Sex, Youth, and Sex Education - David Campos 2002-04-23

An authoritative reference that discusses the history of sex education and its ramifications in the United States. Community and school officials, parents, and educators often stay to the wee hours of the night at PTA meetings arguing about sex education and sexual behavior among young people. While some groups preach abstinence and attempt to sign as many youngsters as possible to their rosters, it remains a fact that 50 percent of U.S. teenagers, beginning at age 15, are sexually active. *Sex, Youth, and Sex Education* is a wonderfully crafted resource that gives not only a statistical overview of sexual activity in schools, but also examines sex education, the scourge of sexual violence in schools, and sexuality among selected groups of youngsters. What emerges is a groundbreaking work for educators and students of sociology, psychology, and education. This work brings to light the fascinating—not to mention ubiquitous—world of sexuality among today's youth and its impact on parents, school personnel, policymakers, and society.

Sex Education in Schools and Youth Organisations - Great Britain. Board of Education 1943

Sex Goes to School - Susan K. Freeman 2010-10-01

When seeking approaches for sex education, few look to the past for guidance. But Susan K. Freeman's investigation of the classrooms of the 1940s and 1950s offers numerous insights into the potential for sex education to address adolescent challenges, particularly for girls. From rural Toms River, New Jersey, to urban San Diego and many places in between, the use of discussion-based classes fostered an environment that focused less on strictly biological matters of human reproduction and more on the social dimensions of the gendered and sexual worlds that the students inhabited. Although the classes reinforced normative heterosexual gender roles that could prove repressive, the discussion-based approach also emphasized a potentially liberating sense of personal choice and responsibility in young women's relationship decisions. In addition to the biological and psychological underpinnings of normative sexuality, teachers presented girls' sex lives and gendered behavior as critical to the success of American families and, by extension, the entire way of life of American democracy. The approaches of teachers and students were sometimes predictable and other times surprising, yet almost wholly without controversy in the two decades before the so-called Sexual Revolution of the 1960s. *Sex Goes to School* illuminates the tensions between and among adults and youth attempting to make sense of sex in a society that was then, as much as today, both sex-phobic and sex-saturated.

Has Sex Education Failed Our Teenagers? - Dinah Richard 1990

A study of the effects of sex education on the rates of teenage pregnancy, sexually transmitted diseases, and abortions.

The Girls' Guide to Sex Education - Michelle Hope 2018-02-20

When it comes to sex education, parents of adolescent girls often know just as little about where to start as girls themselves. Even the mention of sex education or puberty can make everyone feel uncomfortable, nervous, or insecure. In *The Girls' Guide to Sex Education*, award-winning youth sex education expert Michelle Hope offers down-to-earth, supportive sex education guidance as she addresses the most pressing questions that girls have about sex, puberty, and relationships—directly and without judgment. *The Girls' Guide to Sex Education* will arm girls with a complete understanding of their body and, as a result, will empower them to make informed, healthy decisions.

Sex Facts and Attitudes - Marion O. Lerrigo 2016-01-11

Sex Facts and Attitudes is a five-chapter text that discusses the physical and emotional aspects of sex addressed to all adults who have any responsibility for the sex education of children or youth. Chapter 1 describes the interrelationship between sex education, attitude, love, and experience. Chapter 2 surveys the capacity or "assets" of adults to relate sex education to young ones. This chapter focuses on the influence of adult's emotion and experiences in giving sex advice. Chapter 3 discusses some basic facts about human reproduction, conception, pregnancy, and birth, while Chapter 4 describes the stages of physical growth and sexual development. Chapter 5 emphasizes the significance of open family communication in learning about sex. This book is of great value to experts and non-experts in the field of sex education.

