Dominatrix Danielle J. Lindemann 2012-10-03 Our lives are full of small tensions, our closest relationships full of struggle: between woman and man, artist and customer, purist and commercialist, professional and client—and between the dominant and the submissive. In *Dominatrix*, Danielle Lindemann draws on extensive fieldwork and interviews with professional dominatrices in New York City and San Francisco to offer a sophisticated portrait of these unusual professionals, their work, and their clients. Prior research on sex work has focused primarily on prostitutes and most studies of BDSM absorb pro-domme/client relationships without exploring what makes them unique. Lindemann satisfies our curiosity about these paid encounters, shining a light on one of the most secretive and least understood of personal relationships and unthreading a heretofore unexamined patch of our social tapestry. Upending the idea that these erotic laborers engage in simple exchanges and revealing the therapeutic and analytic nature of their work, Lindemann makes a major contribution to cultural studies, anthropology, and queer studies with her analysis of how gender, power, sexuality, and hierarchy shape all of our social experiences.

Where the Holy Bible cannot, and the Satanic Bible cannot, The Christian Satanic Bible can. Christian Satanists are ambidextrous and free. To the Christian, heaven. For the Satanist, hell. And for the Christian Satanist, here.

Refresh My Heart in Christ Darrell Martin 2010-12-09 '→SGod gave me these desires and the whole world is telling me to do it. What does God expect me to do?'→Sexual temptation. Abortion. Flirting. Homosexuality. Dating. Pornography. Sex and the Christian single. Rape. Sex education. Unwed pregnancy. Adultery. Masturbation. Sexual fantasy. Marriage. Sexual expression was central and commonplace in the everyday worship and religion of first century culture. As evidenced by their extensive teachings recorded in the New Testament, the apostles and early Christians certainly didn't→"t shy away from the subject. In 36 frank (but compassionate) lessons, "Refresh My Heart In Christ: Sanctify Your Sex" encourages us to understand and experience our sexuality as an expression of integrity, love and holiness that glorifies God.

Probing the Mind to Free the Soul Stephen G. Fowler 2017-05-25 Christian theology presents an overly simplistic portrayal of the mind and nature of man, his needs, his longings, his beliefs and his aspirations for God. A psychoanalytic protest theology aims at bringing psychoanalytic complexity regarding the mind to theology. Organized Christianity has failed to account for how the unconscious influences interpretations of Scripture and also how application of Scripture to lived life can be damaging if complex unconscious factors are not considered in theology. This book attempts to employ psychoanalytic insights in the exploration of critically important themes addressed by theology. Among them: morality and conscience, autonomy and destiny, and relationship and sexuality, including the sexuality of God, suffering, and law, along with its correlation with death. This is intended to serve an integrative constructive purpose. Both classical psychoanalysis and Christian Scriptures conceptualize sexuality in its large sense as residing at the core of the mind of mankind. Christianity has tended to cope with sexuality by adopting a notion of attainable sexual purity, a myth that this work seeks to expose and dismantle, with a view to enabling the church to more effectively and compassionately engage with real people whose sexuality is characteristically complicated and troublesome.

God Loves Sex Dan B. Allender 2014-10-28 We live in a sexually mad world where God's gift of sex has been distorted through pornography, promiscuity, prostitution, abuse, trafficking, and rape. The church's position on sexual matters has been made clear throughout history: all sexual activity outside the boundaries of Christian marriage is sin. But rarely has the church honestly addressed the true needs of Christians who are struggling with sexual desires they believe to be counter to the Bible. So we hide our struggles and pretend to live above the erotic fray, or else we cozy up to the culture's redefinition of which sins are acceptable. But what does the Bible really say about sexual desire and sexual intimacy? God Loves Sex offers a truly liberating, godly view of holy sensuality by recovering the clear meaning of the Song of Songs as God-sanctioned eroticism. Then it uses that lens to answer questions posed by a fictional new Christian struggling with expectations of sexual purity. It asks provocative questions, such as What does it mean to be both holy and filled with rich sexual desire? and How can our sexual struggles take us deeper into the purposes of God? Pairing psychological insight with sound biblical scholarship, Allender and Longman bring it all out into the open, allowing Christians of any age and any marital status to discover sex the way God meant it to be.

