

I Really Like Her In Japanese

More Making Out in Japanese - Todd Geers 2013-11-21

More Making Out in Japanese is a fun, accessible and thorough guide to the Japanese language as it's really spoken. This phrasebook follows the bestselling Making Out in Japanese providing additional (and classic) phrases for travelers, including ones to help you make acquaintances, discuss likes and dislikes, share a meal, go out on the town or develop a romantic relationship. If you are a student, businessman or tourist traveling to Japan and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use phrasebook makes this possible. More Making Out in Japanese has been completely revised and expanded to be even more helpful as a guide to

modern colloquial Japanese for use in everyday informal interactions—giving access to the sort of catchy Japanese expressions that aren't covered in traditional language materials. As well as the Romanized forms (romanji), each expression is now given in authentic Japanese script (kanji and kana with furigana pronunciation clues), so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. This Japanese phrasebook includes: A guide to pronouncing Japanese words correctly Explanations of basic Japanese grammar, such as, intonation, word stress, and particles A guide to male and female usage Romanized forms of words and phrases (romanji) Complete Japanese translations including Japanese characters (kanji) and the Japanese alphabet (kana) Useful and

interesting notes on Japanese language and culture Lots of colorful, fun and useful expressions not covered in other phrasebooks Titles in this unique series of bestselling phrase books include: Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in Vietnamese, Making Out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English, More Making Out in Korean, and More Making Out in Japanese.

Tokyo Ever After - Emiko Jean 2021

"The Princess Diaries meets Crazy Rich Asians in Emiko Jean's Tokyo Ever After, a "refreshing, spot-on" (Booklist, starred review) story of an ordinary Japanese-American girl who discovers that her father is the Crown Prince of Japan. Izumi Tanaka has never really felt like she fit in--it isn't easy being Japanese American in her small, mostly white, northern California town.

Raised by a single mother, it's always been Izumi--or Izzy, because "It's easier this way"--and her mom against the world. But then Izumi discovers a clue to her previously unknown father's identity...and he's none other than the Crown Prince of Japan. Which means outspoken, irreverent Izzy is literally a princess. In a whirlwind, Izumi travels to Japan to meet the father she never knew and discover the country she always dreamed of. But being a princess isn't all ball gowns and tiaras. There are conniving cousins, a hungry press, a scowling but handsome bodyguard who just might be her soulmate, and thousands of years of tradition and customs to learn practically overnight. Izumi soon finds herself caught between worlds, and between versions of herself--back home, she was never "American" enough, and in Japan, she must prove she's "Japanese" enough. Will Izumi crumble under the weight of the crown, or will she live out her fairy tale, happily ever after?"--

The Japanese Restaurant -

Iori Hamada 2023-08-04

This book explores the growth and operations of the Japanese restaurant in Australia since the early 2000s from perspectives of both restaurant workers and consumers.

Through first-hand testimonies, collected from chefs, restaurateurs, gourmets and casual diners, it demonstrates how Japanese restaurants act as cultural hubs, connecting a diverse community of migrants, Australian citizens and international tourists, while also disseminating knowledge of Japanese culinary cultures. The ethnographic evidence presented challenges the colonialist and essentialist understandings of the 'exotic' and 'Japaneseness' as the 'inferior other' to the West. In so doing, the book highlights the complex manifestations of cross-cultural desires, translating practices and the performative racial-ethnic mimesis of Japanese ethnicity. Featuring critical investigation into the fixed notions of otherness, race, ethnicity and

authenticity, this book will be a valuable resource to students and scholars of Japanese society and culture, particularly Japanese food culture.

The Politics of International Marriage in Japan -

Viktoriya Kim 2021-12-10

This book provides an in-depth exploration and analysis of marriages between Japanese nationals and migrants from three broad ethnic/cultural groups - spouses from the former Soviet Union countries, the Philippines, and Western countries. It reveals how the marriage migrants navigate the intricacies and trajectories of their marriages with Japanese people while living in Japan.

Seen from the lens of 'gendered geographies of power', the book explores how state-level politics and policies towards marriage, migration, and gender affect the personal power politics in operation within the relationships of these international couples. Overall, the book discusses how ethnic identity intersects with gender in the negotiation

on 2019-10-07 by guest*

of spaces and power relations between and amongst couples; and the role states and structural inequalities play in these processes, resulting in a reconfiguration of our notions of what international marriages are and how powerful gender and the state are in understanding the power relations in these unions.