Sex Education - Maureen C. Kenny 2014

This is a contemporary book that addresses global issues in adolescent sexuality education. With chapters from international experts in sexuality, this book provides comprehensive coverage of issues including effective sexuality education, abstinence programs, and risk prevention efforts, drawing on research currently being conducted in schools and agencies across the globe. Emphasising "developmentally appropriate sex education", readers will learn about adolescents' preferences for sources of sex education, as well as the timing and topics that are critical to include. Given an increasing use of social media and technology by teens, the book addresses the intersection of sexuality and technology. This includes topics such as sexting and on line victimisation, and youth exposure to sexually explicit on line material. Strategies for both school and parents to implement to safe guard their youth are provided. With the wealth of knowledge from the international contributors to this book, culture and diversity are addressed throughout but especially in chapters on gender expansiveness, sexual minority youth, and youth with disabilities. Recommendations are made for how schools can implement sex education with adolescents in a way that will be meaningful and effective. Adapting evidenced based curriculum to local settings, as well as conducting evaluations is addressed so that program planners can

ensure adolescents are receiving accurate and comprehensive knowledge and skills to make informed decisions. The latter part of this book addresses the issue of the training that is required of teachers who implement sexuality curriculums. In order for programs to be successful, those who deliver them need proper training and support. Readers of this book are sure to gain essential knowledge necessary to design, implement and evaluate inclusive and effective sexuality education with a large range of youths.

Sex Education: The Road Trip - Katy Birchall 2021-09-02

The only official SEX EDUCATION novel. When the screen binge is over, return to the world of Moordale with a brand-new story featuring the show's most popular characters Maeve gets an unexpected call from her brother Sean. It's no surprise to her that he is in trouble again. But she's the only family he's got, so she must saddle up and ride to the rescue. Or at least, scrounge a lift from Aimee and drive there Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent socialites who have now accused him of a crime. The evidence against him is pretty damning. Trying to clear his name, Maeve and friends integrate themselves into the rich kids' circle - it's time to go undercover. Thanks to Eric's dance floor moves, Aimee's easy charm and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This standalone YA/crossover story has everything fans love about the show: favourite characters with real emotional depth, no-holds-barred honesty about teenage relationships, brilliant humour and a great new storyline, plus a compelling whodunnit at its heart. NO spoiler alerts here - the book is a brand-new story that complements but doesn't reveal the TV show.

Great Relationships and Sex Education - Alice Hoyle 2019-11-26

Great Relationships and Sex Education is an innovative and accessible guide for educators who work with young people to create and deliver Relationships and Sex Education (RSE) programmes. Developed by two leading experts in the field, it contains hundreds of creative activities and session ideas that can be used both by experienced RSE educators and those new to RSE. Drawing on best practice and up-to-date research from around the world, Great RSE provides fun, challenging and critical ways to address key contemporary issues and debates in RSE. Activity ideas are organised around key areas of learning in RSE: Relationships, Gender and Sexual Equality, Bodies, Sex and Sexual Health. There are activities on consent, pleasure, friendships, assertiveness, contraception, fertility and so much more. All activities are LGBT+ inclusive and designed to encourage critical thinking and consideration of how digital technologies play out in young people's relationships and sexual lives. This book offers: Session ideas that can be adapted to support you to be creative and innovative in your approach and that allow you to respond to the needs of the young people that you work with. Learning aims, time needed for delivery, suggested age groups to work with and instructions on how to deliver each activity, as well as helpful tips and key points for educators to consider in each chapter. Activities to help create safe and inclusive spaces for delivering RSE and involve young people in curriculum design. A chapter on 'concluding the learning' with ideas on how to involve young people in evaluating and reflecting on the curriculum and assessing their learning. A list of recommended resources, websites, online training courses and links providing further information about RSE. With over 200 activities to choose from, this book is an essential resource for teachers, school nurses, youth workers, sexual health practitioners and anyone delivering RSE to young people aged 11-25.

Young People's Views on Sex Education - Lynda Measor 2000

Britain has the highest rate of teenage pregnancy in Western Europe. The authors in this fascinating book look at the views and values of young people on the subject and the development of policy and practice in sex education.

Sexual Subjects - L. Allen 2005-09-08

Educating young people about sex and sexuality remains one of the most controversial and political areas of the school curriculum. Drawing on young people's own understandings of their sexual selves, knowledge and practices Sexual Subjects considers the implications for how we conceptualize the effectiveness of sexuality education. Reshaping thinking around youthful (hetero)sexualities Sexual Subjects challenges current approaches to teaching about sex and sexuality.

