Fierce Feminine Rising Anaiya Sophia 2020-01-07 A guide for embodying the courage of the Fierce Feminine, or Dark Mother, to heal yourself and the world at large • Describes how to embody the sacred rage of the Fierce Feminine and channel the universal outrage collectively rising in many of us to seek justice for those who can't defend themselves • Details constructive energetic and spiritual practices to help heal from predatory relationships and traumatic experiences, recenter your personal power, and gain control of your sacred rage rather than allowing it to control you • Explains how to gain access to primordial female wisdom within the brain, embrace your inner Kali, and personally deal with sorrow and anger • Includes access to online audio tracks After millennia of suppression, the Fierce Feminine, or Dark Mother, is making a dramatic resurgence to express our universal outrage. She is rising collectively now, and many women--and men--are feeling a welling up of sacred rage inside, a calling to set things right in our own lives and seek justice for those who can't defend themselves. Offering much-needed perspective, advice, and tools for channeling the righteous energy and sacred rage of the Divine Feminine, Anaiya Sophia explains how to distinguish the Fierce Feminine from personal anger and reveals how it is not a feminist movement set to publicly condemn all that is masculine but a collective spiritual uprising for the greater good of humanity. She shares constructive practices drawn from Eastern tradition to help you embody the courage of the Fierce Feminine to heal from predatory relationships and traumatic experiences,

recenter your personal power, and gain control of your sacred rage rather than allowing it to control you. She details sacred sexuality exercises, including those with a yoni egg to clear the womb after lovemaking and dispel any energetic imprint left by an ex-partner. She provides instructions to gain access to the primordial wisdom within the untapped portion of the female brain, embrace your inner Kali, and personally deal with sorrow and anger. Through this passionate step-by-step guide to comfort your spiritual anguish and dispel the helplessness of not knowing what to do, Anaiya Sophia encourages those who feel the call of the Fierce Feminine to embrace their sacred mission and allow it to rebalance the powers that govern the planet as well as harmonize our minds. When we allow the justice of the Fierce Feminine to flow within us, we each become an active participant in the embodiment of change.

Working again with several gifted mediums and channels, and this time incorporating the *Between Lives Soul Regressions* he does as a skilled hypnotist, Schwartz brings forth great wisdom and love from "the other side" to explain why we plan such experiences before we are born. Through the stories in *Your Soul's Love* you can: -Cultivate greater love and respect for both your partner and yourself -Empathize more deeply with your partner -Forgive your partner and yourself for any pain caused, thus healing your relationship -See how your romantic relationship fosters your and your partner's evolution -Replace resistance and suffering with abiding joy and peace

Yoga of Heart Mark Whitwell 2004 Truth is not something we have to seek out. It is not something

that is absent and far away, requiring great effort to find. Truth is present within you as the Life that is you. In Yoga of Heart, Los Angeles-based yoga instructor Mark Whitwell takes us back to the time when yoga was first developed--to the shamanic past of the Upanishads, when yoga was practiced as a means of acknowledging, enjoying, and participating in the very source of Life. Whitwell explores the deeper tantric dimensions of hatha yoga--how yoga's purpose is to link the mind to the wonder of our own condition. He shows how hatha yoga is participation in life's polarities already in union--through the male surrender to the female principle. Yoga of Heart shows how we can forge that union of polarities within our body: above and below, front and back, left and right, male and female. Yoga of Heart focuses especially on clearing the energy centers and meridians, fostering dynamic health and allowing practitioners to create a deeper intimacy with both their partners and the energetic life forces in the universe.

Page 2012-11-16 How to enhance well-being by reconnecting to sacred womanhood • Shares ways to embody the power, wisdom, and compassion of the Great Mother • Reveals a woman's purpose is to give birth not only to new life but also to new levels of consciousness • Shows how female illnesses represent a disconnection from our true identity as women Four thousand years ago, women were seen as living representatives of the Great Mother, whose cyclical and potent energy gave birth to all existence. Today, this sacred awareness has been lost or distorted, causing a collective amnesia among women around the world. However, there is one symbol of the Great Mother's loving presence that has remained unchanged for tens of thousands of years: the physical body. Its curves, sensuality, softness, and monthly flow are constant reminders of this deep loving connection. When illness appears, especially within the breasts and fertility organs, a woman is being reminded to return to her pure and sacred identity, where death and birth are essential for growth and love flows without expectations. Combining more than 30 years' experience in health care with in-depth research into the history and mythology of the divine feminine, Christine R. Page, M.D., reveals that women are the foundation of the birth of new levels of consciousness, without which the evolution of humanity will become barren and dry. Yet, such birth can occur only when women have the courage to reject the beliefs and images of the feminine imposed upon them four thousand years ago and reclaim their true identity. Through a fascinating journey into the body, Dr. Page shows the importance of self-love and self-respect and explains how sex is a natural process of unification where women take the lead, similar to the ancient sacred priestesses. Dr. Page reminds women to reconnect to the potent and creative energy of Mother Earth, which gives power to the intuitive voice of the heart and nurtures new seeds of

