*Male Basher's Zodiac* - Barb Rogers 2008-05-01

Have you turned to astrology to become more informed about that handsome, witty, attentive Scorpio, Gemini, or Virgo man you just met? After you landed him, time has passed, did you wonder what happened to the person you read about....the personality he is supposed to possess? Are you asking yourself what went wrong? Perhaps, you have met the uninvolved of the male species. In "Male Basher's Zodiac" (How To Recognize the Uninvolved Male), Barb Rogers, with accuracy and humor, tells it like it is about what to expect from the uninvolved of the male species. With new symbols, illustrated by Dan Culver, she brings the point home that all men born under the same sign are not the same. Whereas, in a conventional astrology book, Aries is a regal ram, in "Male Basher's Zodiac", the uninvolved Aries is a skunk, with the attributes of a skunk. Each sign has been

assigned a new image in keeping with the personality of the uninvolved. Don't look to the heavens for the new images, but look into the behavior of the man. Did the fire go out in your Leo man once he got you where he wanted you? Did your passionate, flamboyant, lion turn into a possessive pig who wants to rule every facet of your life? Has your mysterious Scorpio become a secretive, withdrawn primate who stomps through your life totally self-absorbed? Were you attracted to a Gemini because of his fun loving ways, his ability to take things in stride, and child-like innocence, only to discover there's another side to him; the gremlin that keeps him from getting too close, that allows him to be neglectful and insensitive, and that he really is a child in a grown up body? Has your Virgo turned into a porcupine, protecting his soft underbelly (feelings) by shooting out painful, poisonous quills, and focusing his life, and yours, on work and worry? If you want answers to "why?" your love interest is the way he is, and he doesn't fit

into the scenarios in conventional astrology books, look for him in "Male Basher's Zodiac" because you may have hooked up with one of the uninvolved. Is there a sign for "ass"? There is now. You will find it under the uninvolved Taurus in "Male Basher's Zodiac", along with all the other signs. "Male Basher's Zodiac" explores the astrology of men from an entirely different angle.....the dark side. Are you curious? Are you brave? Or, would you just like to have a few laughs? If so, follow Barb Rogers into the world of the uninvolved. Find anyone you know there?

*SignMates* - Bernie Ashman 2012-07-08

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More

importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative,

unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship. *Weekly World News* - 1995-04-25

astrological patterns and phrases for you to easily remember Excerpts from book: “From the Sun (luminary), we are born into the physical realm; and as we reach Pluto, the last planet, we transition into the spiritual realm to die. As morbid as it sounds, it’s just how our energy works. The planets and luminaries are then split into two categories: inner/internal and outer/external, and every planet possesses their own type of energy and specialty. From the internal planets, the Sun shines on planets that impact our personalities. It’s how we function as an individual. From the external planets, the darkness of these worlds helps us utilize our personality and inner strengths to overcome events of the physical realm. It’s how we shine our light in dark spaces.” About the Author Joan Zodianz is a professional astrologer, angel medium, intuitive artist, and tarot reader. She has been developing her spiritual gifts since childhood. She has a love of spirituality, obsession with astrology, and strong connection

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about

how you feel and what you really need from a partner?

- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

**Sun in Signs** - Saket Shah 2022-02-05

Dear Reader, We always wonder that every sign in Vedic astrology has different meaning and results. So how does the planet sitting in it will behave. So in this book I am describing how Sun will give results in different zodiac signs in most possible and descriptive way. The planet

behavior changes along with the sign it sits in and give different results. Every sign itself is a mystery and planet sitting in sign becomes more mysterious and gives results in very different pattern. Planet is nothing but a cosmic energy which in particular location in zodiac during our birth impacts our entire life the way we think and the way we behave and also controls our emotions. The glands in our brain reacts to this cosmic energy and creates a certain characteristic in our life patten and day to day life and we can understand this by understanding our horoscope and by checking which sign the planet is sitting and how it impacts our thinking and life. I hope you will love this book and enjoy reading. Regards, Saket Shah
