[The Silence of Sodom](#) - Mark D. Jordan 2002-05

The past decade has seen homosexual scandals in the Catholic Church becoming ever more visible, and the Vatican's directives on homosexuality becoming ever more forceful, begging the question Mark Jordan tries to answer here: how can the Catholic Church be at once so homophobic and so homoerotic? His analysis is a keen and readable study of the tangled relationship between male homosexuality and modern Catholicism.

"[Jordan] has offered glimpses, anecdotal stories, and scholarly observations that are a whole greater than the sum of its parts. . . . If homosexuality is the guest that refuses to leave the table, Jordan has at least shed light on why that is and in the process made the whole issue, including a conflicted Catholic Church, a little more understandable."—Larry B. Stammer, Los Angeles Times "[Jordan] knows how to present a case, and with apparently effortless clarity he demonstrates the church's double bind and how it affects Vatican rhetoric, the training of priests, and ecclesiastical protectiveness toward an army of closet cases. . . . [T]his book will interest readers of every faith."—Daniel Blue, Lambda Book Report A 2000 Lambda Literary Award Finalist

[The Sexual Person](#) - Todd A. Salzman 2008-05-21

Two principles capture the essence of the official Catholic position on the morality of sexuality: first, that any human genital act must occur within the framework of heterosexual marriage; second, each and every marriage act must remain open to the transmission of life. In this comprehensive overview of Catholicism and sexuality, theologians Todd A. Salzman and Michael G. Lawler examine and challenge these principles. Remaining firmly within the Catholic tradition, they contend that the church is being

inconsistent in its teaching by adopting a dynamic, historically conscious anthropology and worldview on social ethics and the interpretation of scripture while adopting a static, classicist anthropology and worldview on sexual ethics. While some documents from Vatican II, like *Gaudium et spes* ("the marital act promotes self-giving by which spouses enrich each other"), gave hope for a renewed understanding of sexuality, the church has not carried out the full implications of this approach. In short, say Salzman and Lawler: emphasize relationships, not acts, and recognize Christianity's historically and culturally conditioned understanding of human sexuality. *The Sexual Person* draws historically, methodologically, and anthropologically from the best of Catholic tradition and provides a context for current theological debates between traditionalists and revisionists regarding marriage, cohabitation, homosexuality, reproductive technologies, and what it means to be human. This daring and potentially revolutionary book will be sure to provoke constructive dialogue among theologians, and between theologians and the Magisterium.

**The Catholic Church and Modern Sexual Knowledge, 1850-1950** - Lucia Pozzi

2021-09-24

This book is the first to present a comprehensive historical picture of the modern Catholic concern with the body and sexuality. The Catholic church is commonly believed to have always opposed birth control and abortion throughout the centuries. Yet the Catholic encounter with modern sexuality has a more complex and interesting history. What was the meaning of sexual purity? Why did eugenics matter to Catholicism? How did the Society of Jesus interpret the idea of overpopulation? Why

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-07-14  
by guest

did Pius XI decide to issue the notorious encyclical *Casti connubii* on Christian marriage – the first modern papal pronouncement on birth control, abortion, and eugenics? In answering these questions, Lucia Pozzi uncovers new archival and unpublished records to dig into Catholic responses to modern sexual knowledge, showing the Catholic church at times resisting, but also often welcoming, scientific modernity.

**Queer and Catholic** - Amie Evans 2010-11

How does one reconcile the tension between the community of one's own Catholic upbringing and a sexuality and gender identity that may be in conflict with some of the tenets of the faith – especially when one is a member of the Gay, Lesbian, Bisexual, Transgender, Queer, and Intersex community? *Queer and Catholic* offers a source of comfort to members of these communities, focusing on not only practicing Catholics, but also the entire experience of growing up Catholic. This unique book discusses Catholicism beyond its religiosity and considers its implications as a culture of origin. This widely varied and entertaining book pulls together a comprehensive collection of essays, stories, and poetry that together represent an honest and engaging reflection of being a queer person within the Catholic experience.

