All the Single Ladies Rebecca Traister 2016-10-11 "Today, only twenty percent of Americans are wed by age twenty-nine, compared to nearly sixty percent in 1960. The Population Reference Bureau calls it a 'dramatic reversal.' [This book presents a] portrait of contemporary American life and how we got here, through the lens of the single American woman, covering class, race, [and] sexual orientation, and filled with ... anecdotes from ... contemporary and historical figures"--

Freedom in the World 2007 Freedom House 2007 Freedom in the World, the Freedom House flagship survey whose findings have been published annually since 1972, is the standard-setting comparative assessment of global political rights and civil liberties. The survey ratings and narrative reports on 193 countries and a group of select territories are used by policy makers, the media, international corporations, and civic activists and human rights defenders to monitor trends in democracy and track improvements and setbacks in freedom worldwide. Press accounts of the survey findings appear in hundreds of influential newspapers in the United States and abroad and form the basis of numerous radio and television reports. The Freedom in the World political rights and civil liberties ratings are determined through a multi-layered process of research and evaluation by a team of regional analysts and eminent scholars. The analysts used a broad range of sources of information, including foreign and domestic news reports, academic studies, nongovernmental organizations, think tanks, individual professional contacts, and visits to the region, in conducting their research. The methodology of the survey is derived in large measure from the Universal Declaration of Human Rights, and these standards are applied to all countries and territories, irrespective of geographical location, ethnic or religious composition, or level of economic development.

Time Between Us Tamara Ireland Stone 2012-10-25 Anna and Bennett were never supposed to meet. Why would they? Anna's a sixteen-year-old in 1995, fiercely determined to secure a running scholarship so she can leave her quiet, dull town and finally travel the world. Bennett's a seventeen-year-old in 2012, living in San Francisco and trying to control his ability to travel through time - an incredible gift, but also an unpredictable curse, which constantly threatens to separate him from the people he loves. When a minor lapse in judgment puts his sister Brooke in danger, Bennett finds himself two thousand miles and seventeen years away - in Anna's world. As he searches for Brooke, Bennett is strangely and inescapably drawn to Anna, who feels sure she's seen him somewhere before. Through the gorgeous, mysterious newcomer, able to travel anywhere in a split second, Anna visits deserted tropical beaches and stunning mediterranean coastlines for the first time, and they can't help falling for one another. But they both know, deep down, that it can never last. For no matter how desperate Bennett is to stay with Anna, his uncontrollable condition will inevitably knock him right back to where he belongs - and Anna will be left to pick up the pieces.

The ideology of the extreme right Cas Mudde 2013-07-19 This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. This book provides a comprehensive and detailed analysis of the five main parties of the extreme right in the Netherlands (Centrumdemocraten, Centrumpartij), Belgium (Vlaams Blok), and Germany (Die Republikaner, Deutsche Volksunion). Using primary research — including internal party documents — it concludes that rather than right-wing and extremist, the core ideology of these parties is xenophobic nationalist, including also a mix of law and order and welfare chauvinism. The author's research and conclusions have broader implications for the study of the extreme-right phenomenon and party ideology in general.

Sunset Song Lewis Grassic Gibbon 2013-06-15 Faced with the choice between her harsh farming life and the seductive but distant world of books and learning, the spirited Chris Guthrie decides to remain in her rural community. Brutal and beautiful, passionate and powerful, *Sunset Song* is a moving portrait of a declining way of life and an inspirational celebration of the human spirit. And in Chris Guthrie, Grassic Gibbon has given us one of literature's most unforgettable heroines.

Best Served Cold Christina Engela 2020-04-13 Revenge. Getting even. Fighting back. Whatever it's called, it's supposed to warrant two graves - or at least, that's how one old saying went - usually, in the case of mere mortal Human beings. In the case of the Human race as a whole, it was less about that and more about survival. Having just survived the Big Nuke twenty years before, a recovering Earth just beginning to reap the rewards of interplanetary colonization was suddenly attacked by an alien race that didn't communicate, didn't negotiate - and seemed absolutely intent on taking the entire solar system for itself. The only option the war-weary people of Earth, Mars and Luna had, was to beat their plough-shares back into swords - and fight back! In the first six months, the best the fledgling Earth Defense Fleet could manage, was to push the savage Gimp back to the asteroid belt. For four long years since then, it was all they could do to maintain the stalemate, with each side waiting for the other to make a fatal mistake. Sooner or later the war would end, one way - or the other. For Alex Nikolls, a pilot fighting in the blackness of space on an almost daily basis, it couldn't come soon enough! For Francis Talon - Commander In Chief of a strike force intended to bring the aliens to their knees, it was the culmination of a journey of self-glorification and ambition leading all the way back to the L.A. mafia and the killing of Marian Mureau's parents. For Marian Mureau, it meant more than just the end of the war - it signified the end of a life-long vendetta!

