[The Girl of My Dreams - Durjoy Dutta 2016-10-15](#)

We are in the car. She's looking at me. I can see the love in her eyes for me. Then a huge crash. She's flung out of the window. I'm thrown out too. A pool of blood. Her eyes are still on me . . . but now it's a death stare. I am Daman and I wake up to this nightmare. Every. Single. Day. Waking up from a long coma, Daman learns that he was in a massive car crash with a girl who vanished soon after the accident, leaving him for dead. Strangely, all he remembers is a hazy face, her hypnotic eyes, and her name—Shreyasi. To come to terms with his memory lapse he starts piecing together stories about himself and Shreyasi from his dreams, which he then turns into a hugely popular blog. When he's offered a lucrative publishing deal to convert his blog pieces into a novel, he signs up immediately. However, he gives in to editorial pressure and agrees to corrupt the original edgy character of Shreyasi. Big mistake. From then on Daman is stalked and

threatened by a terrifying beauty who claims to be Shreyasi and who will stop at nothing to make him pay for being a sell-out. Before Daman fights back, he needs to know: Is she really who she claims to be? What does she want from him now? What if he doesn't do what she wants him to? The Girl of My Dreams is definitely not your usual love story.

The Girl With No Dreams - Deepak Gupta 2019-12-17

I always asked mom about my father, but she always told me, 'Your father came for a night to ruin my whole life.' A Story about Dreams, Hope and Death Oh, I am sorry. I'm extremely sorry; I usually forget introducing myself. I'm Amanda, a plain sailing girl who loves to explore love and life in an adventurous way. Everyone has a story for being a different personality, and I have also. I was born poor to raise my old mother instead of she raised me. I am glad that my old mother gave me my first home for nine months.

Happiness is hard for our family and sometimes even the hardest. I know when babies are born, they cry, but when I was born, I and my mom both were crying because I had entered a world where cruelty is always the first choice. I had never seen my father so, I was never called to be daddy's princess, but a normal girl who has no right to see her dreams, not even when I am sleeping.

The Book of Dreams - Nina George 2019-04-09

Warm, wise, and magical—the latest novel by the bestselling author of THE LITTLE PARIS BOOKSHOP and THE LITTLE FRENCH BISTRO is an astonishing exploration of the thresholds between life and death Henri Skinner is a hardened ex-war reporter on the run from his past. On his way to see his son, Sam, for the first time in years, Henri steps into the road without looking and collides with oncoming traffic. He is rushed to a nearby hospital where he floats, comatose, between dreams, reliving the fairytales of his childhood and the secrets that made him run away in the first place. After the accident, Sam—a thirteen-year old synesthete with an IQ of 144 and an appetite for science fiction—waits by his father's bedside every day. There he meets Eddie Tomlin, a woman forced to confront her love for Henri after all these years, and twelve-year old Madelyn Zeidler, a coma patient like Henri and the sole survivor of a traffic accident that killed her family. As these four very different individuals fight—for hope, for patience, for life—they are bound together inextricably, facing the ravages of loss and first love side by side. A revelatory, urgently human story that examines what we consider serious and painful alongside light and whimsy, THE BOOK OF DREAMS is a tender meditation on memory, liminality, and empathy, asking with grace and gravitas what we will truly find meaningful in our lives once we are gone.

Marianne Dreams - Catherine Storr 2014-06-03

The boy at the window is called Mark, and his every movement is guarded by the menacing stone watchers that surround the solitary house.