**Gay and Catholic** - Eve Tushnet 2014-10-20

Winner of a 2015 Catholic Press Award: Gender Issues Category (First Place). In this first book from an openly lesbian and celibate Catholic, widely published writer and blogger Eve Tushnet recounts her spiritual and intellectual journey from liberal atheism to faithful Catholicism and shows how gay Catholics can love and be loved while adhering to Church teaching. Eve Tushnet was among the unlikeliest of converts. The only child of two atheist academics, Tushnet was a typical Yale undergraduate until the day she went out to poke fun at a gathering of philosophical debaters, who happened also to be Catholic. Instead of enjoying mocking what she termed the “zoo animals,” she found herself engaged in intellectual conversation with them and, in a move that surprised even her, she soon converted to Catholicism. Already self-identifying as a lesbian, Tushnet searched for a third way in the seeming two-option system available to gay Catholics: reject Church

teaching on homosexuality or reject the truth of your sexuality. *Gay and Catholic: Accepting My Sexuality, Finding Community, Living My Faith* is the fruit of Tushnet's searching: what she learned in studying Christian history and theology and her articulation of how gay Catholics can pour their love and need for connection into friendships, community, service, and artistic creation.

**Catholic Sexual Morality** - Robert Fastiggi 2018-01-04

Many people today believe that the traditional Catholic view of sex is antiquated, unrealistic, and potentially harmful. In *Catholic Sexual Morality*, Dr. Robert Fastiggi asks whether the permissive sexual attitude of today's culture is really contributing to deeper love, better relationships, and true happiness for men, women, children, and families. He begins with the example of St. Augustine who recognized he was a slave to lust and in need of true freedom. Fastiggi then examines the foundations for Catholic sexual morality in Scripture, reason, and human experience. The hope is that people will realize that the Catholic Church is not “against sex” but sees sexual intimacy as something so beautiful and life-giving that it requires the stability of marriage for its true and rightful expression. *Catholic Sexual Morality* is grounded in the belief that the church's teachings on sex correspond to God's plan for human happiness. These teachings are challenging, and the church understands how easy it is to fail in sexual matters. God's mercy, however, is more powerful than human weakness and sin. This book explains the reasons why the Catholic Church teaches as she does on matters such as pornography, masturbation, fornication, adultery, contraception, divorce, and homosexual acts. It presents these teachings in a realistic way with full recognition of the reasons why people reject them. The ultimate desire is to help people understand that Catholic sexual morality is not a creation of church leaders but a response to what God has made known to us in Sacred Scripture and the natural law. In a world filled with infidelity, divorce, wounded children, and broken hearts, the wisdom of traditional Catholic sexual morality deserves a more sympathetic view—not just because it is Catholic but because

it is true.

**Sexual Ethics** - Todd A. Salzman 2012-05-18

Two principles capture the essence of the Catholic tradition on sexual ethics: that each and every marriage act must remain open to the transmission of life, and that any human genital act must occur within the framework of marriage. In the Catholic tradition, moral sexual activity is institutionalized within the confines of marriage and procreation, and sexual morality is marital morality. But theologians Todd Salzman and Michael Lawler contend that there is a disconnect between many of the Church's absolute sexual norms and other theological and intellectual developments explicitly recognized and endorsed in the Catholic tradition, especially since the Second Vatican Council. These developments include the shift from a primary static worldview to a historically conscious worldview, one that recognizes reality as dynamic, evolving, changing, and particular. By employing such a historically conscious worldview, alternative claims about the moral legitimacy of controversial topics such as contraception, artificial reproduction, and homosexual marriage can faithfully emerge within a Catholic context. Convinced of the central role that love, desire, and fertility play in a human life, and also in the life of Christian discipleship, the authors propose an understanding of sexuality that leads to the enhancement of human sexual relationships and flourishing. This comprehensive introduction to Catholic sexual ethics -- complete with thought-provoking study questions at the end of each chapter -- will be sure to stimulate dialogue about sexual morality between Catholic laity, theologians, and the hierarchy. Anyone seeking a credible and informed Catholic sexual ethic will welcome this potentially revolutionary book.

