A History of Sussex - Philip Payton 2017-09-20

Report (and Abstracts of Proceedings and Papers) of the Brighton and Sussex Natural History and Philosophical Society: Twenty-Second - Twenty-Fourth - Brighton and Sussex Natural History and 2018-02-20
This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The History of Chichester - Alexander Hay 1804

A History of the Western Division of the County of Sussex - James Dallaway 1815

Natural History of Sussex - Edward Christopher Mount Haes 1977

Cowfold - Michael Burt 2015-10-07

Cowfold: the history of a Sussex village is a detailed account of the over 780 year life of the village, from very earliest times to the present day. Equally it is the story of the people who have lived in and around the village and have made it what it is today. Cowfold village has never been the subject of startling or momentous historical events. Rather it is a typical Sussex village where life has followed a well-defined, familiar and easy pattern over the centuries of its existence; that is the village's charm and its legacy. This book records Cowfold's history through pictures, photographs, and the charming memories of a number of those who have witnessed, as school children and adults, the changes to village life over the last 90 years. It chronicles the development of the village from a small settlement in a clearing in surrounding dense woodland (the origin of the name "Cowfold"), through the emerging village growing up around its Church and heavily influenced by the surrounding farms and nearby manors, to the self-sustaining community of the 19th and early to mid-20th century, and to the diverse and thriving village of today. This book is a tribute to, and legacy of, that development and those people, past and present.

Minutes of the Ordinary Meeting at the Commencement of the Autumn Session - Brighton and Sussex Natural History Society 1883

A History of Sussex - Jack Roy Armstrong 1995

Sussex has become synonymous with its first inhabitant, 'Boxgrove Man', but it was fashioned by the Romans, invaded by the Saxons, and became a strategic defence. It achieved its greatest importance with the Normans who made it the main highway from England to the Continent. "The volume rapidly achieved classic status ... first choice for students of Sussex history and the essential companion for all visitors ..." Chichester Observer

The Natural History of the South Downs National Park - Robin Crane 2013-06-01
