Crush & Lobo (2021-) #3 Mariko Tamaki 2021-08-03 What's a girl supposed to say when she finally comes face to face with her murderous father in space prison? Crush better hurry up and figure it out, because all Lobo wants to talk about is...his feelings? Gross! But maybe the Main Man really did change his stripes. Maybe group therapy with the other inmates really worked. Maybe this isn't all just some elaborate ploy Crush hasn't quite figured out yet- Aw, c'mon. You're not actually buying this therapy crap, are you?

Crush Tracy Wolff 2020-09-29 The instant #1 New York Times Bestselling Series Everything feels off—especially me. I've returned to Katmere Academy, but I'm haunted by fragments of days I have no recollection of living and struggling to understand who, or what, I really am. Just when I start to feel safe again, Hudson is back with a vengeance. He insists there are secrets I don't know about, threatening to drive a wedge between Jaxon and me forever. But far worse enemies are at our doorstep. The Circle is caught in a power play and the Vampire Court is trying to drag me out of my world and into theirs. The only thing Hudson and Jaxon agree on is that leaving Katmere would mean my certain death. And not only am I fighting for my life, but now everyone else's is at stake—unless we can defeat an unspeakable evil. All I know is that saving the people I love is going to require sacrifice. Maybe more than I'm able to give. Don't miss a single book in the series that spawned a phenomenon! The Crave series is best enjoyed in order: Crave Crush Covet Court Charm Cherish **Luster** Raven Leilani 2022-01-06 Razor sharp, provocatively page-turning and surprisingly tender, Luster is a painfully funny coming-of-age story told by a fresh new voice.

Crush! You Crushed it Edmer Barreto 2018-05-31 Crush! You Crushed It is a story about two best friends-Ryan and Ashlon.

Ryan and Ashlon were considered to be inseparable until something really unfortunate happens. The story speaks about how a major road dis-joins into two different paths. Ashlon moves from Janice to Freya but Ryan had feelings just for one girl. Things start changing between them and they eventually drift apart. Ryan took one major step which left Ashlon hanging and confused. Who was the girl Ryan fell for? Was it Janice or Freya or someone else? Why did their friendship fall apart? What was the major step that Ryan took? Will their friendship mark a happy ending? Or will these two inseparable friends turn into bitter enemies? Crush! You crushed it, will tell you!

Tell Me Again How A Crush Should Feel Sara Farizan 2014-10-07
With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that Leila liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

One Hot Crush Anna Durand 2020-07-20 Faking it never felt so good. How can a man who designs sex toys for a living be so awkward around women? My boss, Dane Dixon, is hot and British, a killer combination, but he can't look me in the eye and has never said more than five consecutive words to me. Until the day he calls me into his office and asks me to be his fake girlfriend. Um... what?! This is strictly for publicity purposes, Dane says. We fake date until after his company re-launches. For two months, I'll have to pretend to be hot for him, pretend to adore him, pretend to love making out with him. Wait... I'm pretty sure I'm not supposed to be kissing him. But the line between pretend attraction and real, sizzling-hot lust starts to blur — and then it disappears completely. I'm in so much trouble. One Hot Crush is the third book in the Hot Brits series of romantic comedies from Anna Durand, author of the bestselling Hot Scots series. Don't miss the audiobook featuring Shane East & Vanessa Edwin!

Easy Way to Recognize Your Crush Jessica King 2023-02-07 Do you find yourself wondering who has a crush on you? If so, don't worry, you're not alone. In fact, according to a recent study, almost half of all people have wondered this at some point in their lives. So, if you're looking for a way to figure out who has a crush on you, here are ten best ways to do it. 1. Look out for signs that someone might be interested in you. This might include sending you romantic messages, being overly affectionate, or pursuing you in a way that seems out of the ordinary. 2. Ask someone out. This might be the easiest way to figure out who has a crush on you, especially if the person is someone you know well. Just be sure to take things slow and be prepared for a response. 3. Watch for subtle clues. If someone repeatedly compliments you or pays attention to you in a way that seems too friendly, it might be a sign that they have a crush on you. 4. Be observant. If someone seems to be watching you or following you around, it might be a sign that they have a crush on you. 5. Check your social media profiles. If someone you know has been posting a lot of pictures or videos of you, it might be a sign that they have a crush on you. 6. Ask your friends. If they know who the person with a crush on you is, they might be able to give you a hint. 7. Pay attention to your feelings. If you're not sure whether the person with a crush on you is serious about them or not, it might be a good idea to take things slow. 8. Talk to a therapist. If you're not sure what to do or how to proceed, talking to a therapist might be a good idea.

