Just a French Guy Cooking - Alexis Gabriel

Aïnouz 2018-09-06

French Guy Cooking is a YouTube sensation with half a million subscribers. A Frenchman living in Paris, Alex loves to demystify cooking by experimenting with food and cooking methods to take the fear factor out of the kitchen. He wants to make cooking fun and accessible, and he charms his viewers with his geeky approach to food. In this, his debut cookbook, he shares 90 of his absolute favourite recipes, some of which feature step-by-step photography – from amazingly tasty toast and pizza ideas all the way to some classic but super-simple French dishes. Along the way, he offers ingenious kitchen hacks – a cheat's guide to wine, five knives you need in your kitchen, the secret to brilliant ramen – so that anyone can throw together great food without any fuss.

The Mission Chinese Food Cookbook - Danny Bowien 2015-11-10

From rising culinary star Danny Bowien, chef and cofounder of the tremendously popular Mission Chinese Food restaurants, comes an exuberant cookbook that tells the story of an unconventional idea born in San Francisco that spread cross-country, propelled by wildly inventive recipes that have changed what it means to cook Chinese food in America Mission Chinese Food is not exactly a Chinese

restaurant. It began its life as a pop-up: a restaurant nested within a divey Americanized Chinese joint in San Francisco's Mission District. From the beginning, a spirit of resourcefulness and radical inventiveness has infused each and every dish at Mission Chinese Food. Now, hungry diners line up outside both the San Francisco and New York City locations, waiting hours for platters of Sizzling Cumin Lamb, Thrice-Cooked Bacon, Fiery Kung Pao Pastrami, and pungent Salt-Cod Fried Rice. The force behind the phenomenon, chef Danny Bowien is, at only thirty-three, the fastest-rising young chef in the United States. Born in Korea and adopted by parents in Oklahoma, he has a broad spectrum of influences. He's a veteran of fine-dining kitchens, sushi bars, an international pesto competition, and a grocery-store burger stand. In 2013 Food & Wine named him one of the country's Best New Chefs and the James Beard Foundation awarded him its illustrious Rising Star Chef Award. In 2011 Bon Appétit named Mission Chinese Food the second-best new restaurant in America, and in 2012 the New York Times hailed the Lower East Side outpost as the Best New Restaurant in New York City. The Mission Chinese Food Cookbook tracks the fascinating, meteoric rise of the restaurant and its chef. Each chapter in the story—from the restaurant's early days, to an ill-fated trip to

China, to the opening of the first Mission Chinese in New York—unfolds as a conversation between Danny and his collaborators, and is accompanied by detailed recipes for the addictive dishes that have earned the restaurant global praise. Mission Chinese's legions of fans as well as home cooks of all levels will rethink what it means to cook Chinese food, while getting a look into the background and insights of one of the most creative young chefs today.

Nanban - Tim Anderson 2015-04-16

Former MasterChef winner Tim Anderson delivers the punchy flavours of Japanese Soul Food, from ramen to pork belly buns. Think of a bowl of ramen overflowing with toppings and texture and flavour, gyoza full of umami and spice, or meltingly soft pork belly buns.

Currently exploding on the UK scene by way of street-food, ramen bars and easy-going eateries, this is the antidote to typical Japanese restaurant cuisine. From the Sasebo Burger to Japanese twists on fried chicken the book is full of unexpected treats. There are chapters on sauces, small dishes, large dishes, grilled items, ramen, desserts and drinks; Tim explains Japanese ingredients, how to get them, and how to substitute if you can't; and he includes easy recipes for beginners as well as a couple of bigger projects for food geeks. 'Turns Japanese cuisine on its head' Stylist

Let's Make Ramen! - Hugh Amano 2019-07-16

A comic book cookbook with accessible ramen recipes for the home cook, including simple weeknight bowls, weekend project stocks, homemade noodles, and an array of delicious accompaniments, with insights and tips from notable ramen luminaries. **LONGLISTED FOR THE ART OF EATING PRIZE • NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY CHICAGO TRIBUNE • ONE OF THE YOUNG ADULT LIBRARY SERVICES ASSOCIATION'S GREAT GRAPHIC NOVELS FOR TEENS** Playful and instructive, this hybrid cookbook/graphic novel introduces the history of ramen and provides more than 40 recipes for everything you need to make the perfect bowl at home including tares, broths, noodles, and toppings. Authors Hugh Amano and Sarah Becan present colorful, humorous, and easy-to-follow comics that fully illustrate the necessary steps and ingredients for delicious homemade ramen.

Along the way, they share preparation shortcuts that make weeknight ramen a reality; provide meaty tidbits on Japanese culinary traditions; and feature words of wisdom, personal anecdotes, and cultural insights from eminent ramen figures such as chef Ivan Orkin and Ramen Adventures' Brian MacDuckston. Recipes include broths like Shio, Shoyu, Miso, and Tonkotsu, components such as Onsen Eggs, Chashu, and Menma, and offshoots like Mazemen, Tsukemen, and Yakisoba. Ideal for beginners, seasoned cooks, and armchair chefs alike, this comic book cookbook is an accessible, fun, and inviting introduction to one of Japan's most popular and iconic dishes.