**Sexual Diversity and Catholicism** - Joseph A. Coray 2015-04-09

The Roman Catholic Church has in recent decades sent mixed signals with regard to discrimination based on sexual identity. On the one hand, official documents have condemned violence and verbal abuse directed at persons of different sexual orientation; on the other hand, the Church has approved and lobbied for certain types of discrimination: in housing and employment, for example, and also with regard

to marriage or civil unions. Sexual Diversity and Catholicism focuses specifically on Roman Catholic magisterial teachings on sexual diversity. It also wrestles with explicitly Roman Catholic views of the relationship among various sources of moral wisdom (between Church teachings, the Bible, philosophy, science and experience) and how their interplay might contribute to the further development of Church teaching. It addresses the issue of sexual diversity and its legitimate expression under the headings Interpreting Church Teachings, Interpreting the Bible, Interpreting Secular Disciplines, and Interpreting Human Experience. Part One: Interpreting Church Teachings, includes "My Brother Dan," by Bishop Thomas J. Gumbleton; "Unitive and Procreative Meaning: The Inseparable Link," by James P. Hanigan; "The Bridegroom and the Bride: The Theological Anthropology of John Paul II and Its Relation to the Bible and Homosexuality," by Susan A. Ross; and "The Church and Homosexuality: A Lonerganian Approach," by Jon Nilson. Part Two: Interpreting the Bible contains "The Promise of Postmodern Hermeneutics for the Biblical Renewal of Moral Theology," by Patricia Beattie Jung; "Questions About the Construction of (Homo)sexuality: Same-Sex Relations in the Hebrew Bible," by Robert A. Di Vito; "Romans 1:26-27: The Claim That Homosexuality Is Unnatural," by Leland J. White; "The New Testament and Homosexuality?" by Bruce J. Malina; and "Perfect Fear Casteth Out Love: Reading, Citing, and Rape," by Mary Rose D'Angelo. Part Three: Interpreting Secular Disciplines includes insights from the human and social sciences: "Homosexuality, Moral Theology, and Scientific Evidence," by Sidney Calahan; "Informing the Debate on Homosexuality: The Behavioral Sciences and the Church," by Isaiah Crawford and Brian D. Zamboni; and "Harming by Exclusion: On the Standard Concepts of Sexual Orientation, Sex, and Gender," by David T. Ozar. Part Four: Interpreting Human Experience, brings the voices of two of the Church's faithful women: "Papal Ideals, Marital Realities: One View From the Ground," by Cristinal. H. Traina; and "Catholic Lesbian Feminist Theology," by Mary E. Hunt.

**Sexuality and Catholicism** - Thomas Charles

Fox 1995-08-22

"A balanced, broad summary of Catholicism's response to sexuality." Kirkus Sexuality and Catholicism offers a concise and well-rounded analysis of all the most important and most widely discussed issues concerning sexuality and Roman Catholicism. The theme of this volume--the sin of sexuality--is as old as the creation story and as new as the Vatican's reassertion that divorced and remarried Catholics must choose between the sacraments and having sex in marriage. A daily presence in the news, this highly controversial subject affects millions within the church and millions more who look to the church for moral guidance.

**The Concept of Sexual Pleasure in the Catholic Moral Tradition** - Shaji George Kochuthara 2007

Embracing Sexuality - Joseph A. Selling  
2018-02-05

This title was first published in 2001. This text examines sexuality and interpersonal relationships in relation to the Catholic Church. Topics discussed include spirituality; sexuality; bodiliness and sacramentality; the female experience of sexuality; authority; and the development of Catholic tradition and sexual morality.

Impure thoughts - Michael G. Cronin 2017-10-03

Impure thoughts is the first study of the twentieth-century Irish Catholic Bildungsroman. This comparative examination of six Irish novelists tracks the historical evolution of a literary genre and its significant role in Irish culture. With chapters on James Joyce and Kate O'Brien, along with studies of Maura Laverty, Patrick Kavanagh, Edna O'Brien and John McGahern, this book offers a fresh new approach to the study of twentieth-century Irish writing and of the twentieth-century novel. Combining the study of literature and of archival material, Impure thoughts also develops a new interpretive framework for studying the history of sexuality in twentieth-century Ireland. Addressing itself to a wide set of interdisciplinary questions about Irish sexuality, modernity and post-colonial development, as well as Irish literature, it will be of interest to students and scholars in various disciplines, including literary studies, history, sociology and

gender studies.