Sex and the Catholic Feminist Sue Ellen Browder 2020-05-06 In Sex and the Catholic Feminist, Browder challenges the notion that you can't be a feminist and believe in God. She echoes John Paul II's call for Catholics to embody a "new feminism," a radical new view of women's dignity. Her goal in this book is to "follow one golden thread of feminism in America—the pro-life thread—to show why it has been ignored by the media and left out of public conversation for fifty years." For Browder, the pro-life movement is about more than abortion and contraception; it's about loving and respecting all human life. While tracing the history of feminism in America, Browder discovered at the core of these various feminist movements a search for personhood. Where do women place their identity and find their fulfillment? Browder ultimately concludes that in our noisy, consumerist society, placing one's identity anywhere other than in God will prove disappointing and unfulfilling. "My hope is that some thoughts presented here will spark a new conversation and help heal one of the deepest political divisions in our nation." — Sue Ellen Browder

See Me Naked Amy Frykholm 2011-11-01 "A fascinating, troubling, and finally heartening book that subtly shows ways that Christians might reconcile their bodies with their devotion to God. Highly recommended for individual Christians but also for pastors and church groups."—Library Journal, starred review Stories of sexual scandals in churches throughout the nation have been downright routine in recent years, suggesting to many

Americans that a deeply rooted problem plagues American Christianity—and prompting some to abandon their congregations altogether. In *See Me Naked*, Amy Frykholm takes us beyond simple indictments of, or blind allegiance to, Christian cultures to explore the complex, intimate intersection of sexuality and spirituality as it affects the lives of ordinary Christians. Recounting with care and nuance the life histories of nine American Protestants, Frykholm shows us the harm done by the rules-based sexual ethic now dominant, which alternately denies and romanticizes sexuality. But she also points to how American Christians might otherwise access their spiritual tradition to heal the divide between religion and sexuality. One story examines the intricate relationship between a man's religious faith and his sexual addiction. In another, a man defines religion as a wall that kept him from the discovery that he was gay. One young woman uses sex to defy her devout parents, while another seeks to transcend her body by going without food. Nearly everyone interviewed in *See Me Naked* remains a Christian, with some further on their journey than others. Yet each of them is working to understand the connection between their desires and their faith. Ultimately, their stories—stories of pain and violence, perseverance and courage—attest to the healing power of struggling through the wild and uncertain experiences of life. *See Me Naked* explores the many ways that people work to recover from harmful beliefs and restores the notion that one of the key insights of Christianity is that the body, with all its struggles, pains, and difficulties, is a vehicle of the holy and can lead us into a more full relationship with God. From the Hardcover edition.

The Many Faces of Subud Riantee Lydia Rand 2005-04-18 Subud is a direct and spontaneous spiritual experience that allows people to receive a contact with the Great Life Force. It re-awakens their inner feeling and puts them in touch with their own guidance, eventually bringing to the surface their true nature which was before obstructed and cluttered with erroneous beliefs, ancestral patterns of behavior, culture, education and their family malfunctions. Many have found a deeper understanding of their own religious beliefs from the evidence they receive for themselves. Others have come to actualize their true talent and work. There are Subud groups in eighty countries, bringing together harmoniously people of many different religious and ethnic backgrounds. The spiritual practice, or latihan, arises from within. It is a natural process that occurs without effort or study. This book is the result of the collaborative effort of three women who have practiced the latihan of Subud for decades. It compiles testimonies of Subud members from all over the world, on different topics. Each chapter begins with a short account of observations, experiences, receivings and dreams on the subject. People interviewed were of different age groups, social and ethnic backgrounds, some newly "opened" in Subud, some older members, some second and third generation Subud. The opening latihan - when one first receives this contact - is a ceremony of introduction into the spiritual exercise after a three-month period of inquiry referred to as the probation or investigation period. Through the latihan people renew their contact with the power of God and become aware of the latent powers that reside in all of humankind. The central feature of Subud is the latihankejiwaan, or inner training, which takes place for half an hour up to an hour, two or three times a week, and is practiced by men and women separately. Subud has little doctrinal teaching except for the belief in divine power and higher centers of consciousness. The implication is that people practicing the latihan align themselves with those higher centers. It is available to any person seventeen and older who has a sincere wish to worship God and wants to receive this contact. The action of the latihan within each person allows the power of God to express itself spontaneously through singing, chanting, shouting, moving, dancing, crying, laughing, etc. Subud's founder, Bapak Muhammad Subuh, explains that in this way, when in the latihan we make a complete surrender to the Power of God (or the Great Life Force), we can receive the education of our inner selves, free from interference by our minds and hearts and according to our own individual needs. Participants have often reported strong

feelings of rapture and release, psychological and physical healing. During latihan, one lets go of thoughts and emotions in order to follow what surfaces: those movements and sounds that spontaneously arise from deep within. It is a form of cleansing which allows the worship of God to become stronger and less obstructed, a training that lets individuals get in touch, develop and trust their inner guidance, enabling the complete self to emerge through an action that comes from beyond the thinking and the will.