Kings of Quarantine Caroline Peckham 2022-09-16 Cruel. Heartless. Quarantined. The ruthless boys of Everlake Prep never saw lockdown coming. But the virus isn't their number one enemy. I am. And as if being confined to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts, they may also be the most tempting creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my life a living hell. As the virus sweeps through the country and the world twists into something ugly and unknown, the kings of this school become true monarchs. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart. At least there's a silver lining. I'm cosying up to Coach Monroe. My hot as hell, brooding P.E. teacher who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these heartless fiends. I might even destroy them along the way. My father taught me how to be strong. How to prepare for the end of the world. So this isn't going to be the end of my world, mark my words. But if I'm able to use my mind and body to bring these assholes to their knees, it might just be the end of theirs. This is a high school bully romance series where the main character will end up with more than one love interest. It may have triggers for some as it has off the charts angst, dark love-hate themes, scenes of intense bullying and some violence (not aimed towards the main character) and is not for the faint of heart. Prepare to enrol at Everlake Prep. Bring your hand sanitiser, face masks and toilet paper to barter with, but don't expect to hold onto them for long. Because it's time to go into quarantine with the Night Keepers. And everything you own now belongs to them.

Anne Rice's compulsively readable novel is arguably the most celebrated work of vampire fiction since Bram Stoker's Dracula was published in 1897. When Interview with the Vampire was originally published the Washington Post said it was: called Interview with the Vampire a 'thrilling, strikingly original work of the imagination . . . sometimes horrible, sometimes beautiful, always unforgettable'. Now, more than forty years since its release, Anne Rice's masterpiece is more beloved than ever.

The Chicken Qabalah of Rabbi Lamed Ben Clifford Lon Milo DuQuette 2010-07-01 A unique and humorous -- and also practical -- approach to the increasingly popular study of Qabalah. This is a seriously funny book! Traditional Qabalistic (or Cabalistic, or, indeed, Kabbalistic -- read this book to find out what the difference is...we know you've always wondered) sources tend to be a bit, er, dry. DuQuette spices up the Qabalah and makes it come alive, restoring the joy of learning the fundamentals of this admittedly arcane system by using simple, amusing anecdotes and metaphors. This account, written pseudepigraphically (fictitiously attributed to a supposed authority), allows DuQuette as Rabbi Lamed Ben Clifford to soar to outrageous heights and, when necessary, stand apart from the silliness to highlight the golden eggs of Qabalistic wisdom nested therein. Sure to be a revelation to those who think that learning about the Qabalah needs to be tedious and serious, DuQuette shows that great truths can be transmitted through the medium of laughter.

The Report of the Hillsborough Independent Panel Hillsborough Independent Panel 2012-09-12 96 women, men and children died as a result of the disaster in Hillsborough Stadium on 15 April 1989. They were crushed due to overcrowding in the Leppings Lane terrace, penned in by the ground's fencing. Hundreds more were injured and thousands traumatised. Lord Justice Taylor led a judicial inquiry (1990, Cm. 962, ISBN 9780101096225), concluding that the main cause of the disaster was the failure of police control. The next 11 years saw a variety of investigations and proceedings, including a scrutiny of new evidence (Lord Justice Stuart-Smith, 1998, Cm. 3878, ISBN 9780101387828). Yet many bereaved families felt that the true context, circumstances and aftermath had not been adequately made public, and were particularly aggrieved that it had become widely assumed that Liverpool fans' behaviour had contributed to the disaster. The Independent Panel was established in 2010 to oversee full public disclosure of all documents relating to the disaster and to report on its work. This report is in three parts. Firstly it shows what was already known and in the public domain by 2010. Secondly, in 12 detailed chapters, it describes what the disclosed documents add to public understanding. The third part gives a review of options for providing an archive of the documents. The disclosed documents (available at <http://panel.hillsborough.independent.gov.uk/>) add considerably to public understanding. They show that multiple factors were responsible for the tragedy and that the fans were not the cause. The report also shows that the bereaved families met a series of obstacles in their search for justice over more than 20 years.

The Radetzky March Joseph Roth 2000-12-07 Strauss's Radetzky March, signature tune of one of Europe's most powerful regimes, presides over Joseph Roth's account of three generations of the Trotta family in the years preceding the Austro-Hungarian collapse in 1918. Grandfather, son and grandson are equally dependent on the empire: the first for his ennoblement; the second for the civil virtues that make him a meticulous servant of an administration whose failure he can neither comprehend nor survive; the third for the family standards of conduct which he cannot attain but against which he is too enfeebled to rebel.