inspiration and enlightenment through the womb.

The Pleasure Plan Laura Zam 2020-05-05 "Fifty percent of adult women have some form of sexual dysfunction at some point of their lives, preventing them from enjoying soul-satisfying sex. Such was the case with Laura Zam, who suffered the blame, shame, and embarrassment of being a terrible lover. For her, sex meant physical pain, zero desire, and emotional scars from being molested in her early years. However, in her late forties, after meeting and marrying the love of her life, Zam was determined to finally fix her sensual self. The Pleasure Plan is what happened when she decided to challenge her hopelessness. In partnership with her initially reluctant husband, she visited a variety of healers and tried an array of pleasure-enhancing methods: from dilators and dildos, to hypnosis and hosting a sex brunch, to cleansing chakras, to making love to her husband in front of a geriatric Tantric goddess. Packed with humor, heart, and a healthy dose of prescriptive advice, this book chronicles Zam's insight as she confronts many issues--from mismatched libidos to female erection enlightenment. Throughout this journey, she and her husband grow as individuals and as a couple, both in and out of the bedroom"--

Ascension and Romantic Relationships Joshua David Stone 2000-01-01 This book is a sequel to the first two. It contributes an added dimension to my earlier information. Sedona seems to reflect the best qualities, or perhaps I should say "combined" qualities, the essences and elements, of the

Great Pyramids, Glastonbury, Stonehenge, Ayers Rock, Mount Shasta, the South American Pyramids, Peru, Tibet, Nepal, India, Lourdes, and many other power places around the world. How can I make such a claim? For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious places. Through these travelers, I have learned that there is simply no other place like Sedona.

Enchanted Love Marianne Williamson 2013-12-17 Three of Marianne Williamson's previous bestsellers -- A Return to Love, A Woman's Worth, and Illuminata -- explored the issue of relationships. Now, in this deeply personal collection of essays, prayers, and self-reflection, she turns to romantic love. In Illuminata, Williamson wrote that "we experience God to the extent to which we love, forgive, and focus on the good in others and ourselves." Now, in Enchanted Love, she writes that "enchanted partnership begins with the conscious understanding, on the part of two people, that the purpose of their relationship is not so much material as spiritual, and the internal skills demanded by it are prodigious." High romance, she says, "is not about past or future. It is not about practicality. It is not about society or worldly routines. It is an audacious ride to the center of what is, at the heart of every person. It is a bold and masterful inquiry into what two people really are and how we might become, while still on earth, the angels who reside within us."

Empowered Relationships Maria Jesus Marin Lopez 2017-01-16 Empowered Relationships explores romantic relationships from the energetic-spiritual perspective. The main focus is on what are called the four major wounds: rejection, control, fear, and separation. Through guidance as well as original meditations and practical exercises, Empowered Relationships brings awareness to these wounds and shows the reader how to transform and transcend them, in the process finding the true source of love, trust, union, and freedom. Ultimately, these wounds are our teachers, and when we

understand their messages, we can have fuller, more conscious, empowered relationships. Empowered Relationships is born out of a depth of experience, study, teaching, and growth by its author, Maria Jesus, a labor of love and an act of walking ones true path toward healing. An empowered relationship is not a goal but a state of BEING, of becoming PRESENT for yourself, your partner and the worldAn empowered relationship is created by empowered individuals. To be empowered means that you are in complete acceptance of who you are. Principles of Holistic Medicine Søren Ventegodt 2005 Based on work done in Denmark we make the argument that knowing the meaning of your own life and living accordingly is the real source of health and well-being.