Horizon Japan. Travels through the culture, cuisine and nature of a seemingly incomprehensible country -

Patrick Colgan 2015-12-03
From the crowds of Tokyo to the bears of the far North, from the jungle of the tropical islands to the blooming cherry trees in Kyoto, eventually arriving at the big emptiness left by the devastating 2011 tsunami and nuclear disaster. Patrick Colgan, journalist and traveller, immerses himself in Japanese culture, nature and cuisine and writes about his discovery of a seemingly incomprehensible country. A place, Japan, where feeling a little lost can be fascinating, and trips never really end.

The Making of Anthropology in

East and Southeast Asia -
Bosco Yamashita 2004

In a path-breaking series of essays the contributors to this collection explore the development of anthropological research in Asia. The volume includes writings on Japan, China, Taiwan, Korea, Malaysia and the Philippines.

After the Flash - Linda Rosenbery 2020-11-15

This historical narrative reveals the life of Linda, a young woman struggling to come to grips with her rudderless existence, of her stumbling back to her hometown after a failed marriage, and having to face the judgments of a stoic Japanese mother. Chieko's life is in stark contrast, having survived the most horrific last days of World War II, and having come of age in occupied Japan where she made a living working in a hostess club serving drinks and dancing with servicemen. Linda wants to write her mother's story, and Chieko always says no. But then something happens between Chieko and Linda as they begin to bond through

on 2019-10-07 by guest

Linda's apprenticeship in Chieko's flower garden. On those gardening days, after the work is done, they sit at the kitchen table where Chieko quite openly weaves for her daughter the threads of her life, including her determination to survive. Linda at times feels traumatized by her mother Chieko's descriptions of the war, and most of the time Linda ends her kitchen table talks and heads to the local bar to get drunk. One spring day in the fourth year of their kitchen table talks, Chieko says to Linda as they sip scotch, "If you really must tell my story, tell it like the playwright, Eugene O'Neill, because he knew sadness." Even though Linda hears it in her mother voice each time she speaks about her life, the sorrow in her tone routinely breaks Linda down. But Chieko is funny, too, with stories of coming of age at a time in Japan when most believed romance and life in paradise was a promise made in American films brought in by the occupation. Chieko's hopes

and dreams of life in the States with a handsome hero are penned on a photograph of herself that she gives to her American lover as he heads back to the States. It is a simple note that reads, "I promise my eternal love." Of all the lovely traits mothers and daughters can have in common, one of theirs isn't so lovely: They both don't keep promises.

A Discontented Diaspora -
Jeffrey Lesser 2007-08-24

In A Discontented Diaspora, Jeffrey Lesser investigates broad questions of ethnicity, the nature of diasporic identity, and Brazilian culture. He does so by exploring particular experiences of young Japanese Brazilians who came of age in São Paulo during the 1960s and 1970s, an intensely authoritarian period of military rule. The most populous city in Brazil, São Paulo was also the world's largest "Japanese" city outside of Japan by 1960. Believing that their own regional identity should be the national one, residents of São Paulo constantly discussed the

legacy.opendemocracy.net
on 2019-10-07 by guest

relationship between Brazilianness and Japaneseness. As second-generation Nikkei (Brazilians of Japanese descent) moved from the agricultural countryside of their immigrant parents into various urban professions, they became the “best Brazilians” in terms of their ability to modernize the country and the “worst Brazilians” because they were believed to be the least likely to fulfill the cultural dream of whitening. Lesser analyzes how Nikkei both resisted and conformed to others’ perceptions of their identity as they struggled to define and claim their own ethnicity within São Paulo during the military dictatorship. Lesser draws on a wide range of sources, including films, oral histories, wanted posters, advertisements, newspapers, photographs, police reports, government records, and diplomatic correspondence. He focuses on two particular cultural arenas—erotic cinema and political militancy—which highlight the ways that