Sons of the Church - Thomas B Stevenson  
2014-05-22

The book that can help you reconcile being both gay and Catholic Sons of the Church: The Witnessing of Gay Catholic Men spotlights testimonials from over thirty gay Catholic men to answer the question, "How can you be gay and Catholic?" Dr. Thomas B. Stevenson, who received degrees from the University of Notre Dame, Boston College, and the Graduate Theological Union in Berkeley, explores this question, using various interviews to thoroughly analyze the many dimensions of being gay and Catholic while providing a powerful and convincing criticism of Church teaching on homosexuality. This thoughtful, surprisingly reverent book is the answer for those gay readers who long for a religious connection, as well as for Catholic readers and those in pastoral positions who want and need to hear the stories of gay people firsthand. Sons of the Church: The Witnessing of Gay Catholic Men tells one story—the story of what it is like to be gay and Catholic—through the various stories of over thirty gay Catholic men. Each chapter is arranged thematically, beginning with experiences of being homosexual and Catholic during childhood and youth. Subsequent chapters delve into the ways these men each finally accepted themselves and integrated their sexuality, related to others who did or did not understand, dealt with homosexual promiscuity, found intimate relationships, became a part of a community, and ultimately came to terms with the Catholic Church and their faith. Throughout, these 'witnesses' explain how their faith in God guides them through the various experiences and issues they face. The positive aspects of Catholic Christianity are respectfully explored at the same time as the present Church teaching on homosexuality is challenged. Sons of the Church uses interviews to explore: Catholics coming to terms with their homosexuality the experiences of young men recognizing their sexuality suffering and oppression by society and the Church acceptance of self integration of goodness and lovability of homosexuality moral issues of promiscuity among gay men gay relationships and the Catholic dimensions of commitment criticisms of gay culture the

Catholic Church teachings on homosexuality the answer to the question, "How can you be gay and Catholic?" Sons of the Church: The Witnessing of Gay Catholic Men is enlightening reading essential for educators, students, counselors, priests, nuns, psychologists, and theologians. Catholic people, gay people, and every educated reader will find that the interviews and ideas here stimulate thought and create a greater understanding of the issue of homosexuality and faith.

*The Pope and the pill* - David Geiringer  
2019-10-23

This book is about the sexual and religious lives of Catholic women in post-war England. It uses original oral history material to uncover the way Catholic women negotiated spiritual and sexual demands at a moment when the two increasingly seemed at odds with each other. It also examines the public pronouncements and secretive internal documents of the central Catholic Church, offering a ground-breaking new explanation of the Pope's decision to prohibit the Pill in 1968. The material gathered here offers a fresh perspective on the idea that 'sex killed God', reframing dominant approaches to the histories of sex, religion and social change. The book will be essential reading not only for scholars of sexuality, religion, gender and oral history, but anyone interested in social and cultural change more broadly.

*Sexual Authenticity* - Melinda Selmys  
2009-04-06

Real glimpses into the hearts and lives of other people are rare... Columnist and author Melinda Selmys gives readers an unusual opportunity to explore the topic of homosexuality and the Catholic Faith from a fresh, sincere perspective. Her intensely personal reflections help clarify the misconceptions that have hindered meaningful dialogue between Catholics and homosexuals. Transcending stereotypes and avoiding pat sentiments, she speaks directly to every Christian who has experienced same-sex attraction or knows someone who has. In addition to her personal story of exchanging secular lesbianism for Catholicism and resolving her own inner conflicts, the author presents an enlightening analysis of history, social theory, and media influence on the subject of homosexuality. She refutes much of the clumsy

theorizing and "junk science" common to both sides of the debate, effectively bridging gaps between perception and reality. Selmys addresses the complexities surrounding sexual identity with pronounced compassion, adding a practical discussion of the Theology of the Body to complete the circle from a Catholic perspective. This groundbreaking book expertly walks the fine line between divisiveness and platitudes -- a must-read for everyone who has ever felt ambiguous about the Church's stance on homosexuality.