9. Get a love reading. If you're feeling lost or unsure about what to do, getting a love reading might be a good solution. 10. Trust your gut. If you're certain that the person with a crush on you is interested in you, go ahead and let them know. After all, it might be the best thing for both of you.

control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

How to Flirt and Connect with Your Crush in No Time Anthony Bond 2023-01-11 Having a crush is fun, and to be honest, it's also a bit scary. It's exciting to connect with someone and feel those sparks soar, and often a little flirting will help you get there. But flirting doesn't have to come naturally to all of us. You want to talk to your crush, but when you're drowning in your emotions and experiencing those high-flying sensations, you can feel awkward. You may be nervous about saying something embarrassing or not sure how to start a conversation. That's completely normal and doesn't mean you'll have to look at your partner from afar for the next four years. Flirting takes practice. But with a few flirting tips and a little bit of confidence, you'll impress your crush in no time.

Crush the Bully Ash Dalby 2017-07-19 WHY YOU MUST TAKE ACTION Bullying can impact major aspects of your life including mental and physical health, career, friendships and relationships. If you have had a relationship with a bully, you might regret the years that you have lost by staying in the relationship. A workplace bully can affect your motivation, which can negatively impact on your career. A social bully can make you feel lonely and insignificant, even though you are part of a group. Some bullies enslave their victims. "Enslave" might seem like a strong word. However, when someone makes you so afraid that, you won't

object in any way to their demands or insults, they have psychologically enslaved you. The long-term effects of bullying can take years to recover from. Victims of bullying may develop depression, anxiety and complex posttraumatic stress disorder. Whether you are a victim of bully or have been in the past, you must take action. WHY THIS BOOK IS DIFFERENT The fundamental premise of this book is that, bullies know they are bullies. As such, you cannot reason with them. Many authors tell you that you should talk to the bully and tell them that you feel hurt by their behaviour. This is usually pointless. In fact, trying to reason with a bully can make the situation even worse. If you try to talk to them, they will usually lie and deny. Even if they acknowledge your feelings, they will often employ another strategy to bully you. Even worse, the bully might accuse you of abusing them, simply because you tried to talk to them about their behaviour. They might present themselves as the victim. Then, they will often use this as an excuse to be even nastier to you. WIN LOTS OF SMALL BATTLES AND YOU WILL WIN THE WAR This book teaches you the skills to take the bully's power away. You should view, each time that you take the bully on, as a battle. You should not raise your voice. I am talking about a skilful battle of words. Each time the bully attacks you, you will be armed with a counter-attack and not just a defence. The idea is that, each time you and the bully have a battle of words, the bully will come off looking foolish. Bullies want to walk over their victims. They don't want to risk losing a battle of words and consequently, losing face in front of other people. The idea is that the bully will eventually realise that, by attacking you, he or she can end up socially wounded. At this point, most bullies will leave you alone. This book contains carefully planned out strategies for each situation that you might find yourself in.

To my crush Brendon Thutso 2019-10-15 This book is a concoction of the poet's thoughts on a person they have an unquenchable crush on. The poet is not a very direct person and uses metaphors, riddles, and many other language tricks to embody what they intend to say. In the poem, "The Dream", the poet talks about watching the earth flood as he sits at the brink of the cumulonimbus, but as he continues through the poem it unravels to the reader that the poet is not talking about the real flood or cumulonimbus, instead the poet uses all those meteorological terms as a way to censor their language. In many other poems like "imagine", the poet expresses their love and admiration for their crush and the things they wish they could do together. contact: brentee01@gmail.com (author)

Your Child's First Crush - What It Means and How To Talk About It Cynthia Malu 2012-03-04 ABOUT THE BOOK From the

giggly four-year old who proclaims that he wants to marry his teacher to the pre-teen who gushes over the cute boy who sits next to her in class, your child's first crush is a new frontier, and its best to prepare yourself long before it happens. As a parent, you can take an active part in helping your child navigate his or her romantic feelings. To be a positive part of your child's first experience with puppy love, the most important thing you can do is help your child feel comfortable communicating with you. A crush is no more than an infatuation. Unlike a true romantic relationship, when two individuals acknowledge their deep feelings for one another, a crush is often a one-sided attraction. When children have a crush, they are not focused on loving the object of their affection as an entire person, flaws and all.