25 ODES to Indian maids, they so DESERVE IT! Mike Watson 2023-02-14 Madam, Paye LAgU! You're so nice - you so deserve it! And they do. They

really do! I'll include more on this part below, and those on my email list have likely heard SOME of it - but for now, I want to start off by saying there are few ladies that arouse such DEGREES OF sheer and utter DEVOTION FUELED LUST in me than the below two categories - Downtrodden ladies - especially in poor parts of the world, which includes maids, sex workers, and women that are treated as garbage in general - they should NOT be! And, older ladies, this constant pressure of having to be young and beautiful - it sucks. Nothing wrong with that of course but we all age, and in any case for a woman the MIND is most important (and if YOU THE READER DOES NOT AGREE ? Well, you're NOT on the right page!) .. The vibe is what matters, not her age, looks, or anything, she's a woman - so she's SUPERIOR, it's that simple, and as I think of the older lady in the park sunning herself, damn, I just HAVE TO say that again! There'll be some odes out to older ladies - mostly Indian - in general - but for now, I remember an ex telling me "I'd love to give a rickshaw puller in India a foot massage!" This was years ago, but she was right from the serving perspective. Doing it to downtrodden folks is always something that has a different meaning, and is more meaningful - shows MORE gratitude! Anyway - where do I EVEN start? Well, maybe THIS would be a good place ... Why I love being dominated by ladies of the night in China, and maids in India (INDIAN maids!) IT's interesting, but EVERY time I've seen a maid in India, the thought of female domination has crossed my mind, and in a very powerful way! Or, even "domestic help" (female) as they call them in the Indian subcontinent. And being that yours truly grew up in "that house" when young, and had the opportunity to be "Served" by Manju - and some of the other maids there - who would probably GIGGLE to an extreme at that time if they even KNEW what was going through my young mind!! ... well, there was plenty of "opportunity"! (what a turn on that giggle is! Paye Lagu, MAdam JI!) You like maids, I remember a colleague at work once snickering. I grinned and remained silent (the lady in question was a particularly beautiful young "helper" in a professional sense, not so much housemaid). But it's the same reason I love powerful women so much! And the SAME reason I worship ladies of the night in China with so much devotion! Because the downtrodden ladies do deserve it! In India, that seems to be the female household help that are still, unfortunately in this day and age treated like GARBAGE. And In China, they don't have that "household maid" system anymore apparently for years now, but I DO know what they think of ladies of the night! Could be Madam Aa Ling, who took me SO expertly in hand, a story you MUST read ... Could be any of the others I wrote about in Sin City Diaries! (Of course, that contains MORE than just details of the above category of women - there's plenty of "normal" women too!) But really, being dominated by one that is all the time in real life. . . Serving HER like the Queen. Watching HER relax. Watching THAT look of satisfaction in HER eye magnified, as she takes out all the indignities heaped upon HER unto me ... And that, my friend, is truly a massive turn on, pun intended! Why massage workers and prostitutes should be REVERED and worshipped for the true GODDESSES they are, at least if you're a true femdom lover!! Oh . . . BOY! I know I start many of my comms out that way. But as I write about lovely worshippable shoulders and login to my WeChat account, I see "likes" on my posts from a certain lady, "Monica Spa". In Shanghai, no less! ? I've written before of course about how if China is the Mecca and Medina of true femdom lovers, then Shanghai is the icing on the cake. And it's true. These girls in Shanghai take dominance to another level altogether!! Maybe it's the culture. Maybe something in the air. But from Princess Sherry (no, she still didn't return my cash! ?) to Madam Pearl to countless others and most recently Perfect Madam Susan (NOT that Susan - - the Susan who is a massage worker, but she'd probably make me worship her too!) they're all from Shanghai! And very open about their female dominance, hehe. And they should be! And anyway, this brings me to the point of my post. Many years ago (and I believe I wrote about this in Sin City Diaries in great detail), I was visiting a "lady of the night". Who blew me. Rimmed me. Did just about everything I wanted, but didn't quite enjoy it (unlike a certain Aa Ling, who DID, and took me in hand, and her REAL name was "Aa Chie", hehe. ?). And when it came time for the "climax" i.e. sex? With a bored, irritated, half "I don't want to do it expression on her face", she took my penis (I Was flat on my back) and prepared to slide a condom on to ride me doggy style. And though she wasn't that surprised when I declined, gently taking her lovely soles and putting them on

