it introduces Henry Higgins, a professor of speech and phonetics who takes on a bet that he can transform a bedraggled, cockney flower seller, Eliza Doolittle, into a refined young lady simply by polishing her manners and changing the way she speaks. Their dynamic personalities clash, and the play follows their antics as Higgins imparts his knowledge to a stubborn

Eliza, who's happy to learn but reluctant to leave her old ways behind. In the process of convincing society that his creation is a mysterious royal figure, a duchess, Professor Higgins falls in love with his elegant handiwork. Shaw's clever adaptation was a rousing success. His irresistible theme together with brilliant dialogue made *Pygmalion* one of the most popular comedies in the English language. It was presented on the London and New York stages, and as an entertaining motion picture in its musical version, *My Fair Lady*. Shaw's most well-known play, and the humorous and fascinating relationship dynamics at play, make it a timeless classic that will inspire generations to come.

PYGMALION (TEST AND NOTES) - BERNARD SHAW - BERNARD SHAW 2021-01-01

PYGMALION (TEST AND NOTES) - BERNARD SHAW Professor Higgins claims to his friend Colonel Pickering that he could pass off a cockney flower girl, Eliza Doolittle, as a duchess by teaching her to speak properly. She asks Higgins for lessons and he takes her as his pupil. In the course of her education she emerges not merely as a presentable lady but as a beautiful lady of increasing sensitivity and accomplishment. To Higgins, however, she is just a successful experiment.... PYGMALION (TEST AND NOTES) - BERNARD SHAW This immensely popular romantic comedy by George Bernard Shaw is not only a classic in its own right, but has spawned numerous plays, stories and films (including its memorable official celluloid adaptation *My Fair Lady* all over the world. PYGMALION (TEST AND NOTES) - BERNARD SHAW When George Bernard Shaw wrote *Pygmalion* more than a half century ago, no one could have predicted his play would eventually be converted into one of the great musicals of our time -- *My Fair Lady* -- and an Academy Award³-winning motion picture. Generations of readers and theatergoers have found relevance in Shaw's story of speech therapist Henry Higgins, who successfully transforms Liza Doolittle, a "draggled-tailed guttersnipe," into a darling of high society who momentarily upsets his hard-edged reserve. The extraordinary wit of this master dramatist of the twentieth century cuts away at the artificiality of class distinctions to reveal that human clay can be molded into wondrous shapes. PYGMALION (TEST AND

NOTES) - BERNARD SHAW Washington Square Press' Enriched Classics present the great works of world literature enhanced for the contemporary reader. This edition of Pygmalion includes the analysis of Eric Bentley from his book Bernard Shaw. Essential biographical and historical background is provided, together with notes, critical excerpts, and suggestions for further reading. A unique visual essay of period illustrations and photographs helps bring the play to life. PYGMALION (TEST AND NOTES) - BERNARD SHAW

Scars - A. Breeze Harper 2015-03-18

Scars is a novel about whiteness, racism, and breaking past the normative boundaries of heterosexuality, as experienced through eighteen year old Savannah Penelope Sales. Savannah is a Black girl, born and raised in a white, working class, and rural New England town. She is in denial of her lesbian sexuality, harbors internalized racism about her body, and is ashamed of being poor. She lives with her ailing mother whose Emphysema is a symptom of a mysterious past of suffering and sacrifice that Savannah is not privy to. When Savannah takes her first trip to a major metropolitan city for two days, she never imagines how it will affect her return back home to her mother ... or her capacity to not only love herself, but also those who she thought were her enemies. Scars is about the journey of friends and family who love Savannah and try to help her heal, all while they too battle their own wounds and scars of being part of multiple systems of oppression and power. Ultimately, Scars makes visible the psychological trauma and scarring that legacies of colonialism have caused to both the descendants of the colonized and the colonizer ... and the potential for healing and reconciliation for everyone willing to embark on the journey. As a work of social fiction born out of years of critical race, Black feminist, and critical whiteness studies scholarship, Scars engages the reader to think about USA culture through the lenses of race, whiteness, working-class sensibilities, sexual orientation, and how rural geography influences identity. Scars can be used as a springboard for discussion, self-reflection and social reflection for students enrolled in American Studies, Sociology, Women's Studies, Sexuality Studies, African American

