Get Over Yourself! - Patti Novak 2008-12-30
True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it--and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

You Are Free (Even If You Don't Feel Like It) - Hope Virgo 2022-05-01

In *You Are Free (Even if You Don't Feel Like It)* award-winning campaigner Hope Virgo opens up about her own journey with mental health and illness. With powerful honesty, she relates her experiences from being sexually abused in her youth group when she was just 13 and admitted to a mental health hospital with a failing heart at 17, to feeling like she was ready to end it all at 28 - when a new hope found her after a stranger told her about Jesus. Raw and relatable, this is more than a memoir, as Hope draws on her own story to offer advice and guidance to those living and struggling with their own mental health and wellbeing. Sharing what she has learned, Hope candidly lays out how she worked through her rage, hurt, disappointments and doubts to help others dealing with the ongoing stigma and shame that still follows mental health issues around. She also reveals the power that the Christian faith has had in her life, looking at how mental and spiritual care go hand in hand, especially in the face of confusion that sometimes God chooses not to heal us - or at least, not in the way we expect. Featuring interviews with Rachel Hughes, Matt Hogg, Zeke Rink, Jemimah Haley and many more, *You Are Free (Even If You Don't Feel Like It)* is a thought-provoking and heartfelt self-help book that will speak to anyone who has struggled with their mental health, in the church and outside of it, and to anyone interested in how the Christian faith can offer hope even in the darkest of times. A testimony both to the resilience of the human spirit and to the power of God, Hope's is an understanding voice for all those in the midst of their struggles, offering support and

The internationally bestselling novel by the author of *A Kiss Before Dying*, *The Boys from Brazil*, and *Rosemary's Baby* With an Introduction by Peter Straub For Joanna, her husband, Walter, and their children, the move to beautiful Stepford seems almost too good to be true. It is. For behind the town's idyllic facade lies a terrible secret -- a secret so shattering that no one who encounters it will ever be the same. At once a masterpiece of psychological suspense and a savage commentary on a media-driven society that values the pursuit of youth and beauty at all costs, *The Stepford Wives* is a novel so frightening in its final implications that the title itself has earned a place in the American lexicon.

Art, Passion, Poetry - Barbara Sher Tinsley
2015

Art, Passion, Poetry was inspired largely by the fact that with teaching, research, writing, and painting, I have had less time for playing the piano, which I dearly love, and have played since age five. I have transmuted the musical urge into a different kind of music: poetry, where I think my musical instincts are more developed than at the keyboard. However, the words of poems are as notes to me, and each line a chord or arpeggio or trill that, when the poem ends, has given me a distinct piece of music, with reflections of lived experience, memory, creativity, analysis, passion. My poems are musical pieces. When I finished selecting the right poems for my title, I realized that I had written a musical or poetic memoir of my life, one that has adhered from a love of linguistic and historical analysis together with Art,

Passion, Poetry. Art, Passion, Poetry all play a part in each poem of this collection in a particular way, and usually in more than one way, often quite unanticipated. The poem's title may or may not reveal the major theme or themes of that poem. There are often choices of ethics, aesthetics, sensuality, and even cultural and political values that readers may be obliged to make to arrive at a conclusion near or far from the poet's. This is because Barbara Sher Tinsley believes that poetry places at least as much responsibility on the reader as on her own shoulders, while recognizing in a profound way that the transmission of any poem is a shared task, one of decoding the artistry and passion of each offering. She also engages her readers in conversations as significant to our human experience - whether creative or procreative or merely sensuous - as others that contribute to our economic, educational, professional, or mental well-being. Readers will discover that art, poetry, and passion are really one.