my face as she relaxed, jerking me off with just one hand (?), she Was - a little. It's different, was the vibe. No client has ever done this before! And the hint of a smile appeared, and the eyes softened, and even though I Was paying her, to me that is what mattered! The same thing applies for the girl who once laughingly asked if I was gay (she sure didn't know how erotic it was), or the massage worker who did a shitty job, and took my money, and left ahead of time, or the lady that looked at my load in UTTER, SHEER DIGUST! These lovely ladies were all ladies of the night in one way or the other. /and though they're amongst the most downtrodden and looked down upon, I feel otherwise. Not just because of the obvious (the sexual skills). But because if there's anyone that really deserves femdom, it's them! Think about it. Being made to service ugly fat men (most of the time! ?) in ways you'd neve want to, to STIFLE and BRIDLE that naturally dominant streak Chinese girls have to provide for their families, the disrespect, feeling of being used, and so forth and those in the know know what I BE Talking about! And to me, sexually, it's even more exciting to worship those ladies. "Ha, ha", I can almost hear perfect Madam laughing. "He paid me for sex, twice, and he didn't even do it once, and I got away with less!" "Ha, ha! What a loser", I remember the Goddess Aa Ling once laughingly telling me in the bordello (before she took me in hand). That was when I was licking HER out instead of the opposite, where thousands of men's COCKS had been before! And that was such a massive turn on that although she didn't say the "loser" part out loud then, the VIBE was there, and I felt it, and well, the rest is history ain't it. Same thing for me begging Madam Susan to allow me to clean the leftover towels, caked with CUM from clients who I don't even know after she does the massage and for to "regale" me with stories of how she was taken, how other men DID It - and how I didn't - COULDN'T! How much she ENJOYED those other REAL MEN! and how sexy their organs were (like my current SO does). And so forth! But most of all, it's the feeling of worshipping those very ladies who in vanilla life are looked down upon the most, and they shouldn't be! Separately, my ex (that same girl ALL THOSE YEARS ago who once asked me to go to counseling) said that if there was one person she could give a foot massage to or would want to, it was a rickshaw puller from India. You know what I mean, of course. Their very existence is sorrowful, and if you look at the pictures, and I've written about this, of course . . . then, well, it's obvious. I believe Calcutta (Kolkata now) has outlawed them, but given how lax implementation of laws is in in general in the subcontinent, I'm not sure. Maybe perfect Madam Manju would know! ? And anyway, the point stands - pun intended - doesn't it? At least it does to me, and if you're a true Sissy, it should to YOU TOO, boy! What PERFECT Madam Gaby told me (TOLD! hehe) about following the dictates of my heart... It's something I've done all my life. It's something I'll continue to do for as long as I breathe on the physical plane. And Madam said it SO WELL, so NICELY! She truly does without even trying bring out the simp in me. Hehe. Doesn't take much, I know, but she ... But anyway, this morning, on another site, I wrote about "What would you regret at the end of your life - if any". If you're Amazon founder Jeff Bezos, his answer would be "not trying" (if he didnt). When quizzed about his space travels, Blue Origin ... and his ownership of the Washington Post - this was his answer. "When I'm 90, those are things I can look back upon and be proud of, that I did 'em!" Jeff is right, and I agree 100%. I then posed the question to my readers! (for me, I thought about it for a brief 2 minutes, more than what I think about for any of this sort of question - and my answer was "No"). I posed the question to my readers though, and asked them to be HONEST. HAVE you done all you could - at any endeavor - done your best, given it all your all, an dthen some? HAVE you followed your heart - instead of your logical mind - most of the time - and never given up doing so? HAVE you done - or tried to do- all you wanted to? If there is something you wanted to say, someone you wanted to compliment - something that makes you happy ... HAVE you done it? And so forth. For most people, the answer is NO. But anyway, for me ... thats what a lot of women keep telling me - and that I did anyway. "If it makes you happy "... And thats what I've done all my life, on this site, and so forth! Creating a site tailored to simps, sissies, studs and such- and the pathbreaking products - true, not many people, or any maybe do it - or have done. It's truly unique! (the way in which I do it is too). But till this day, I could care less about how it looks, what people think and so forth. IF there is something I want to say, like with the regally commanding (or, I should