**Catholic Sexual Ethics** - Ronald David Lawler  
1985

The church 's teaching with regard to sexuality in light of these documents: the Catechism of the Catholic Church, Veritatis Splendor, Evangelium Vitae, and others. Catholic Church's position on all aspects of human sexuality, homo, and birth control.

**Sexuality and the U.S. Catholic Church** - Lisa Sowle Cahill  
2006

No issue in the contemporary Church evokes more controversy than sexuality. In the wake of the clerical abuse scandals, the Catholic Church has come under intense scrutiny, criticized for being either too repressive or too lenient in its approach to human sexuality. In *Sexuality and the U.S. Catholic Church*, Lisa Sowle Cahill, John Garvey, and T. Frank Kennedy, S.J. introduce the work of leading Catholic theologians, writers, and scholars to help ground the conversation in the tradition, identify modern-day challenges, and point to resources for the future. Topics include homosexuality and marriage; theology of the body: possibilities and limitations; views of celibacy past and present; rebuilding community; childbearing; sexual discipleship; and future challenges.

*Sexuality and Catholicism* - Thomas C Fox  
2000-08-29

"A balanced, broad summary of Catholicism's response to sexuality." Kirkus *Sexuality and Catholicism* offers a concise and well-rounded analysis of all the most important and most widely discussed issues concerning sexuality and Roman Catholicism. The theme of this volume--the sin of sexuality--is as old as the creation story and as new as the Vatican's reassertion that divorced and remarried Catholics must choose between the sacraments and having sex

in marriage. A daily presence in the news, this highly controversial subject affects millions within the church and millions more who look to the church for moral guidance.

*In Pursuit of Love* - Vincent J. Genovesi 1996

While retaining the basic structure of the original book, this new edition has been thoroughly updated in light of some official Catholic documents and other theological writings dealing with sexual morality that have appeared since 1986. The Catechism of the Catholic Church, Pope John Paul II's encyclicals *Veritatis splendor* and *Evangelium vitae*, and the 1986 and 1992 statements of the Congregation for the Doctrine of the Faith on pastoral care of homosexuals and the issue of discrimination against them are among the more recent magisterial publications considered in this text. This edition also contains several new sections: the misuses of sex (adultery, pornography, prostitution, sexual violence); four rationales for viewing a committed love relationship as the only appropriate context for sexual intercourse; marriage as a sacrament and marital sexuality and love as embodiments of commitment, intimacy, and passion; and public policy and the civil rights of homosexuals. This edition also includes an expanded discussion of topics such as sexism, sexually transmitted diseases especially HIV/AIDS and the moral questions raised by new family-planning methods (Norplant, Depo-Provera), RU-486, postcoital hormonal interventions against pregnancy, the

start of human life, and abortion. Vincent J. Genovesi, SJ, received his PhD in Christian ethics from Emory University. He is a professor at St. Joseph's University in Philadelphia. His articles have appeared in such journals as *The Thomist*, *The Way*, *America*, and *Review for Religious*.

*Catholic Sexual Ethics* - William May 2011-08-25

The authoritative work on the Church's teaching on sexual morality has been thoroughly updated to address dimensions of this complex topic that have emerged in the late 20th and early 21st centuries. Since publication of the 2nd edition of *Catholic Sexual Ethics*, the philosophical landscape of human sexuality has dramatically changed. The rise of such concerns as moral relativism, the drive for same-sex unions, and a drastic redefinition of "marriage" and "family" have underscored the need for an unambiguous, up-to-date understanding of Catholic sexual teaching. Features: Summary of Catholic teaching on sexuality from biblical times to our own. Presentation of principal elements of the teaching of Pope Benedict XVI on marriage in the early years of his pontificate. Discussion of the Congregation for the Doctrine of the Faith's 2003 Considerations Regarding Proposals to Give Legal Recognition to Unions Between Homosexual Persons. Integration of more recent materials that clarify issues into the existing framework of the book. Whether you are involved in ministry, education, or catechesis, you will benefit from having this essential resource near at hand.
