*Styled* - Piper Lawson 2018-01-19

I have a type: Tall. Blond. Awkward as hell. Yeah, my type is me. Because I'm better off spending my time alone than with a guy. That's why I'm on an open-ended ticket to LA to find a new boutique for my fashion label, TRAVESTY. Not to find a rebound for the breakup I should've seen coming. I'm ready to forget all about dicks...Too bad Ethan Cameron sinks that dream before I get on the plane. The gorgeous Westside realtor might be my business partner's brother, but he's the wrong guy to help us. Ethan's smug and self-centered, with a dentist's-wet-dream smile. More women pass through the backseat of his car than through the doors of our SoHo boutique. He's also wrong for me. And the more he thinks he knows me, the more I need to prove he doesn't. I survived private school. Growing up with one parent. Dating a dick. I can survive one month with Ethan. But the more I get to know him, the more I realize he's not the smooth yes-man he pretends to be. And that's dangerous. For my business. For my friends. Maybe even for my heart. *Styled* is a sexy dual POV romance about dreams, trust, and living without regrets. It's a standalone in the TRAVESTY series. If you like quick banter, smokin' hot sex scenes, and characters that feel like they could be your friends? You'll love *Styled*. *Women and Fitness in American Culture* - Sarah Hentges 2013-11-05

This book explores common representations and experiences of American fitness. It takes women's experiences as the center of inquiry toward an understanding of the function of fitness in our lives and in our culture-at-large. Ranging from 1968 to the present, from Jane Fonda to WiiFit, from revolution to institutionalization, from personal to political, and beyond, this book considers a broad range of topics from an interdisciplinary perspective: generations, cultural appropriation, community development, choreography, methodology, healing, and social justice. Drawing on her experience as a cultural theorist, educator and fitness instructor, the author offers critical and creative approaches that reveal the limitations

and possibilities of fitness. The book enables readers to think about their own relationship to fitness as well as the more abstract meanings of the term, and suggests the idea that fitness has some potential to transform our worlds--if we're willing to do the work(out).

**Going to the Chapel** - Rochelle Alers 2015-05-12

Gwynne Forster's "Learning to Love" Working for the United Nations has given Sharon Braxton a passion for other cultures--and for a Nigerian prince. Donna Hills' "Distant Lover" Can anything be more glamorous than a job that takes career-minded Mia to the Caribbean? Yes! A hot, sexy hunk from Barbados, who wants to sweep her to the altar, but his old-fashioned values keep driving them apart. And the intense passion is too irresistible to ignore... Francis Rays' "Southern Comfort" A bridesmaid for the eight time and not the bride, political fundraiser Adrienne Summers is fed up. Worse, she finds a major problem at this wedding--the Best Man. They're fighting about her clothes (too sexy), her behavior (too flirty), and his macho views (wives shouldn't work). it sounds like they just might be falling in love!

The Rebound - Catherine Walsh 2022-02-14

'OMG this book was just what I needed... Kept me turning the pages and reading late into the night... It was like drinking a great big warm mug of hot chocolate, I just loved it.' Reading Time at the Zoo A newly single girl. A tall dark handsome stranger. What could go wrong? It's 7 a.m. on a Monday and Abby Reynolds isn't where she wants to be. She wants to be in her beautiful loft apartment in Manhattan, drinking a coffee with her fiancé. Instead, she's heading back to the childhood home in rural Ireland she swore she'd never return to, with some big old secrets. Namely that she's suddenly found herself unemployed, homeless, and absolutely 100% single. She's feeling all out of luck. Until the first person she meets after she touches down is an absurdly hot guy called Luke, who offers her a lift home. Gazing deep into his sparkling emerald-green eyes, Abby knows instantly that he's exactly what she needs to take her

mind off everything. The perfect rebound. It's a flawless plan. Until the next day, when Abby realizes who he actually is. Not just a stranger. He is, in fact, Luke Bailey, aka the boy next door. Luke Bailey who—so help her God—she's pretty sure she once shared baths with, back when they were kids. Not that she can allow herself to imagine him in a bath now, not without blushing from head to foot. And judging by the smirk on his face, the same Luke Bailey who's known exactly who she was the whole time... And who, like everyone in the village, still thinks she's a high-flying New Yorker... who's getting married next year. Abby is certain getting under Luke will help her get over her ex. But the truth is stopping her. Can she admit to everyone back home that she's single and has lost everything? Because, if she wants the boy next door, she may just have to... The perfect feel-good romantic comedy that will make you laugh until you cry and fall completely in love. Fans of Sophie Kinsella, Marian Keyes, and Emily Henry won't be able to put this down!