say “lovely mind”, but both are the same! the VIBE shines through) Madam Gaby I wrote about yesterday, I said it! She posted something on Twitter about “not giving your heart to me, or it won’t come back”. Or it likely won’t, at least. Me? Is it OK if I let my simp tendencies float towards you Madam ? ??? Hahahaha, just kidding.... (not really ?) Heheh. Her - You should just follow the dictates of your heart ? The way she said it, SO NICE! I can feel that VIBE that attracted me to her in the first place, she is SO NICE! Absolutely, Madam. That’s what I do all the time and you bring it out SO well in me. I’d press your legs all day and listen to your adventures ... ? Thank you so much for being so NICE - so GORGEOUS! And she is! And there it is, my friend. Follow your heart - and have the guts to do it. If you like something, be OPEN about it - not a wacko and Bozo “hidden closet fetishist” like that “Glyn” guy in Brum who pesters all and sundry with his nonsense, and is a vile, nasty person about it too. Just be open, nice and honest ... all there is to it! All this hate, bigotry and “judgment” against sexually open women (Queens!) - “whores” - and sex workers in general. It’s so BAD! Reminds me of so many things, this one- where do I even start!?! Maybe what Madam Helen once told me, hehe. “You’re really so bad!” And we weren’t talking sex, anything REMOTELY sexy - we were talking work - and choice of occupations and such. Search the site, you’ll find a mention of this lovely woman! “Every conversation with you turns into a very serious conversation on topics I don’t even discuss with my husband!” So, I was “so bad” - in a good way. Hehe. But really back to the title. I don’t get it - men can sleep around, men can come home, belch, fart, expect dinner ready, lie down on the bed with legs spread, drunk, dirty (in some cases), expect their dicks sucked and then their asses licked or whatever, and then expect the girl to make them a sandwich, massage them ... so BAD! Entire industries in China sprung up around this requirement, of course, and a certain Aa ling, but I’m getting ahead of myself! Whew. Deep breath. But she was so nice, she still is, they all are, Madam, you’re truly so NICE! I have gone hoarse saying it - goose and gander. If men can do it, have several girlfriends, not be frowned upon, if “older men” are more desirable - then why can’t WOMEN do the same thing? Of course they can! Female empowerment and emancipation is BY FAR the sexiest thing ever overall, the MIND is what counts! The DOMINANT VIBE ALL LADIES HAVE, if you let it escape! “Because you let me do it!” as Princess Sophia once told me ... Anyway ... I saw a recent medium post by a lady named “Gaby”. She’s been labeled a “whore” for being sexually open and having many partners, I believe ... and she wrote a piece about how “I hate the women who told me not to be a “whore””. She is right. Sometimes, as an S.O . of mine once told me ... “Women are each other’s worst enemies” They are, just look at the maids in India and their employers I keep talking about, classic case of employers being SO mean to their hired helps ... usually female! (I wrote about this yesterday on here too, I believe). (And as far as the lovely Saloni Ma’am goes, who USED to be a maid, and then hire maids, I’m SO glad to report, as I said on Twitter she no longer does. No prizes for guessing why! Hehe). More on Saloni ... well, y’all know where to find it! Anyway, she wrote that piece. Here is one of the comments Madam got. “You can do whatever you want, but you’re going to find out in the worst way how whores end up. You can go now and get all the dick you want, until you start to hit your 40’s, where you can’t get dick as easily and then you want a serious relationship but you’ll soon realize that nobody wants you anymore because you wasted your whole life getting railed, and you’ll probably already have a reputation around town too, so men won’t have any reason at all to want you. Because older men can get younger women and younger men don’t like to date older women. This is not my personal opinion, it’s a fact that keeps repeating itself over and over again, you’ll see multiple articles and stories of women confirming this, now you can feel offended for what I said, but in the end of the day reality doesn’t care about feelings”. Well..! It was a lady that said that! She may have some valid points, yes - MAY be the keyword! To me, when I saw Madam’s response “I’m over 40!” ... it did nothing to dampen the initial enthusiasm I felt for her when I read her post! Maybe SOME men don’t want older women, maybe SOME men don’t want sexually experienced women, I don’t know, my first girlfriend was 10 years my senior, and far more experienced than me in bed! I can just remember what an idiot once told me about “you like them over 35 with having popped out two kids” while completely ignoring how GORGEOUS that girl was - still is - looks like 15 years less than her age, and has more

