In Given's debut novel, we follow Eartha on a wild, weird and seductive modern-day exploration as she commences life as an openly bisexual woman whilst also becoming a viral sensation on Wonderland, a social media app where people project their dream selves online. The distance between her online and offline self grows further and further apart until something dark happens that leads her into total self-destruction, forcing Eartha to make a choice; which version of herself should she kill off? Tell Me Again How A Crush Should Feel - Sara

Farizan 2014-10-07

With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that Leila liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

First Big Crush - Eric Arnold 2007-09-18

The story behind the bottle, *First Big Crush* is

Eric Arnold's wild account of his year immersing himself in all things wine...and somehow not winding up in rehab. Never having held a meaningful job for very long (and getting fired from most of them), Eric Arnold heads to New Zealand -- to Allan Scott Wines -- seeking adventure and hoping to learn a little bit about wine. What could be better than working outside in the fresh air and drinking wine all day? Before he knows it, he is dirty, wet, cold, and at the mercy of a tank of wine that just might explode and take him with it. So begin Eric's adventures in the world of wine. He gets sunburned, sore, and drunk -- and then does it all over again the next day. First Big Crush is a story that is as outrageous as it is compelling. Here are tales of first pressings, pruning, and tasting competitions. There are also rowdy nights at the local pub, girls, meat pies, girls, rugby, and tales of hunting wild pig. Along the way, each step of the winemaking process is explained in a way that humans can actually understand. Almost against his will, Eric becomes an expert.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social

skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

To my crush - Brendon Thutso 2019-10-15

This book is a concoction of the poet's thoughts on a person they have an unquenchable crush on. The poet is not a very direct person and uses metaphors, riddles, and many other language tricks to embody what they intend to say. In the poem, "The Dream", the poet talks about watching the earth flood as he sits at the brink of the cumulonimbus, but as he continues through the poem it unravels to the reader that the poet is not talking about the real flood or cumulonimbus, instead the poet uses all those meteorological terms as a way to censor their language. In many other poems like "imagine", the poet expresses their love and admiration for their crush and the things they wish they could do together. contact: brentee01@gmail.com (author)