Big Bowl Noodles and Rice - Bruce Cost 2010-12-14

When the first Big Bowl restaurant opened in 1997, its founding partners had one mission: to make good, authentic Asian food accessible to American diners. Tired of greasy takeout and soggy egg rolls, they created an entirely different kind of Asian menu—one based on healthy techniques, market-fresh ingredients, and vibrant, traditional flavors. From steaming bowls of handmade noodles to fiery curries and fragrant stir-fries, every dish at Big Bowl became a delicious celebration of homestyle Chinese, Vietnamese, and Thai cooking. Now Bruce Cost, the celebrated cook and a culinary partner behind Big Bowl's spectacular food, reveals how to prepare the house favorites in your own kitchen. Beginning with a basic explanation of Asian ingredients and cooking techniques, Cost's beautifully illustrated guide takes home cooks through the simple steps needed to create an Asian meal, whether it's a one-bowl dinner or a multicourse feast for family and friends. From Thai Chicken Noodle Salad to Blazing Big Rice Noodles with Beef to Shanghai Shrimp, all of Cost's recipes are incredibly flavorful yet easy enough for even the beginning cook to master. The instructions are clear, the ingredients are widely available, and the results are dramatic and delicious. So if you think Asian food at home means little white boxes, think again. *Big Bowl Noodles and Rice* will show you how to bring the fresh, authentic flavors of Asia to your table any night of the week. Hailed by

Alice Waters as "one of the greatest cooks I have ever known," Bruce Cost is an award-winning restaurateur and chef, cooking teacher, and former food columnist for the San Francisco Chronicle. He currently serves as the culinary partner in Lettuce Entertain You's immensely popular chain of Big Bowl restaurants. Cost is also the author of *Asian Ingredients*, a comprehensive guide to Asian foodstuffs now available as a companion to this book.

Ramen Obsession - Naomi Imatome-Yun
2019-10-29

"A master class in the art of ramen, this comprehensive book provides a fascinating overview of the global history and culture of the dish, from its early start to modern-day interpretations. *Ramen Obsession* will also teach you how to make a wide array of ramen broths, salty tare sauces, aromatic oils, authentic noodles, and vibrantly assorted toppings--all from scratch"--

Ivan Ramen - Ivan Orkin 2019-09-19

In 2007, Ivan Orkin, a middle-aged Jewish guy from Long Island, did something crazy. In the food-zealous, insular megalopolis of Tokyo, Ivan opened a ramen shop. He was a gaijin (foreigner), trying to make his name in a place that is fiercely opinionated about ramen. At first, customers came because they were curious, but word spread quickly about Ivan's handmade noodles, clean and complex broth, and thoughtfully prepared toppings. Soon enough, Ivan became a celebrity - a fixture of Japanese TV programmes and the face of his own best-selling brand of instant ramen. Ivan opened a second location in Tokyo and has returned to New York City to open two US branches. *Ivan Ramen* is essentially two books in one: a memoir and a cookbook. In these pages, Ivan tells the story of his ascent from wayward youth to a star of the Tokyo restaurant scene. He also shares more than forty recipes, including the complete, detailed recipe for his signature Shio Ramen; creative ways to use extra ramen components; and some of his most popular ramen variations. Written with equal parts candour, humour, gratitude and irreverence, *Ivan Ramen* is the only English-language book that offers a look inside the cultish world of ramen making in Japan. It will inspire you to forge your own path, give you insight into Japanese culture, and leave

you with a deep appreciation for what goes into a seemingly simple bowl of noodles.

My Asian Kitchen - Jennifer Joyce 2018-07-25
Jennifer Joyce: Jennifer Joyce is a successful American food writer, stylist and chef living in London. Her ten cookbooks, written for the US and UK markets, create mouth-watering dishes that are brought to life in stunning photographs. Jennifer is a regular contributor to UK publications including *Olive*, *BBC Good Food*, *The Guardian* newspaper and *Waitrose Kitchen* magazine. She runs cooking classes at London's Divertimenti as well as Leith's School of Food and Wine and has appeared in TV shows such as *Good Morning America* and *Good Food Live*. A modern Asian cookbook: Now, Jennifer Joyce shows how easy it is to create zingy, fresh, healthy Asian flavours at home. From grilled sticky skewers and steak tacos, salads, rice bowls and dumplings, to prawn katsu bao and miso-glazed ribs, *My Asian Kitchen* is an adventure in the dazzling diversity of modern Asian cooking. Bao buns, pho, sushi, poke bowls, gyoza, ramen and kimchi: Jennifer's exquisitely simple recipes, no-nonsense explanation of ingredients, hand-drawn diagrams and beautiful photographs are all you need to start cooking in your very own Asian Kitchen. If you are a fan of Asian cookbooks such as *Asian After Work*, *Complete Asian Cookbook*, *Thai Street Food*, *Lucky Peach* or David Chang's *Momofuku* you will love creating your own mouth-watering Asian dishes with Jennifer Joyce's *My Asian Kitchen*.