brain than a lot of the younger women out there (which nothing against younger or older women, but really, women get too much pressure on this age thing!). All this hate and bigotry, judgement etc against sex workers, people Just don't get it, do they. They're human beings like you and I, sometimes, and usually extremely nice people... Bear in mind "Gaby" was probably not even an actual "sex worker", she just loves getting laid from what I can tell and why not! You are so nice, Ma'am! Keep doing what you do - you're a goddess and Queen anyway! All in the mind, age is just a number. The world needs more ladies like you! Ignore the stupidity. You're lovely! And she IS! And it's true, which is why I'm saying it! I had to say it ... Gaby's response to what I said above "Why Massage Workers and prostitutes should be REVERED and worshipped for the true GODDESSES they are, at least if you're a true femdom lover!!" You are on the right path Thank you, Ma'am! The pleasure is all MINE! But anyway, what does this remind me of? Well, two ladies - one, the lovely Su! Madam Su, when I first met her, and her initial comments to me. "If you can't satisfy me in bed, I'll have other men, but YOU can NEVER have other girls, period!" That last bit was bolded, and I instantly felt - SO NICE! Madam was so nice for assuming I couldn't satisfy her in bed anyway! She didn't know about my sissy and simp tendencies back then, but you know men, wham, bam, thank you Ma'am! Su was over 40. Su was like 6 years older than me, and such a Queen! And even though she said that, she was reluctant to actually DO it initially. "If you like me, why are you ok with me with other men!" (even though she brought it up, wanted it...) That's what I keep saying in Cuck Central, it has to be HER fantasy too, SHE has to be into it too, all too often it's a male fantasy, ends up not working at all! Get HER involved in it mentally and COMFORTABLE with her own sexuality, and HER PLEASURE, and demanding HER OWN PLEASURE, and being TRULY, deep down inside, comfortable with it, that can only come when BOTH partners are into each other ... THAT is what really brings out the cuckoldress in her, and experiences the cuck will never forget, and, as Carol once told me, "this beautiful relationship" ... Anyway, she proceeded to do so pretty fast! "You can never satisfy me like him", she'd giggle, and mean it (which is what made it so sexy - the realism) - and talk about Jerome's sexy cock as I pressed her legs after she came back from a night out with him. You, the reader of Cuckold Compilations know I was usually tongue deep "flicking" in her ass after that anyway, to give her more and more pleasure! (Sophia Bai series has the actual story of how I met Su, Cuckold Compilations is just the hot and steamy part of that tale - and others!) (lots of PERSONAL experiences there too!) "You can press my legs while I watch movies. Wash the clothes too, just don't tear them, boy!" (she meant wash them by HAND.Hehe). She is so NICE, I cannot say it enough times! Men do it all the time, why not MAdam! It even got to the point where she'd bring used condoms home as a surprise, often wet and sticky, I'd cum INSTANTLY looking at them, the sheer humiliation! A lot of you might say "well, you're into it" - but if I wasn't - well, I'd make sure to satisfy her in bed! And I'm sure eventually she'd "let" me have other women if I really wanted it, but I was so happy, still am, being a simp for her, and don't all women deserve the best of both worlds - they do! Madam Aa Ling, that lovely lady at the borello, my FIRST tale on Chinese femdom was about her, a true story, reality mixed in with a dab of creative license (NOT the other way around) again ... A lovely sex worker - and the minute she KISSED me with those full lips, the tongue that had probably serviced so many men before she met me, I felt none of that, I felt she really liked me, and I was right - you can tell from the body language! More to the point - I really liked her too! That first kiss, that deep kiss ... All the Chinese ladies - sex workers and massage workers I've been with, the ones who never did their job, even the ones who flicked my nipples, and giggled uncontrollably asking if I liked cock (despite me making no mention of it) - other clients would get annoyed. They would never do it to others. But like Sophia keeps telling me ... "Because you LET ME do it!" She is so nice! Women deserve it, I don't know ... And all this hate, all this silly bigotry ... The world really needs to OPEN up more, admit their secret and hidden desires, often times these same people can't get what THEY really want, it comes out as hate, or judgement... Madam Gaby - thank you SO MUCH AGAIN. You're a Queen, Goddess - and it's all about the mind, and I meant every word of that! (and thank you for inspiring the post. You're the best!) Now as I said in "A complete guide to understanding dominant ladies from mainland China", and as