Japanese Brazilians imagined themselves to be Brazilian. As he explains, young Nikkei were sure that their participation in these two realms would be recognized for its Brazilianness. They were mistaken. Whether joining banned political movements, training as guerrilla fighters, or acting in erotic films, the subjects of *A Discontented Diaspora* militantly asserted their Brazilianness only to find that doing so reinforced their minority status.

ease! Learn Japanese - Level 2: Absolute Beginner will arm you with Japanese and cultural insight to utterly shock and amaze your Japanese friends and family, teachers, and colleagues. What you get in Learn Japanese - Level 2: Absolute Beginner: - 250+ pages of Japanese learning material - 25 Japanese lessons: dialog transcripts with translation, vocabulary, sample sentences and a grammar section - 25 Audio Lesson Tracks (over 5 hours of Japanese lessons) - 25 Audio Review Tracks (practice new words and phrases) - 25 Audio Dialog Tracks (read along while you listen) This book is the most powerful way to learn Japanese. Guaranteed. You get the two most powerful components of our language learning system: the audio lessons and lesson notes. Why are the audio lessons so effective? - 25 powerful and to the point lessons - syllable-by-syllable breakdown of each word and phrase so that you can say every word and phrase instantly - repeat after the

professional teacher to practice proper pronunciation - cultural insight and insider-only tips from our teachers in each lesson - fun and relaxed approach to learning - effortlessly learn from bilingual and bi-cultural hosts as they guide you through the pitfalls and pleasures of Japan and Japanese. Why are the lesson notes so effective? - improve listening comprehension and reading comprehension by reading the dialog transcript while listening to the conversation - grasp the exact meaning of phrases and expressions with natural translations - expand your word and phrase usage with the expansion section - master and learn to use Japanese grammar with the grammar section Discover or rediscover how fun learning a language can be with the future of language learning. And start speaking Japanese instantly!

Transcultural Marketing for Incremental and Radical Innovation - Christiansen, Bryan 2013-11-30

Downloaded from
legacy.opendemocracy.net
on 2019-10-07 by guest

As technology continues to drive innovation and impact societies across multiple national boundaries and cultures, new approaches towards marketing products must be created and implemented to be successful in an era of hypercompetition. *Transcultural Marketing for Incremental & Radical Innovation* provides in depth discussion on tactics for improving existing products while inventing completely new products and product categories. This publication will prove to be helpful for scholars, practitioners, and university students who wish to better understand the importance of marketing products and services across different cultures and multiple languages.

Pragmatic Competence - Naoko Taguchi 2009-09-04

In the disciplines of applied linguistics and second language acquisition (SLA), the study of pragmatic competence has been driven by several fundamental questions: What does it mean to become

pragmatically competent in a second language (L2)? How can we examine pragmatic competence to make inference of its development among L2 learners? In what ways do research findings inform teaching and assessment of pragmatic competence? This book explores these key issues in Japanese as a second/foreign language. The book has three sections. The first section offers a general overview and historical sketch of the study of Japanese pragmatics and its influence on Japanese pedagogy and curriculum. The overview chapter is followed by eight empirical findings, each dealing with phenomena that are significant in Japanese pragmatics. They target selected features of Japanese pragmatics and investigate the learners' use of them as an indicator of their pragmatic competence. The target pragmatic features are wide-ranging, among them honorifics, speech style, sentence final particles, speech acts of various types, and indirect expressions. Each

study explicitly prompts the connection between pragmalinguistics (linguistic forms available to perform language functions) and sociopragmatics (norms that determine appropriate use of the forms) in Japanese. By documenting the understanding and use of them among learners of Japanese spanning multiple levels and time durations, this book offers insight about the nature and development of pragmatic competence, as well as implications for the learning and teaching of Japanese pragmatics. The last section presents a critical reflection on the eight empirical papers and prompts a discussion of the practice of Japanese pragmatics research.

Race and Racism in Modern East Asia - Rotem Kowner
2015-04-21

Race and Racism in Modern East Asia (Vol. 2) examines in depth interactions between Western and local constructions of race. This insightful 23-chapter volume offers a sweeping analysis of

issues of race, racism, nationalism and gender in the region that is unsurpassed in previous scholarship.