Takashi's Noodles - Takashi Yagihashi
2011-06-22

A collection of 75 recipes from James Beard Award-winning chef Takashi Yagihashi for both traditional and inventive hot and cold Japanese noodle dishes. Combining traditional Japanese influences, French technique, and more than 20 years of cooking in the Midwest, James Beard Award-winning chef Takashi Yagihashi introduces American home cooks to essential Japanese comfort food with his simple yet sophisticated recipes. Emphasizing quick-to-the-table shortcuts, the use of fresh and dried packaged noodles, and kid-friendly dishes, Takashi explains noodle nuances and explores each style's distinct regional identity. An expert guide, Takashi recalls his youth in Japan and

takes cooks on a discovery tour of the rich bounty of Japanese noodles, so readily accessible today. Takashi's exuberance for noodles ranging from Aje-Men to Zaru is sure to inspire home cooks to dive into bowl after soothing, refreshing bowl. "A wonderfully talented chef." --Chef Eric Ripert "Noodle fans with a stocked pantry will find plenty to slurp about." --Publishers Weekly [Ramen Otaku](#) - Sarah Gavigan 2018-11-13

A guide to ramen for the home cook, from the chef behind the beloved shop Otaku Ramen. Sarah Gavigan is otaku. Loosely translated, she's a ramen geek. During her twenty years working in film production and as a music executive in L.A., Gavigan ate her way through the local ramen spots, but upon moving back to her native Nashville, she found she missed the steaming bowls of ramen she used to devour. So she dedicated herself to mastering the oft-secretive but always delicious art of ramen-making and opened her own shop within a few years. An Italian American born and raised in the South, Gavigan is an unlikely otaku. While her knowledge of ramen is rooted in tradition, her methods and philosophies are modern. Though ramen is often shrouded in mystery, Gavigan's 40+ recipes are accessible to the home cook who wants to learn about the cuisine but would sometimes rather make a quick stock in a pressure cooker than labor over a vat of liquid for twenty-four hours. [Ramen Otaku](#) strips the mystique from ramen while embracing its history, magic, and rightful place in the American home kitchen.

Operation Blue Star - K. S. Brar 1993
Operation Blue Star Is One Of The Most Controversial, Hotly-Debated Military Operations In The World And A Turning Point In Contemporary Indian History. This Is An Account By The Army Officer Who Led It -- Touchingly Honest, Often Anguished, Minutely Detailed. It Hides Nothing -- Not The Unexpected Reverses Suffered By The Army, Nor Its Miscalculations, Nor The Grit And Determination Of The Militants It Was Assigned To Flush Out.

The Gaijin Cookbook - Ivan Orkin 2019
Japanese cooking for the American home from Ivan Orkin, Chef's Table sensation and "ramen genius" (Food & Wine)

Japanese Soul Cooking - Tadashi Ono

2013-11-05

A collection of more than 100 recipes that introduces Japanese comfort food to American home cooks, exploring new ingredients, techniques, and the surprising origins of popular dishes like gyoza and tempura. Move over, sushi. It's time for gyoza, curry, tonkatsu, and furai. These icons of Japanese comfort food cooking are the hearty, flavor-packed, craveable dishes you'll find in every kitchen and street corner hole-in-the-wall restaurant in Japan. In [Japanese Soul Cooking](#), Tadashi Ono and Harris Salat introduce you to this irresistible, homey style of cooking. As you explore the range of exciting, satisfying fare, you may recognize some familiar favorites, including ramen, soba, udon, and tempura. Other, lesser known Japanese classics, such as wafu pasta (spaghetti with bold, fragrant toppings like miso meat sauce), tatsuta-age (fried chicken marinated in garlic, ginger, and other Japanese seasonings), and savory omelets with crabmeat and shiitake mushrooms will instantly become standards in your kitchen as well. With foolproof instructions and step-by-step photographs, you'll soon be knocking out chahan fried rice, mentaiko spaghetti, saikoro steak, and more for friends and family. Ono and Salat's fascinating exploration of the surprising origins and global influences behind popular dishes is accompanied by rich location photography that captures the energy and essence of this food in everyday life, bringing beloved Japanese comfort food to Western home cooks for the first time.

Pickles, Pigs & Whiskey - John Currence
2013-10-01

The James Beard Award-winning chef shares stories of Southern life and recipes from his renowned Mississippi restaurants in this illustrated cookbook. In this irreverent yet serious look at contemporary Southern food, Chef John Currence shares 130 recipes organized by 10 different techniques, such as Simmering, Slathering, Pickling, and Smoking, just to name a few. Then John spices things up with colorful stories of his upbringing in New Orleans, his time living in Europe, and more—plus insightful reflections on today's Southern culinary landscape. [Pickles, Pigs & Whiskey](#) features John's one-of-a-kind recipes for Pickled Sweet Potatoes, Whole Grain Guinness