Instead, they build up a fantasy of sorts in their minds, and spend time daydreaming about what it would be like to be together.

EXCERPT FROM THE BOOK Try to find out how your child's crush is responding to him. Ask him if his crush talks to him at school.

This will help you gauge the level of intensity and the direction things are headed. If his crush returns his feelings, he may be on the verge of a relationship. While you won't be able to change the eventual outcome of your son's crush, you can guide him as he navigates the unfamiliar waters of romantic feelings. The way you approach the subject will depend on your child's age. For a young child, be positive but truthful when you talk about the crush.

Explain that it's normal to have strong feelings for people when you like their looks and behavior, but make sure your child knows that it's not necessary to act on those feelings. Guide him or her in making appropriate decisions. For instance, if your daughter wants to give a gift to a boy she likes on Valentine's Day, help her choose something that won't be overwhelming for either party. If the object of your young child's affection is an adult, don't be overly concerned. According to Dr. Laura Rocker, a pediatric physician, children often experience their first crush on a celebrity or an adult they find attractive. This behavior is normal, and as a child grows older, he or she will become interested in peers his or her own age...

Ginny's Crush Nicole Taylor Eby 2020-09-30 "This was the kind of moment when you just knew that a fairy-tale prince would come out of the fog to sweep you away to a happily-ever-after."

Ginny White isn't interested in marriage and kids. Which makes it perfect that her boyfriend is more interested in surfing than getting serious. That is until she ends up the third wheel on a bachelor party weekend (the final straw on her current relationship) and Justen Barrett walks out of the mist like a fairy tale prince. Justen was her high school crush, and everything about pursuing him is a bad idea. When Ginny accidentally becomes his little sister's maid of honour, she can't avoid him. A situation seriously detrimental to keeping her fantasies in check. Even as their connection grows, the reasons they shouldn't be together stack up. It's bad enough that Justen was Ginny's brother's best friend. But after coming in second place with her last boyfriend, Ginny knows that for any relationship to work she needs to be number one. With two daughters, an ex-wife, a little sister, and a dying father vying for his attention, Ginny keeps finding herself at the end of Justen's list. Is there any chance this high school crush could come true? **AUTHORS NOTE:** *Ginny's Crush* is a brother's best friend romance with an accidental maid of honour, a single dad, and a high school crush come true. It can be read as a standalone novel but is best enjoyed within the West Coast Romance Series.

gets someone's attention, all right, it's just...the wrong brother. The plan... Avery's not a fan of unrequited love. This crush on Alex Luven? It's gotten old. She's over it. In fact, this hopeless romantic is finally ready to take matters into her own hands, and the first step is to find some common ground. A mutual activity they can bond over, perhaps. When their health class teacher pairs them up to take care of the "health baby" for a week, she knows the universe is on her side. True love for the win! What better way to bond than over their precious fake baby? The reality... This is no ordinary baby. It's a demon in disguise. Surely real babies never cry this much. The stupid doll keeps her up all night and drives her crazy with its neediness all day, and the worst part? Alex is a total flake. When exhaustion reaches critical mass, she caves. If he won't answer his phone, then there's nothing for it but to show up at Alex's door. Except the hottie who answers the door? Yeah...this bad boy is definitely not Alex. The brother... Cristian's not exactly excited to be at his family home on his college break. His father's an overbearing tyrant, his brother is an egomaniacal jerk, and now... Well, now it seems he's babysitting his perfect brother's fake baby and kissing the girl of his dreams. So, not all bad then...right? Except that the girl of his dreams has a crush on his Prince Charming brother. And much as Cristian can't stand his brother, Cristian's not about to get in their way. Right? Except that he has...and he probably will again. Because when it comes to true love...his perfect brother can suck it. This is a sweet, standalone Young Adult romance. The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll

also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
