The Women of Troy - Pat Barker 2022-09-06

A daring and timely feminist retelling of The Iliad from the perspective of the women of Troy who endured it—an extraordinary follow up to *The Silence of the Girls* from the Booker Prize-winning author of *The Regeneration Trilogy* and “one of contemporary literature’s most thoughtful and compelling writers” (The Washington Post). Troy has fallen and the victorious Greeks are eager to return home with the spoils of an endless war—including the women of Troy themselves. They await a fair wind for the Aegean. It does not come, because the gods are offended. The body of King Priam lies unburied and desecrated, and so the victors remain in suspension, camped in the shadows of the city they destroyed as the coalition that held them together begins to unravel. Old feuds resurface and new suspicions and rivalries begin to fester. Largely unnoticed by her captors, the one time Trojan queen Briseis, formerly Achilles’s slave, now belonging to his companion Alcimus, quietly takes in these developments. She forges alliances when she can, with Priam’s aged wife the defiant Hecuba and with the disgraced soothsayer Calchas, all the while shrewdly seeking her path to revenge.

With its masterful combination of richly detailed scene setting, humor, romance, quirky characters, and supernatural conflict, this is a story to be relished.” —Publishers Weekly Filled with magic, adventure, and mythology pulled deep from Russian and Finish folklore, *Cry of the Firebird* is a dark fantasy that dives deep into the world of magic, pitting those who would abuse it against those sworn to protect it. A firebird is reborn on the borders of Russia, a gate to a world of monsters and magic is breaking, and only a reluctant, untrained shaman stands in the way of a flood of supernatural darkness... Anya is still reeling from the death of her grandfather

when a strange encounter with the Finnish God of the Dead changes her life forever: Her family has been guarding the gates to the Russian otherworld on their farm for centuries, and she’s the new gatekeeper. As Anya struggles to make sense of her changing world, she can’t deny the strange encounters. She’ll need to accept her fate and work with the legendary firebird if she hopes to survive—and protect humanity.

"The Iliad, as experienced by the captured women living in the Greek camp in the final weeks of the Trojan War"--

The Silence of Scheherazade - Defne Suman 2022-02-03

Set in the ancient city of Smyrna, this powerful novel follows the intertwining fates of four families as their peaceful city is ripped apart by the dissolution of the Ottoman Empire. On an orange-tinted evening in September 1905, Scheherazade is born to an opium-dazed mother in the ancient city of Smyrna. At the very same moment, a dashing Indian spy arrives in the harbor with a secret mission from the British Empire. He sails in to golden-hued spires and minarets, scents of fig and sycamore, and the cries of street hawkers selling their wares. When he leaves, seventeen years later, it will be to the heavy smell of kerosene and smoke as the city, and its people, are engulfed in flames. But let us not rush, for much will happen between then and now. Birth, death, romance, and grief are all to come as these peaceful, cosmopolitan streets are used as bargaining chips in the wake of the First World War. Told through the intertwining fates of a Levantine, a Greek, a Turkish, and an Armenian family, this unforgettable novel reveals a city, and a culture, now lost to time.

The Silence of the Lambs - Thomas Harris 2013-10-01

The twenty-fifth anniversary edition of the #1 New York Times bestselling classic, now with a note by author Thomas Harris revealing his inspiration for Hannibal Lecter. An ingenious, masterfully written novel, *The Silence of the Lambs* is a classic of suspense and storytelling and the basis for the Oscar award-winning horror film starring Jodie Foster as Clarice Starling and Anthony Hopkins as Dr. Hannibal Lecter. Her assignment: to interview Dr. Hannibal Lecter, a brilliant psychiatrist and grisly killer now kept under close watch in the Baltimore State Hospital for the Criminally Insane. Lecter's insight into the minds of murderers could help track and capture Buffalo Bill. Smart and attractive, Starling is shaken to find herself in a strange, intense relationship with the acutely perceptive Lecter. His cryptic clues—about Buffalo Bill and about her—launch Clarice on a search that every reader will find startling, harrowing, and totally compelling.

Out of the Silence - Wendy James 2013-04-01

Winner of the Best First Australian Crime Novel, Ned Kelly Crime Awards 2006 I hold Jacky close, fix my eyes on the door and walk as fast as I can. 'Oh, please, don't run away. Think of your child, if you cannot think of yourself.' 'What we are suggesting is nothing,' the man mutters darkly, as I pass through the door and into the brightly lit hall. 'Nothing. Far worse can happen.' Far worse. I have a baby, two shillings, no reputation and nowhere to go, but even so I cannot imagine what far worse might be. *Out of the Silence* is a stunning debut novel about three women from very different worlds: Maggie Heffernan, a spirited working-class country girl; Elizabeth Hamilton, whose own disappointment in love has served only to strengthen her humanity; and the remarkable Vida Goldstein, the suffragist who was to become the first woman to stand for Parliament. When Maggie's life descends into darkness after a terrible betrayal, the three women's lives collide. Around this tragedy Wendy James has constructed a masterfully drawn and gripping fiction. Based on a true story, it unfolds at the dawn of the twentieth century against the compelling backdrop of the women's suffrage movement and a world on the brink of enormous change. The novel powerfully evokes the plight of women in the early 1900s - not least their limited options, whatever their class and education. However, at its heart this is a story of love - of love gone wrong; of its compromises and disappointments; but

The Silence of the Girls - Pat Barker 2018-09-11

From the Booker Prize-winning author of the *Regeneration* trilogy comes a monumental new masterpiece, set in the midst of literature's most famous war. Pat Barker turns her attention to the timeless legend of *The Iliad*, as experienced by the captured women living in the Greek camp in the final weeks of the Trojan War. The ancient

city of Troy has withstood a decade under siege of the powerful Greek army, who continue to wage bloody war over a stolen woman--Helen. In the Greek camp, another woman watches and waits for the war's outcome: Briseis. She was queen of one of Troy's neighboring kingdoms, until Achilles, Greece's greatest warrior, sacked her city and murdered her husband and brothers. Briseis becomes Achilles's concubine, a prize of battle, and must adjust quickly in order to survive a radically different life, as one of the many conquered women who serve the Greek army. When Agamemnon, the brutal political leader of the Greek forces, demands Briseis for himself, she finds herself caught between the two most powerful of the Greeks. Achilles refuses to fight in protest, and the Greeks begin to lose ground to their Trojan opponents. Keenly observant and coolly unflinching about the daily horrors of war, Briseis finds herself in an unprecedented position to observe the two men driving the Greek forces in what will become their final confrontation, deciding the fate, not only of Briseis's people, but also of the ancient world at large. Briseis is just one among thousands of women living behind the scenes in this war--the slaves and prostitutes, the nurses, the women who lay out the dead--all of them erased by history. With breathtaking historical detail and luminous prose, Pat Barker brings the teeming world of the Greek camp to vivid life. She offers nuanced, complex portraits of characters and stories familiar from mythology, which, seen from Briseis's perspective, are rife with newfound revelations. Barker's latest builds on her decades-long study of war and its impact on individual lives--and it is nothing short of magnificent.