I say in all my writings and books - especially "16 Incredibly Powerful Femdom Affirmations that will attract true and lasting femdom to YOU like moths to a FLAME" - REPETITION (accompanied by deep desire which FUELS that repetition, again on auto pilot) is KEY to accomplishment in any field - femdom is no different, and if you've read the above (the concept repeated FOUR TIMES!) - if you're silently nodding your head at the understanding that that gave you into femdom - and why these ladies deserve it more (and you're learning more about real femdom if you agree, so it should be!) - read THIS! ***** Man. These ladies, so NICE! Every one of them, Paye Lagu, Madam ... Ji! Folks have often made fun of me for two things - my love of older ladies - and WORSHIPPING THEM - and my constant insistence that their body shape, looks etc are NOT important, neither is age, its their MIND which counts, and it so DOES. I still remember a colleague telling me smirkingly "Mike loves maids!" "tumhe maid bahut pasand hai", I still remember him taunting me as I looked on at a lovely lady cleaning, so flirtatious without showing it.. So did he - except he got none. Guys like this are utter fools, and thats what I dont understand about guys in general, if they would just respect women more, it would - and the world - would be -a far better place! Oh well. I aim to change all that through this site, through my writings, books, products, every one of 'em. And now that we're past all that, no better place than HERE - and no better time than now (remember what Napoleon Hill said "the time to do it is NOW - and the opportunity is where you're at NOW) to tell you this - to attract femdom of a nature you never imagined possible into your own life - or simply to understand MORE about what real, true and lasting femdom is all about - you'll want to drop all else you're doing, and get this NOW, my friend. These are insights - rare insights indeed that have never ever been shared before, and given the demeaning and ... well, so it should be! - and lovely nature these ladies can have, and so they should - goose and gander, it all comes full circle from being TREATED that way in real life ! (readers of "Garima Madam's bitch" and "Garima Madam -the Prologue" will KNOW, as well as readers of my other books!!). And, a percentage of these sales will go in some way, shape or form to a downtrodden lady - somewhere. Thats a promise, my friend - and definitely a dominant lady. And, my list will of course hear about it first. Drop all you're doing, and get this book NOW while it's still at the price it is at NOW - because the price will go UP from here on in, so it should - royalty - those ladies - DESERVE IT! Best, Mike Watson P.S - Almost forgot to say THIS - Why this book will bring YOU - the TRUE FEMDOM LOVER - GREAT LUCK! Now, after I had the idea for this product, and sent out the pre-order email, I'm sure I was on the right track (or I wouldn't do it, period!) ; but after that I stepped out to run errands, workout, on the way I was thinking, looking for signs as I

always do that I'm on the RIGHT path (not that I need more confirmation on what Madam Gaby, everyone I know, and myself included which is the most important have already TOLD ME!) And while stepping out - here are some things I saw - in no particular order, I've not even counted. I do NOT believe in coincidence, it all happens for a reason, the Universe is always sending us messages - even when we're UNDERFOOT! And, in no particular order - Heading out, first thing I saw? An older lady wearing LONG shoes - the feet longer than mine - but they could be a pair I just discarded - except bigger feet. My, so nice, if that wasn't ever a sign to proceed on this project, what else is?! I smelt "turmeric" while thinking about it. With a lady's voice coming through, in India, that's considered lucky. I saw monkeys. Two babies, then one adult, then another, until I counted 7 - a MAGIC NUMBER! (Not to mention, today is the 14th Feb = 7! And, 2023 adds up to 7. MAGIC!). I saw a tired old lady sitting on the roadside, painfully rising up, I wish I could have pressed her legs a while, she'd enjoy it, she needed it! A maid walking, splashing through water on the dirty Indian roads, ankle high salwar, anklet on full view, sort of the like the goddess on the cover of the book! A young's maid slippers thrown in the trash. On the way back, one was gone, one remained. I so wish I could have photo'ed it- I would buy it, keep with me! Madam, Paye Lagu, memsahib... JI! A lady with BIG feet, smelly feet - in CLOGS so they smell more - with unpainted toenails ... walking by - talking about dogs and monkeys! By the way, all these dogs and monkeys - I saw them ALL on the right side of the road a while ago! Perhaps apt this is point numero eight, a four leaf clover was waving at me, sending me vibes like nobody's biz! As I worked out, I was next to a lady sitting on a bench, her shoes waving away all the time! Lady wasn't being direct, but she was looking, enjoying the bare chested display of virility, and I was so glad to perform for Ma'am for free!! And as if I needed "completion", I then took a shy maid's foot pictures - as much as Goddess would allow (pity she did not let me rub her feet in public, I wanted to so put her on a pedestal as she DESERVES!!!! with other women looking on, doing the same to me, admiring this old lady...) - and they are on the cover of the book! Well, my friend, with all these lovely vibes, and all the femdom benefits you get from the book, this book will be nigh lucky for YOU - you'll not only understand true and lasting femdom so much better, but you'll start to be more respectful towards women in general, and that starts it all, in your thoughts. And if you're into femdom, this once in a lifetime book with its unique insights will bring you good luck - like NOTHING ELSE CAN! And if you can't figure out why as yet, you ain't been paying attention. All of this naturally means I will price it high, this sort of info does not come cheap - so get it while it's on pre-order status because TRUST ME, the price will go up VERY SOON! Get it now, it's as simple as that!

