 Partisanship is destroying the U.S. Whether youre an Independent fed up with your lack of representation in Washington, a moderate Democrat or Republican disappointed by the

repeated failures of your party, or a Millennial whose disenchantment with our current political system has turned into apathy, you have options and the power to turn things around; in fact, We the People have an obligation to do so. But we cant change the current state of affairs until we realize that were part of the problem: feeding into the fiction of the two party system and fighting amongst ourselves, even as our government creates policies to benefit its corporate friends at the expense of people everywhere. While no one can do everything, we can each do something; our nations fate in the new millennium depends on it. The first step is effective communication. The first step, is Politiquette.