Soft Power Superpowers -

Yasushi Watanabe 2015-01-28

The term "soft power" describes a country's ability to get what it wants by attracting rather than coercing others - by engaging hearts and minds through cultural and political values and foreign policies that other countries see as legitimate and conducive to their own interests. This book analyzes the soft power assets of the United States and Japan, and how they contributed to one of the most successful, if unlikely, bilateral relationships of the twentieth century. Sponsored by the U.S. Social Science Research Council and the Japan Foundation's Center for Global Partnership, the book brings together anthropologists, political scientists, historians, economists, diplomats, and others to explore the multiple axes of soft power that operate in the U.S.-Japanese relationship, and between the

United States and Japan and other regions of the world. The contributors move beyond an "either-or" concept of hard versus soft power to a more dynamic interpretation, and demonstrate the important role of non-state actors in wielding soft power. They show how public diplomacy on both sides of the Pacific - bolstered by less formal influences such as popular cultural icons, product brands, martial arts, baseball, and educational exchanges - has led to a vibrant U.S.-Japanese relationship since World War II despite formidable challenges. Emphasizing the essentially interactive nature of persuasion, the book highlights an approach to soft power that has many implications for the world today.

Wabi Sabi - Beth Kempton
2018-08-30

'A truly transformative read'
Sunday Times STYLE 'More than ever, we need books like this'
Jessica Seaton, Co-Founder of Toast and author of

Gather, Cook, Feast A whole new way of looking at the world - and your life - inspired by centuries-old Japanese wisdom. Wabi sabi ("wah-bi sah-bi") is a captivating concept from Japanese aesthetics, which helps us to see beauty in imperfection, appreciate simplicity and accept the transient nature of all things. With roots in zen and the way of tea, the timeless wisdom of wabi sabi is more relevant than ever for modern life, as we search for new ways to approach life's challenges and seek meaning beyond materialism. Wabi sabi is a refreshing antidote to our fast-paced, consumption-driven world, which will encourage you to slow down, reconnect with nature, and be gentler on yourself. It will help you simplify everything, and concentrate on what really matters. From honouring the rhythm of the seasons to creating a welcoming home, from reframing failure to ageing with grace, wabi sabi will teach you to find more joy and inspiration throughout

your perfectly imperfect life. This book is the definitive guide to applying the principles of wabi sabi to transform every area of your life, and finding happiness right where you are. The Japan Daily Mail - 1888

Journal of International Students, 2018(4) - Krishna Bista

The Journal of International Students (JIS), an academic, interdisciplinary, and peer-reviewed publication (Print ISSN 2162-3104 & Online ISSN 2166-3750), publishes scholarly peer reviewed articles on international students in tertiary education, secondary education, and other educational settings that make significant contributions to research, policy, and practice in the internationalization of higher education.

Sweet and Sour - Scott Simon 2003

Sweet and Sour is the first in-depth anthropological study of Taiwanese women entrepreneurs, their career ambitions, their family relations, and their projects of

self-identity. Focusing on the voices and perspectives of the women themselves, Scott Simon draws from life-narratives of women from various ages, ethnic groups, social classes, and occupations to provide a diverse set of rarely heard native voices speaking out on gender and entrepreneurship in Taiwan. This rich collection of life histories provides a unique understanding of Taiwanese society and the place of women within it.

Languages and Identities in a Transitional Japan - Ikuko Nakane 2015-08-20

This book explores the transition from the era of internationalization into the era of globalization of Japan by focusing on language and identity as its central themes. By taking an interdisciplinary approach covering education, cultural studies, linguistics and policy-making, the chapters in this book raise certain questions of what constitutes contemporary Japanese culture, Japanese identity and multilingualism and what they

Downloaded from
legacy.opendemocracy.net
on 2019-10-07 by guest

mean to local people, including those who do not reside in Japan but are engaged with Japan in some way within the global community. Topics include the role of technology in the spread of Japanese language and culture, hybrid language use in an urban context, the Japanese language as a lingua franca in China, and the identity construction of heritage Japanese language speakers in Australia. The

authors do not limit themselves to examining only the Japanese language or the Japanese national/cultural identity, but also explore multilingual practices and multiple/fluid identities in "a transitional Japan." Overall, the book responds to the basic need for better accounts of language and identity of Japan, particularly in the context of increased migration and mobility.