Studies, human geography, LGBTQ studies and critical whiteness studies courses, or it can be read entirely for pleasure. Social Fictions Series Editorial Advisory Board: Carl Bagley, University of Durham, UK Anna Banks, University of Idaho, USA Carolyn Ellis, University of South Florida, USA Rita Irwin, University of British Columbia, Canada J. Gary Knowles, University of Toronto, Canada Laurel Richardson, The Ohio State University (Emeritus), USA A. Breeze Harper has a BA in feminist geography, from Dartmouth College, a MA in Educational Technologies from Harvard University, and a PhD from the University of California, Davis, where she studied applications of critical race feminism, critical whiteness studies, and critical food studies within cultural geography. Harper is also the author of the book, *Sistah Vegan: Black Female Vegans Speak on Food, Identity, Health, and Society* (Lantern Books 2010). www.abreezeharper.com

Better Times Stories - Ellen Olney Kirk 1889

A Blameless Woman - John Strange Winter 1894

Parrotfish - Ellen Wittlinger 2012-06-19

Angela Katz-McNair has never felt quite right as a girl, but it's a shock to everyone when she cuts her hair short, buys some men's clothes, and announces she'd like to be called by a new name, Grady. Grady is happy about his decision to finally be true to himself, despite the practical complications, like which gym locker room to use. And though he didn't expect his family and friends to be happy about his decision, he also didn't expect kids at school to be downright nasty about it. But as the victim of some cruel jokes, Grady also finds unexpected allies in this thought-provoking novel that explores struggles any reader can relate to.

Dating for Men (3 Books in 1) - Love Academy 2021-09-14

Are you single and looking to form a meaningful and healthy relationship? Have you tried all sorts of ways to get a woman you like to no avail, are tired of being single and are looking for a complete guide

feel lost and as if your situation is a hopeless one where you can never break the cycle of finding nice women that you like then letting them get taken away by other aggressive men because you are too passive, this book will help you turn things around in your life! Scroll up and click Buy Now With 1-Click or Buy Now to get started!

Pygmalion - Bernard Shaw 2005

This Prestwick House Literary Touchstone Edition? includes a glossary and reader?s notes to help the modern reader appreciate Shaw?s wit and cynicism. In this delightful romance about the man too self-centered to fall in love and the woman too unsure of herself to want more out of life than the little she already has, George Bernard Shaw shakes the dust off the Cinderella story and tells it as only he can. Eliza Doolittle, the Cockney flower girl who wants to work in a flower shop, and Henry Higgins, the phoneticist who turns her into a "princess," are no mythological knight and maiden. Instead, even today, they resound with sharp humor and cutting dialogue. Originally published in 1914, *Pygmalion* invites readers and audience members to examine the roots of social prejudice and the true value of a human being, while also involving them in the improbable lives of Shaw?s one-dimensional, yet endearing characters.

Wolf Of Sight - Quinn Loftis 2019-09-25

To become a witch or not to become a witch? That is the question. At least that's the question Kara, Heather, and Stella, three of the gypsy healers, are facing. The high fae ambassador, Perizada, the healers, and a host of wolves are in a race against time to create the witch army that Volcan desires. But they must also keep the gypsy healers, beings of pure light and goodness, from becoming evil in the process. Should be a piece of cake. Meanwhile, the werewolf males are fighting their innate hunger to mark their mates and finish the Blood Rites, thereby keeping their own darkness at bay. If they remain unbound, a chink forms in the packs' armor, one that Volcan won't hesitate to exploit when he finds it.

The Human Origins of Beatrice Porter and Other Essential Ghosts - Soraya Palmer 2023-03-28

"Mothers never die. Children love to resurrect us in they stories."

