

I Need A Grown Woman

Grown Woman Talk - Sharon Malone, M.D. 2024-04-09

A practical guide to aging and health for women who have felt ignored or marginalized by the medical profession, from a leading Ob/Gyn and expert on menopausal and post-reproductive health. The medical system today is increasingly complicated and impersonal, and unfortunately, it is not going to be less so in the future. The rules of engagement have changed in medicine, but no one has bothered to inform patients. Much is written about Black women and women of color, be it our increased cancer risk, our alarming obesity statistics, or our disproportionate risk of cardiovascular diseases, but very little is written for us, and a diagnosis from Dr. Internet doesn't cut it. Talk about being sick? Dr. Sharon Malone is sick of that. *Grown Woman Talk* is

for all women who have often not been seen or heard. For more than three decades as a practicing Ob/Gyn in the nation's capital and now as chief medical officer of Alloy Women's Health, Dr. Malone has served women across the city all the way to the upper echelons of power. In this book, she gives us the nudge we all need to become effective and efficient advocates in getting the care we deserve. Part medical memoir of the Malone family experience tracing from the Jim Crow South to the highest corridors of power in Washington, part relatable clinical scenarios of women from all walks of life and experiences, and part practical medical and logistical advice, this book is a reliable and easy-to-understand resource. In addition to information on ailments like fibroids, cancer, heart disease,

and perimenopause, it also helps us navigate the medical establishment of today with advice on how to choose a doctor, why our family's health history matters, and how to decide among treatments. Combining emerging practices with the latest research the book addresses many women's greatest gap, the one between what they believe and what is actually true. With a combination of medical expertise, up-to-date science, and lived experience, Grown Woman Talk addresses the most common conditions women over forty deal with. And it helps women, especially Black women, identify the power they have and how to use it to chart a path to improve their health outcomes and thrive.

When Grown Ups Cry - Jasna Jackson 2012-09-21

"Yoyo was interesting because she was always having a lot of secrets and she never shared them, sometimes maybe with anyone. She felt that if she will talk about it those words and things will disappear so she

rather was just listening and observing and was quiet. " The book is about a growing up girl. She was adopted and she sees things a bit different and since she was little, she loves the stars the most. First she saw them on the sky at night than as people too.

When Food Is Comfort - Julie M. Simon, MA, MBA, LMFT
2018-02-10

Learn Inner Nurturing and End Emotional Eating If you regularly eat when you're not truly hungry, choose unhealthy comfort foods, or eat beyond fullness, something is out of balance. Recent advances in brain science have uncovered the crucial role that our early social and emotional environment plays in the development of imbalanced eating patterns. When we do not receive consistent and sufficient emotional nurturance during our early years, we are at greater risk of seeking it from external sources, such as food. Despite logical arguments, we have difficulty modifying our behavior because we are under the

influence of an emotionally dominant part of the brain. The good news is that the brain can be rewired for optimal emotional health. When *Food Is Comfort* presents a breakthrough mindfulness practice called Inner Nurturing, a comprehensive, step-by-step program developed by an author who was herself an emotional eater. You'll learn how to nurture yourself with the loving-kindness you crave and handle stressors more easily so that you can stop turning to food for comfort. Improved health and self-esteem, more energy, and weight loss will naturally follow.

Lucky Southern Women -

Susannah Eanes 2016-01-18

The rural landscape entwines around the lives and loves of two strong, complex yet troubled women, in beautiful contrast to the beliefs they absorbed as children. Only in moving beyond the past can they forge a way ahead not only for themselves, but for their loved ones. In so doing, each finds something vital that will give them the power and resilience they need to meet the greatest challenge of all. Religious belief and personal history wars with sanity and wisdom in this first novel of love, freedom, and the strength of friendship. Susannah Eanes explores the deep mysticism of family history, deception, and forgiveness in the tale of two women who are forced to confront the legacy of their youth, set in the deep south of the last decades of the twentieth century, and written in the unique language and

viewpoints of the characters themselves.

Flirting After Fifty - Barbara Bellman; Susan Goldstein
2008-10-07

Why do some women always have a man in their lives, and others never do? We owe a debt of gratitude to those women who are successful in dating, in flirting, in meeting great guys. They have shown us the way. The older we get, the more set we are that things should be done a certain way. We like things the way we like things safe, expected, comfortable. So what happens when we need to shake up the status quo and grow? Meeting new people gets harder as we age. But it doesn't have to be a barrier to happiness. We just have to navigate around the obstacles to find our way. Flirting is an opening, a signal, an overture. It says, "I'm interested in you." It's not a commitment. It's not forever after. It's a peek and a wink. It's the opening credits and if you and he like what unfolds, you may stick around and watch the whole story. What

The Plain of Jars - N.

Lombardi Jr. 2013-05-31

What would you do if you found that the bones and ashes you were given by the Air Force were not the remains of your loved one? Dorothy Kozeny, a 64-year-old widow from a small town in Ohio, after getting no answers from the relevant authorities, decides the only thing to do is to go to Laos herself to search for the truth concerning her son's fate. In 1990, accompanied by a trusted Laotian called Kampeng, Dorothy travels deep into the mountains of rural Laos, attempting to trace her son's path through inhospitable terrain, an unforgettable trek that provides her with a rewarding, often humorous, and at times frustrating, cross-cultural experience. All clues

lead her to a mysterious figure, an alleged CIA operative left over from the war, living in a remote and hostile area deep in the jungle. The second part of the book traces the life of this enigmatic character hiding in Laos, the two main characters linked through Dorothy's son.

W.H.O.L.E.-Women Handling The Oppositions of Life Exceptionally - Betty M. Knight
2009-11

A Call to the Black Man Give ear to what I'm about to say
What in the world happened?
It's not supposed to be this way. We fought so hard for freedom
And you have put me back in chains
Commitment, trust, seems to be bad words.
I'm in bondage to your mind
games Remember, you have a mother, sister, or daughter
But it was me you gave the ring. I have come to this conclusion
I don't need a king
TO BE A QUEEN!
I've had to raise the children alone
Like when the master sold you astray
Now I have to look for you
And again you've become a runaway
A man that can walk out on his family
Is a part of slavery's aftermath?
But enough with the dumb stuff
The past is the past. I am still that woman
Who made you feel like a man?
Now you are so out of place
Still, you want me to understand.

Another form of rejection I'm asking myself "what's wrong with me" Why am I always to blame? For your misplaced priorities? Either you get it together Either you are right or you are wrong. I can raise the children with you. I should not have to do it alone. Come inside these pages. Allow me to tailor you to fit Coming from the strength of this Whole Woman. I should not be penalized for it I'm going to speak to the Whole Man in you Like I do in our time of intimacy. That's when I give you the freedom to be you And you give me the freedom to be me. Men are checking me out "right now" Making statements and, my, how they do flatter. They ask "Why are you alone or single?" Realize! I do have a choice in the matter. I was

asked if I were to define the book WHOLE in one sentence, what would I say? "WHOLE is a groundbreaking, ground shaking, revolution that demands results!" "I recall the day as though it was yesterday. I stood in the mirror looking at a reflection of defeat never knowing if I would reach my God-ordained destiny. All my dreams, hopes, and desires devastated. I was distraught, frail, and I had gone from a size 12 to a size 6. I was beyond distressed I was destroyed. Lifelines can come in many ways. I knew I wanted and needed to come out, but I didn't know how. This is the time when I had to get real with myself and everyone else- so I threw out a lifeline. I made a simple telephone call to a friend and the Revolution began!"