Sex Ed - School of Sexuality Education 2021

A positive, practical and empowering guide for teenagers, tackling sex and relationships in an inclusive and non-judgemental way ? created by

the winners of the Pamela Sheridan Award for Innovation and Good Practice in RSE. Written and illustrated by the award-winning team at The School of Sexuality Education, who deliver expert workshops for teenagers, here is advice, reliable information and reassurance on sex and relationships... Covering key topics including consent and healthy relationships, sexuality and different kinds of sex, puberty and periods, contraception, porn and sexting, and much more besides! This book is not only full of advice for teenagers but a brilliant tool for their parents, carers and teachers, supporting all of the new RSE curriculum content (in the wake of recent updates) as well as answering FAQs and busting some popular myths along the way. Publishing after major updates to the national Relationships and Sex Education curriculum, as well as calls for widespread, high-quality sex education in the wake of the #MeToo movement and Everyone's Invited.

Exploring Contemporary Issues in Sexuality Education with Young People - Kathleen Quinlivan 2018-10-12

This book explores contemporary issues in sexuality and relationship education for young people. Drawing upon rich empirical and ethnographic research undertaken with students and teachers in secondary schools, the author asks how school-based sexuality education can better equip young people to engage with contemporary social, political and cultural sexuality and relationships issues. Creatively working across both theoretical and practical contexts, this accessible work suggests approaches to sexuality and relationships education that can build upon the ways in which young people are developing a sense of identity; the ultimate aim being to help them to meet their emotional, spiritual and relational potential. Challenging established approaches to sexuality education, this thought-provoking book shines a new light on alternative perspectives that can help make sexuality and relationships education more relevant and meaningful for young people in a rapidly changing world. This volume will be of interest and value to students and scholars of sexuality and relationship education, as well as practitioners.

Sexualerziehung / USA (1892-1979).

International technical guidance on sexuality education - UNESCO 2018-01-15

Educating Young People About Pornography - Vanessa Rogers 2022-06-21

At a time when pornography is more accessible than ever and many young people are inadvisably turning to pornography to learn about sex and relationships, this book explores what pornography is, the politics behind pornography, how it can affect both sexual and non-sexual relationships and the effects of pornography on mental health. The book also covers the important wider topics of the making and sharing of inappropriate images and over exposure to porn contributing to what is becoming known as 'rape culture'. It includes full lesson plans, activities, photocopiable materials and clear information on how to implement the programme, including outlines for staff CPD sessions and parent workshops. This book will be vital for PSHE teachers, senior leadership teams, pastoral care teams, school counsellors, youth workers, school nurses, and anyone who might be involved in sex education provision for young people.

A Guide for Christian Sex Education of Youth - Thomas Edwards Brown 1968

Sex Ed for Grown-Ups - Jonny Hunt 2021-09-23

When it comes to talking to children and young people about sex and relationships, it is difficult to know what to say. How do you answer their questions? How much is too much? And what is age appropriate? Sex Ed for Grown-Ups is an open and honest guide that empowers adults to talk to young people about all things sex and relationships. Written by an independent relationships and sex education consultant, this light-hearted and accessible book encourages grown-ups to think and talk about the topics that scare them the most: from body parts, gender, puberty and first-time sex, to pornography, sexting and knowing what to do when things go wrong. Full of hints, tips and first-hand stories, it is a fun, compassionate and engaging exploration of relationships and sex, which will help adults to fully support young people as they develop a healthy view of both sex and themselves. Sex Ed for Grown-Ups is essential reading for parents, teachers, youth workers, social workers and any adult who wants to have well-informed and positive conversations with the children and young people in their lives.

In the Shadows - Genaro Castro-Vázquez 2007

This book illustrates how young Japanese males perform their gender identity and sexuality. It comprises a comprehensive theoretical and practical reading of sexuality education as well as a comparative analysis that brings about a global perspective of the current issues concerning disease, sex, gender, and education for young people. An important resource for Japan specialists, this study will also be valuable for scholars in sociology, education, gender studies, and psychology.

Understanding Sex and Relationship Education, Youth and Class - S. Elley 2013-10-04

This book sets out an original Youth Work-based SRE programme and explores how a range of socioeconomic, cultural and sexual norms, values and attitudes differently shape decision-making on sex, intimacy and future plans across different contexts.