Eroticisms Jerry Piven 2003 *Eroticisms: Love, Sex, and Perversion* explores the elusiveness of human sensuality. In an era of conflicting moral relativism, political correctness, validation of lifestyle choices, liberation, hedonism, and postmodern pansexualism, versus resurgent puritanism, conservatism, fundamentalism, and theological anti-sexualism, this fifth volume of *Psychological Undercurrents of History* penetrates current debates and delves into the past to grasp the viscous ambiguities of sexuality, and reassess the question of whether the erotic can be perverse.

Subverted Sue Ellen Browder 2015-10-06 Contraception and abortion were not originally part of the 1960s women's movement. How did the women's movement, which fought for equal opportunity for women in education and the workplace, and the sexual revolution, which reduced women to ambitious sex objects, become so united? In *Subverted*, Sue Ellen Browder documents for the first time how it all happened, in her own life and in

the life of an entire country. Trained at the University of Missouri School of Journalism to be an investigative journalist, Browder unwittingly betrayed her true calling and became a propagandist for sexual liberation. As a long-time freelance writer for Cosmopolitan magazine, she wrote pieces meant to soft-sell unmarried sex, contraception, and abortion as the single woman's path to personal fulfillment. She did not realize until much later that propagandists higher and cleverer than herself were influencing her thinking and her personal choices as they subverted the women's movement. The thirst for truth, integrity, and justice for women that led Browder into journalism in the first place eventually led her to find forgiveness and freedom in the place she least expected to find them. Her in-depth research, her probing analysis, and her honest self-reflection set the record straight and illumine a way forward for others who have suffered from the unholy alliance between the women's movement and the sexual revolution.

The Reason For Sports Ted A. Kluck 2009-08-25 There are books on how to worship God with our marriages, our money, and our sex lives. Books on how to "think biblically" about movies, television, and the arts. Books on how to vote Christianly and how not to vote Christianly. But there is little thoughtful, Christ-centered writing on the subject that drives most of men's banter with each other and consumes the bulk of their free time- Sports. Written in the vein of Rick Reilly (Sports Illustrated), Chuck Klosterman (Spin, Esquire), and David Foster Wallace (A Supposedly Fun Thing I'll Never Do Again), The Reason for Sports will both entertain and shed light on some of today's most pertinent sports issues (race, drugs, hero worship, and more)- all through a biblical lens.e drowns puppies, or that you should cheer for all American QB Tim Tebow because he etches a Bible verse on his eye-black before every game. I'll let you draw your own conclusions about all of these people. But I'll invite you to begin formulating your own theology of sports with me.

The God Gene Dean C. Moore 2016-10-05 It's an Age of Abundance. No longer do humans struggle to meet their basic needs. Arguably, they live better than kings of old. But despite this, it's the intelligence explosion that steals the limelight; technological innovations come so rapidly that they create a backlash. The risks to the new world order are just too great. And now there's talk of both a nano man--comprised of a shape-shifting swarm of nanites--and a human with the god gene. Even with a planetary ubermind to keep things under control, fears are that one or another of them will be able to hack the ubermind. Have they done so already? And if so, how long after they settle their score with one another to see who's top dog before they're free to mess with the entire human race? For one woman and the two men that love her, these concerns are more than simply academic. You see, one of the three carries the god gene. Pick up a copy now to see if the very thing that truly makes us stronger--our relationships--survives the latest onslaught of a technology that hits like a tsunami wave.
