[Los Angeles Magazine](#) - 2004-04

[Los Angeles Magazine](#) - 2004-06

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

[Men's Health](#) - David Conrad 2018-04-19

This work includes Foreword by Ian Banks - President, Men's Health Forum. Traditionally, men have been seen as reluctant to access health services, but getting men to engage with their health isn't an impossible task once you're equipped with a few tricks of the trade. This concise, easy to read guide offers a no-nonsense, practical approach to the development and implementation of men's health programmes. Based on years of wide-ranging experience, the book is designed for anyone who is involved in service delivery for men and boys, and demonstrates what can be achieved with adequate resources, a flexible approach and a sound understanding of men's needs. It is ideal for all healthcare professionals and managers, and medicine and nursing students undertaking specialist men's health and health promotion courses. It is also of great interest to teachers and youth leaders, including school nurses. Healthcare policy makers and shapers will find it enlightening reading. 'This book is for anyone who wants to find out how to successfully set up and deliver health services aimed at men and boys. Traditionally, men have been seen as reluctant to access health services, but getting men to engage with their health isn't an impossible task once you're equipped with a few tricks of the trade. Although this is primarily intended to be a practical guide, much of the book will also be of interest to academics, policy makers and managers. It demonstrates what can be achieved with adequate resources, a flexible approach and a sound understanding of men's needs.' - David Conrad and Alan White, in the Preface. 'As an issue men's health is plagued by myth, ignorance and inequality, but most of all by a lack of solid research based on evidence-based work with men themselves. Lofty academics pontificate endlessly on the meaning of 'masculinity' yet never get their invariably white Caucasian, middle class hands dirty on what really impacts on Y chromosome owners. The Bradford team didn't just wonder about masculinity and scratch male pattern baldness, they did something measurable about men's health and ethnicity so other workers could use their evidence base to actually change the dreadful health status quo. An excellent and unique "Dirty Hands Manual".' - Ian Banks, in the

Foreword.

[The Big Book of Talking Dirty](#) - Jonathon Green 2006-01-05

"Dirt" cleans up! Jonathon Green's previous compilation, The Big Book of Filth, sold more than 100,000 copies. Smuttier, ruder, and better than ever, with 5,000 richly humorous phrases. Drink and drugs, scatology, sex, insults, money: these are the main preoccupations of the delightfully dirty slang so colorfully defined and illustrated in this no-holds-barred follow-up to the bestselling "Big Book of Filth. Those with "politically correct" and delicate sensibilities can tune out; broad-minded readers will dig in to discover terms of affirmation, approbation, contempt, and dismissal, as well as oaths, acronyms, and abbreviations. No group is exempt in this equal-opportunity verbal abuser, from the criminal underworld to the upper classes, children to fat persons, and every ethnicity. Among the 100 titillating A-Z topics: Coitus Interruptus; Dazed and Confused; Doo-Doo (to be in deep); Frankly, My Dear, I Don't Give a Damn; Harm, Trouble and Strife; Masturbation; and more.

[The Pacific Triangle](#) - Sydney Greenbie 2022-06-02

'The Pacific Triangle' by Sydney Greenbie is a historical travel book. The author's goal is to give the historical approach to the Pacific and its natives; to take the reader upon a journey of over twenty thousand miles around the Pacific. You will come away with a clear impression of the immensity of the Ocean, of the diversity of its natural and human elements, and the splendor and picturesqueness of its make-up.

[Big Book of Filth](#) - Jonathon Green 1999-10-14

[Cassell's Rhyming Slang](#) - Jonathon Green 2000

Want rice and Aberdeens for dinner? Or andy mcnish--wouldn't that be apples and spice? It's rhyme time, and this witty, wildly inventive dictionary will inform you those "code words" stand for beans, fish, and nice. Amazingly detailed, it includes a history of rhyming slang, 100 categories, and over 2,500 phrases. Best of all, it takes a "bilingual" approach that lets you learn new slang while looking up the old!

[Thank You, Your Opinion Means Nothing to Me](#) - Nancy Blair 2004
A hilarious and poignant year in one woman's life.