Folktales and spirits animate this lively and unforgettable coming-of-age tale of two Jamaican-Trinidadian sisters in Brooklyn grappling with their mother's illness, their father's infidelity, and the truth of their family's past. Sisters Zora and Sasha Porter are drifting apart. Bearing witness to their father's violence and their mother's worsening illness, an unsettled Zora escapes into her journal, dreaming of being a writer, while Sasha discovers sex and chest binding, spending more time with her new girlfriend than at home. But the sisters, like their parents, must come together to answer to something more ancient and powerful than they know—and reckon with a family secret buried in the past. A tale told from the perspective of a mischievous narrator, featuring the Rolling Calf who haunts butchers, Mama Dglo who lives in the ocean, a vain tiger, and an outsmarted snake, *The Human Origins of Beatrice Porter and Other Essential Ghosts* is set in a world as alive and unpredictable as Helen Oyeyemi's. Telling of the love between sisters who don't always see eye to eye, this extraordinary debut novel is a celebration of the power of stories, asking, What happens to us when our stories are erased? Do we disappear? Or do we come back haunting?

The History of the Adventures of Vivi and Vera - Dung Kai-cheung (□□□)
2018-06-06

Award-winning author Dung Kai-cheung weaves together two inventive narratives in this remarkable book. One is the story of a novelist who recounts his family's history against the backdrop of Hong Kong's development from the 1930s to the 1990s. Dung builds this story through vignettes about the protagonist's relationship with technological inventions that shaped his life, as glimpsed through his uncertain memory and family myths. Running parallel to this is a rebellion by the novelist's oppressed fictional characters, who attempt to break the yoke of servile obedience laid upon them by the conventions of novel-writing. The central character, Vivi, has been written into being by the author and, once created, she seems to take on a life of her own and moves from being fabricated to being real, even bravely undertaking the journey to meet her creator—the novelist—in the real world. Fantasy and realism combine to suggest that crossing boundaries is inherent part of our

nature. "Dung Kai-cheung is the most important writer of contemporary Hong Kong. Since the end of the last century, his work has constituted an alternative history of Hong Kong: the city's splendor and dilemma, its fantastic metamorphoses and uncanny fate. *The History of the Adventures of Vivi and Vera* represents Dung at his best. The novel chronicles the changes and continuities of Hong Kong in the final decades of colonial rule, and projects a futuristic vision in which postcolonial nostalgia meets postmodernist fantasia, and family romance begets science fantasy. Above all, Dung seeks to inscribe Hong Kong as fiction, and celebrate the power of creativity that is Hong Kong." —David Der-wei Wang, Edward C. Henderson Professor of Chinese Literature at Harvard University "Dung Kai-cheung is Hong Kong's most prolific and innovative contemporary novelist. His work is at once playful and challenging, brilliant and imaginative, and filled with a sense of mystery and discovery. The first volume in Dung's acclaimed 'Natural History' trilogy, *The History of the Adventures of Vivi and Vera* is nothing short of a qishu, or 'book of wonder.' Freely navigating different times and spaces, people and objects, autobiographies and fictions, Dung Kai-cheung has written a new allegory for our troubled times." —Michael Berry, Professor of Contemporary Chinese Cultural Studies at UCLA, author of *Speaking in Images* and *A History of Pain*

Unsettled Belonging - Thea Renda Abu El-Haj 2015-11-27

"Tells the stories of young Palestinian Americans as they navigate and construct lives as American citizens. Following these youth throughout their school days, Thea Abu El-Haj examines citizenship as lived experience, dependent on various social, cultural, and political memberships. ... She illustrates the complex ways social identities are bound up with questions of belonging and citizenship, and she details the processes through which immigrant youth are racialized via everyday nationalistic practices"--Publisher description.

Drama: Discovering Genre - 2008

Do You Think I Look Like a Girl? - Tess Scilipoti 2020-08-08

Do You Think I Look Like a Girl? collects eleven short comics examining

gender, sex, and identity. These essays combine autobiography with humor and metaphor to create poignant, forceful narratives that expose our deepest fears and desires. Tess Scilipoti is a graduate of the Center for Cartoon Studies, a school for wizards.

The Walcott Twins - Lucile Lovell 2023-10-19

"The Walcott Twins" by Lucile Lovell introduces readers to the world of the Walcott Twins as they embark on their adventures. Lovell's

storytelling captures the charm and curiosity of young twins as they navigate the challenges and joys of growing up. This book is an excellent choice for young readers and anyone who appreciates stories that celebrate the bonds of family, friendship, and the adventures of childhood. It invites readers to share in the experiences of the lovable Walcott Twins.
