**Walking in the Dust of Rabbi Jesus** - Lois Tverberg 2012-03-06

In this ebook download of Walking in the Dust of Rabbi Jesus, Lois Tverberg challenges readers to follow their Rabbi more closely by reexamining his words in the light of their Jewish context. Doing so will provide a richer, deeper understanding of his ministry, compelling us to live differently, to become more Christ-like. We'll begin to understand why his first Jewish disciples abandoned everything to follow him, to live out his commands. Our modern society, with its individualism and materialism, is very different than the tight-knit, family-oriented setting Jesus lived and taught in. What wisdom can we glean from his Eastern, biblical attitude toward life? How can knowing Jesus within this context shed light on his teachings for us today? In Walking in the Dust of Rabbi Jesus we'll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus' day, and consider how hearing Rabbi Jesus with the ears of a first-century disciple can bring new meaning to our faith. And we'll listen to Jewish thinkers through the ages, discovering how ideas that germinated in Jesus' time have borne fruit. Doing so will yield fresh, practical insights for following our Rabbi's teachings from a Jewish point of view.

**GOD IS LOVE (Full Color Version)** - Thomas Mason 2019-11-13

These are my favorite Bible verses. They deal with God's Love, things that God does not love, the power of faith and, for me, an insight into Jesus's personality. To me, he was really a cool guy. When the crowd was going to stone the woman, he said, according to John, Chapter 8: Verse 7, "He that is without sin among you, let him first cast a stone at her." While the crowd gradually dispersed, he doodled in the sand, waiting. When the men had all gone, he asked the woman, "Where are those who condemned you?" She said, they had all gone, there was no one there to condemn her. Then, as John, Chapter 8: Verse 11, tells us, Jesus said to her, "Neither do I condemn thee: go, and sin no more." So Jesus's handling for sin was not punishment and suffering, but just stop sinning and live righteously. When I read that this time through The Bible, I realized that all those punishments listed in the Old Testament were intended to keep people on the straight and narrow, not to reduce the population. They were intended to prevent sin. As I studied The Bible again, I realized that both the Old and New Testaments speak about God's love. In The Old Testament, Leviticus, Chapter 19: Verse 18, we read, "thou shalt love thy neighbour as thyself." Again, in Leviticus, Chapter 19: Verse 33, we read, "the stranger that dwelleth with you shall be unto you as one born among you, and thou shalt love him as thyself." The New Testament teaches us, in John, Chapter 4: Verse 8, "He that loveth not, knoweth not God; for God is love." Also in 1 John, Chapter 4: Verse 7, "Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God." Further, in 1 John Chapter 4: Verse 11, "Beloved, if God so loved us, we ought also to love one another."

**The Greatest Thing in the World** - Henry Drummond 2014-03-30

"To become Christ-like is the only thing in the whole world worth caring for, the thing before which every ambition of man is folly and all lower achievement vain." "The people who influence you are the people who believe in you." "You will find as you look back upon your life that the moments when you have truly lived are the moments when you have done things in the spirit of love." When Jesus was asked, "Teacher, which is the great commandment in the law?" Jesus responded, "You shall love the Lord your God with all your heart, with all your soul, and with all your mind. This is the first and great commandment. And the second is like it: You shall love your neighbor as yourself. On these two commandments hang all the Law and the Prophets." Based on 1 Corinthians 13, this well-loved classic provides life-changing insight into the nine components of love: patience, kindness, humility, generosity, courtesy, unselfishness, good temper, guilelessness, and sincerity. The simple beauty and positive truths of this dynamic message will encourage readers to practice the power and blessing of love in every area of life. Drummond's memorable homily on love -the supreme good- retains all its original freshness and vitality in this modern day. Widely quoted and read, his message on love from First Corinthians has sold over 12 million copies. Invoking God's two greatest commands to love Him and love one another, this message is just as needed today as it was back then.

*You Shall Love the Stranger as Yourself* - Fleur S Houston 2015-03-24  
You Shall Love the Stranger as Yourself addresses the complex political, legal, and humanitarian challenges raised by asylum-seekers and refugees from a Biblical perspective. The book explores the themes of humanity and justice through exegesis of relevant passages in the Old and New Testaments, skillfully woven into accounts of contemporary

refugee situations. Applying Biblical analysis to one of the most pressing humanitarian concerns of modern times, Houston creates a timely work that will be of interest to students and scholars of theology, religion, and human rights.

The Love Revolution - Joyce Meyer 2009-09-17

We know it as the Golden Rule. Jesus called it the Greatest Commandment: 'You shall love your neighbour as yourself ... do unto others as you would have them do unto you.' In her latest book, Joyce Meyer proposes that Christians do something revolutionary: actually practice love. The book is a hands-on guide to bringing to life the basic message that Christ brought. In it, Joyce examines what will happen if we each decide that we will refuse to live only for ourselves and instead take on the challenges and problems of others. Joyce takes a global view of the Love Revolution, addressing such issues as \*human trafficking \*domestic violence \*rape \*hunger \*child prostitution as well as providing concrete actions you can take to participate the solutions to these world-wide crises. She also gets personal, discussing Biblical and psychological premises to help us practice what we preach on a daily basis.
